SECTION 1

1. INTRODUCTION

1.1 Purpose and Content of the Constitution

- 1.1.1 The Constitution describes the various bodies that make up the Council, their functions, Membership and procedural rules.
- 1.1.2 In Section 3 (Getting Information and Getting Involved) we have provided information for members of the public and councillors on how you can get information about the Council, and how you can get involved. We hope that this will help people who have an interest in the Council's work, or a particular matter it is dealing with, understand where they can get more information, and how they can contribute to Council activities.
- 1.1.3 You can get a better understanding of what each of the Council's bodies do in Sections 4 to 10 of this Constitution, including Full Council, Cabinet, Scrutiny Committee, Standards Committee and Regulatory Committees. Section 11 provides information on the management and Officer structures of the Council. Some Officers have a specific duty to ensure that the Council operates within the law and uses resources wisely. Responsibility for functions at Section 13 says which Council bodies, and which Officers, have authority to make which decisions.
- 1.1.4 The procedural rules that apply to the different Council bodies are contained in the sections relating to those bodies, e.g. Full Council (Section 4), the Cabinet (Section 5) and Scrutiny (Section 7). You may find these useful if you want to attend a meeting, particularly if you want to be able to ask questions, have a matter discussed, or put your point of view.
- 1.1.5 Sections 18 to 20 have the Codes of Conduct and Protocols which Officers and Members have agreed to comply with. They set the standards of behaviour.
- 1.1.6 The Contents pages at the beginning of this Constitution provide a guide on what is in the Constitution and where you can find it.

1.2 How the Council Operates

- 1.2.1 The Council is comprised of 48 Councillors elected every five years or such time as the Welsh Government legislates. Each Councillor is democratically accountable to the residents of their electoral division as well as all of those who live in Denbighshire. The overriding duty of Councillors is to the whole community, but they have a special duty to their constituents, including those that did not vote for them.
- 1.2.2 All Councillors have agreed to follow a mandatory Code of Conduct, to ensure high standards in the way they undertake their duties. The Standards Committee is responsible for training and advising on the Code of Conduct.

- 1.2.3 All Councillors meet together regularly as the Council. Meetings of the Council are normally open to the public. Here Councillors decide the Council's overall Policy Framework and set the budget each year. The Council appoints the Leader of the Council for the term of the Council. The Leader then decides the size and Membership of the Cabinet i.e. the role of individual Members of the Cabinet and arrangements for the exercise and delegation of Executive Functions. The Cabinet is appointed to carry out all of the Council's functions which are not the responsibility of any other part of the Council, whether by Law or under this Constitution, together with making decisions within the Budget and Policy Framework set by the Council.

Whilst the Constitution is very long we hope that you will find it easy to use. We have spent a lot of time trying to make it as easy to follow as is possible with such a long and complex legal document.

- 5.5.2 he/she is removed from that office by the Leader upon such notice (if any) as the Leader considers appropriate; or

5.5.3 he/she ceases to be a Councillor.

The Leader may at any time appoint a Cabinet Member to fill any vacancies.

5.6 **Delegation of Functions**

The Cabinet may exercise Executive Functions itself or may otherwise make arrangements to delegate responsibility for their discharge. The Cabinet may delegate Executive Functions to:

5.6.1 The Leader;

5.6.2 a Committee of the Cabinet (comprising executive Members only);

5.6.3 an individual Cabinet Member;

5.6.4 a joint committee;

5.6.5 Another local authority or the executive of another local authority;

The Cabinet shall meet at least 10 times a year at such venues dates and times as shall be:

- (a) determined by the Cabinet; or
- (b) determined by the Chief Executive where possible after consultation with the Leader (or in his absence, the Deputy Leader or Deputy Leaders), being within 15 days following receipt of a written requisition signed by at least three members of the Cabinet stating the matter or matters to be considered at that meeting, or
- (c) exceptionally, determined by the Chief Executive where in his opinion, where possible after consultation with the Leader (or in his absence, the Deputy Leader or Deputy Leaders) there is an urgent matter or urgent matters which require the consideration of the Cabinet but no convenient meeting of the Cabinet has been arranged.

The Chief Executive shall maintain a diary of all future meetings of the Cabinet, and shall ensure that the dates of meetings of the Cabinet for the coming months are notified to all members of the Council and made available to the public.

