

## Council Tax Exemption/Discount: Severely Mentally Impaired

Anyone who is medically certified as being Severely Mentally Impaired (SMI) may be eligible for a Council Tax exemption or discount. This means that the person will have a severe impairment of their intellectual and social functioning that appears to be permanent.

To be eligible, the person must be diagnosed as SMI by a doctor **and** must also be entitled to one of the benefits listed on this form.

Conditions that can lead to severe mental impairment, severe cognitive impairment or mental ill health include Alzheimer's disease and other forms of dementia, Parkinson's disease, severe learning difficulties or a stroke, but many others may apply. Having one of these conditions does not in itself mean that a person will be diagnosed as SMI by a doctor.

Council Tax Exemption/Discount:

- If you have been diagnosed as SMI by a doctor and you are living alone or only with others who are SMI, you will be exempt from paying Council Tax.
- If you have been diagnosed as SMI by a doctor and you live with one adult who is eligible to pay council tax, your household will receive a 25% discount.
- If you have been diagnosed as SMI by a doctor and you live with 2 or more adults who are eligible to pay council tax there will be no discount.
