COUNCIL TAX PROPERTY EXEMPTION FORM
(DWELLING LEFT UNOCCUPIED BY A STUDENT {STUDENTS})

This form will help the Council determine whether your property should be exempt from Council Tax. It will also assist the Council in determining from when, or up to, which date the exemption should apply.

To qualify the property must be unoccupied and it must have been the sole or main residence of the owner who is a student and that no one else, other than students lived there. The student must be a 'qualifying person', that is he or she must be the person who would be liable to pay the Council Tax if it were not for the exemption. In some cases the qualifying person may not have become a student until after changing their main residence, in which case he or she must have become a student within six weeks of leaving the property for the exemption to apply. The exemption only continues for so long as the person remains a student.