5.8.2 Quorum

- (a) The quorum at any meeting of the Cabinet shall be 50% of the whole number of members, rounded down. For the avoidance of doubt the whole number of Members does not include vacancies. Cabinet Members will be regarded as present if they are in attendance either at the physical location of the meeting or by remote means.
- (b) Where any meeting is attended by more than one Cabinet Job Sharer who share the same role (members of the Cabinet who have been elected or appointed to share the same office), they together count only as one person for the purpose of determining whether the meeting is quorate.

5.8.6 Attendance by members who are not Cabinet members

5.8.6.1 Rights to attend

All Councillors have the right to attend Cabinet and Cabinet Committee meetings - therefore there is no restriction to observers attending except during consideration of any matter where the member having declared a personal and prejudicial interest would have been required by the Members' Code of Conduct to leave the meeting.

5.8.6.2 Rights to address meetings

There should be no automatic right for observers to speak on any issue. The right of someone who is not a Cabinet member to speak is solely at the discretion of the chair of the meeting.

Accordingly, it would be helpful for any Councillor who is not a Cabinet member to inform the Chair, in advance of the meeting, of that Member's wish to address the meeting, together with an explanation of the reasons behind the request.

Cabinet Members will always be called to speak first on an item. Whilst the Chair has discretion as to who else should be called, it is expected that priority would be given to a request from a Chair of a Scrutiny Committee or the Chair of Corporate Governance Committee to speak on a matter that was of direct concern or interest to that committee.

5.8.6.3 Questions

Members who wish to ask formal questions of the Cabinet that are not related to items on the agenda should give at least three working days' notice of the question(s) upon which answers will be required.

At each meeting of the Cabinet the following business will be conducted:

- (a) consideration of the minutes of the last meeting;
- (b) declarations of interest, if any;

5.8.10 Consultation

Reports about other matters will set out the details and outcome of consultation as appropriate. The level of consultation required will be appropriate to the nature of the matter under consideration.

Reports to the Cabinet will normally appear in the name of the Cabinet member incorporating advice from appropriate officers. Exceptions will include a report from a Statutory Officer. The originator of a report will ensure that draft reports are the subject of consultation with the Chief Executive and any relevant Corporate Directors and Heads of Service, including in all cases the Chief Finance Officer and the Monitoring Officer.

5.8.11 Cabinet Committees

These rules apply to Cabinet Committees, other than 5.8.1, 5.8.2 and 5.8.4

6.5.4 Meetings of the Cabinet

Subject to the requirement to publish notice of each meeting three clear working days before it takes place, and other conditions contained in Section 14, the Leader can call meetings of the Cabinet at such times and places as he/she chooses (NB: the Chief Executive, the Section 151 Officer, and the Monitoring Officer can all, should the need arise, call meetings of the Cabinet as well).

7.25 CALL-IN PROCEDURE – GUIDANCE NOTE

Introduction

The Procedure Rules allow for any 5 non-Executive members (councillors who are not members of the Cabinet) to initiate a call in of a decision – usually one taken by Cabinet or individual Cabinet members (described as the ‘decision maker’). To facilitate this process a ‘Notice of Call-in of Decision’ form has been produced which is signed by the 5 members and submitted to the Monitoring Officer. Five working days are allowed for a decision to be called-in following its publication on the Council’s web-site and notification to Members of the Council. A decision taken will not be implemented by officers until the expiry of this period.

Members who have a prejudicial interest in the decision may not be a signatory to a Notice of Call-In.

Publication of Decisions

The 5 working day period will not begin until the decision has been published on the Council’s website and emailed to all members of the Council. Decisions must be publicised within 2 working days of the decision being taken in accordance with the Council’s Constitution. This could be in the form of draft minutes of the meeting, a summary of decisions taken or a record of a delegated decision taken.

Implementation of Decisions

Decisions may be implemented from the sixth working day following their publication unless a valid Call-in has been received by the Monitoring Officer.

Urgent Decisions

Urgent decisions may proceed despite a call-in if the decision-maker has the agreement of:

- (i) the chair of the relevant scrutiny committee, or
- (ii) if there is no such person or that person is unable to act, the Chair of the Council, or
- (iii) if there is no chair of the relevant scrutiny committee or Chair of the Council, the Vice Chair of the Council.

In exceptional circumstances there may be urgent decisions that must be implemented immediately upon the decision being taken and a call-in is therefore not possible. These must be identified by the Cabinet / decision-maker at the time the decision is taken and the reasons behind their urgency explained and reported in the record of decision.

The Procedure

A duly completed ‘Notice of Call-In of Decision’ must be submitted to the Monitoring Officer. The notice must contain the signatures of the 5 non-Executive members calling in the decision along with the reasons for the call in.

The Monitoring Officer will notify the Leader of the Council, the delegated decision taker (if relevant) and the Chief Executive of the receipt of the Notice of Call-In and confirm with them that the decision may not be implemented until further notice from the Monitoring Officer.

Which Scrutiny Committee?

The Monitoring Officer will decide the most appropriate scrutiny committee to consider the call in – if necessary in consultation with the Scrutiny Chairs and Vice Chairs Group. A special meeting of the committee will be arranged to be held within 5 working days of the receipt of the Notice of Call-In of Decision unless the committee has a scheduled meeting within that period, or if an extension to the time period is agreed between the decision maker and the chair of the scrutiny committee.

All Members will be notified of the call in and the details of the meeting being held to consider it.

Signatories to attend

The signatories to the call in will normally be expected to attend the scrutiny committee and justify the reasons for the call in to the scrutiny committee.

What happens if the Committee does not meet in time?

Should the scrutiny committee not convene within the 5 working days of the receipt of the Notice of Call In, and without an extension to the time period being agreed, the Monitoring Officer will inform the Leader of the Council, the Chief Executive and (if appropriate) the delegated decision taker that the call-in has ceased.

No case to answer?

Should the scrutiny committee upon meeting to consider the call-in, decide that the decision should not be referred back to the decision maker (e.g. Cabinet or lead member) for reconsideration, the Monitoring Officer will advise the Leader of the Council, the Chief Executive and (if appropriate) the delegated decision taker, that the decision may be implemented.

Recommendations from Scrutiny

If the scrutiny committee agrees that there is a case for the decision to be reviewed, the scrutiny committee's recommendations will be considered by Cabinet at its next available meeting, or in the case of a delegated decision by a Lead Member within 5 working days.

What of the original decision is re-confirmed?

APPENDIX 2(b) MEMBER SCHEME OF DELEGATION

Delegations to Cabinet Members

Key decisions will be determined by the Cabinet collectively; **non-key** decisions which relate to a particular Cabinet member portfolio will be determined by the individual Cabinet member.

A key decision is defined as:-

- The Council incurring expenditure or making savings that are significant in its budget for the service or function relating to the decision and/ or
- Having a significant effect on communities living or working in a particular area and/or
- Matters of corporate policy or high level strategic issues relating to Executive Functions.

The Cabinet Member portfolios can be found in appendix 2(a) to section 13 above. These will include decisions relating to matters which would otherwise be delegated to an Officer but which have been referred by that Officer to the Cabinet member concerned.

The Cabinet Member to whom a function is allocated may decline to make a decision in connection with the discharge of that function on any particular matter, and may instead refer the matter to the full Cabinet, for example where the matter is considered to be politically contentious or is likely to have a significant impact on services or is in the public interest to do so.

Before making a Delegated Decision the Cabinet member shall have regard to the principles of decision making set out in Section 13.2 of this Constitution.

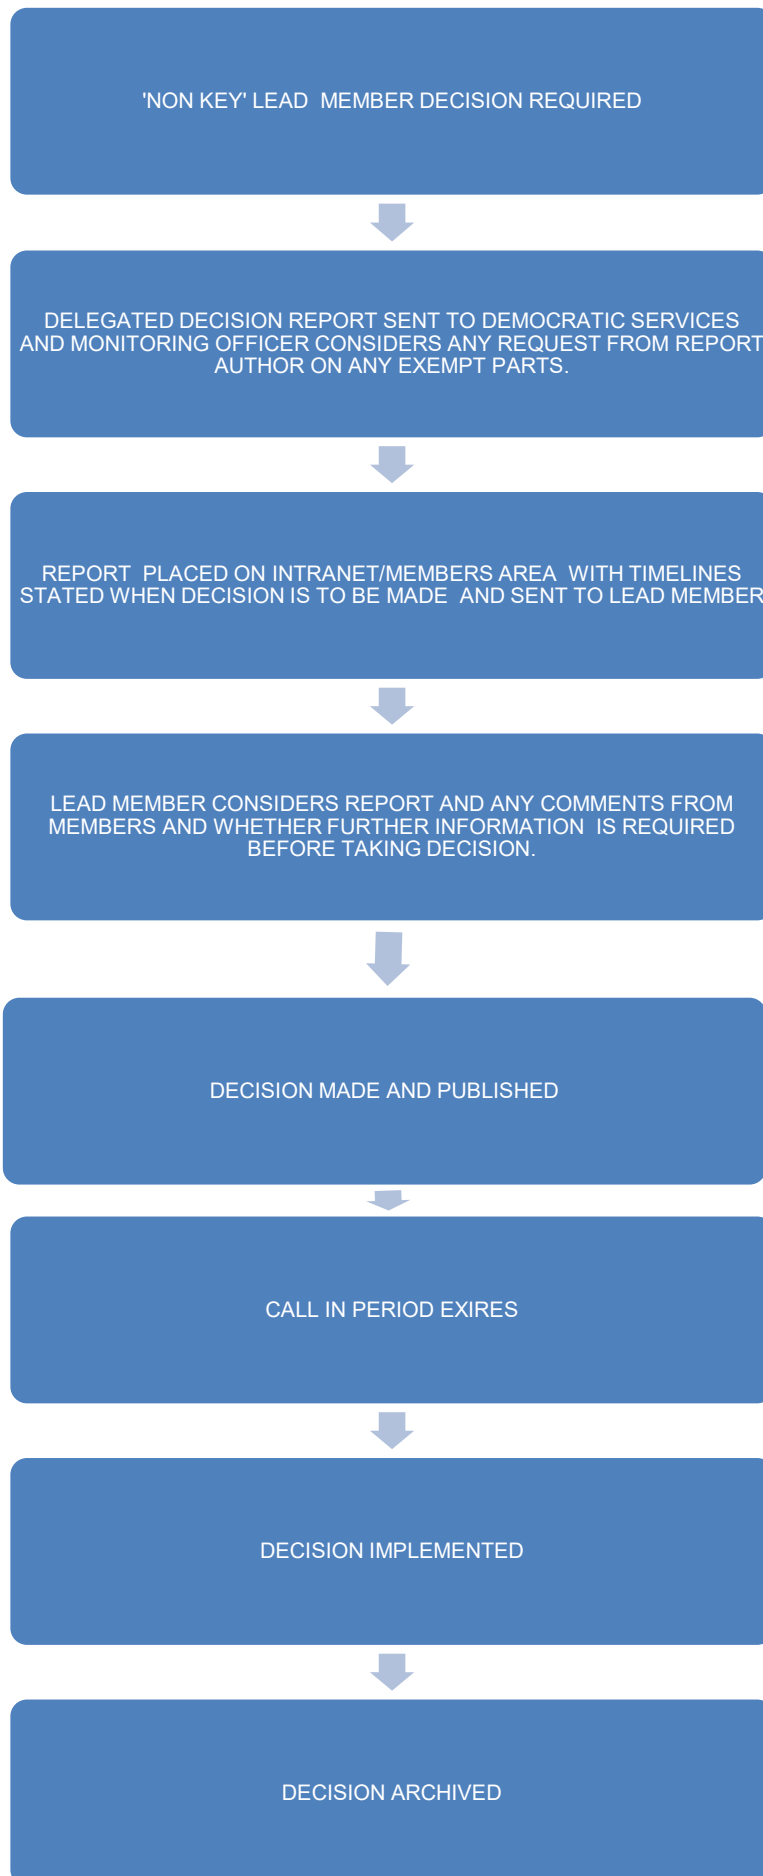

All Executive Decisions must be in writing and the Member shall complete the prescribed form and send a copy to the [Democratic Services] to enable them to make the decision available for inspection by Council Members and the Public, subject to any lawful exemption from public disclosure.

Member Delegated Decisions are subject to the Councils Call In procedures in accordance with Section 7 of the Constitution.

Member Delegated Decisions cannot be implemented until the Call In period has expired, (5 working days), unless the decision meets the urgency conditions as set out in Section 7 of the Call In Rules.

Individual Cabinet members may consult with the Cabinet or other Cabinet members or the Chairman of the relevant Committee; or ward members on the exercise of any delegated powers or determine not to exercise a delegated power in any particular case.

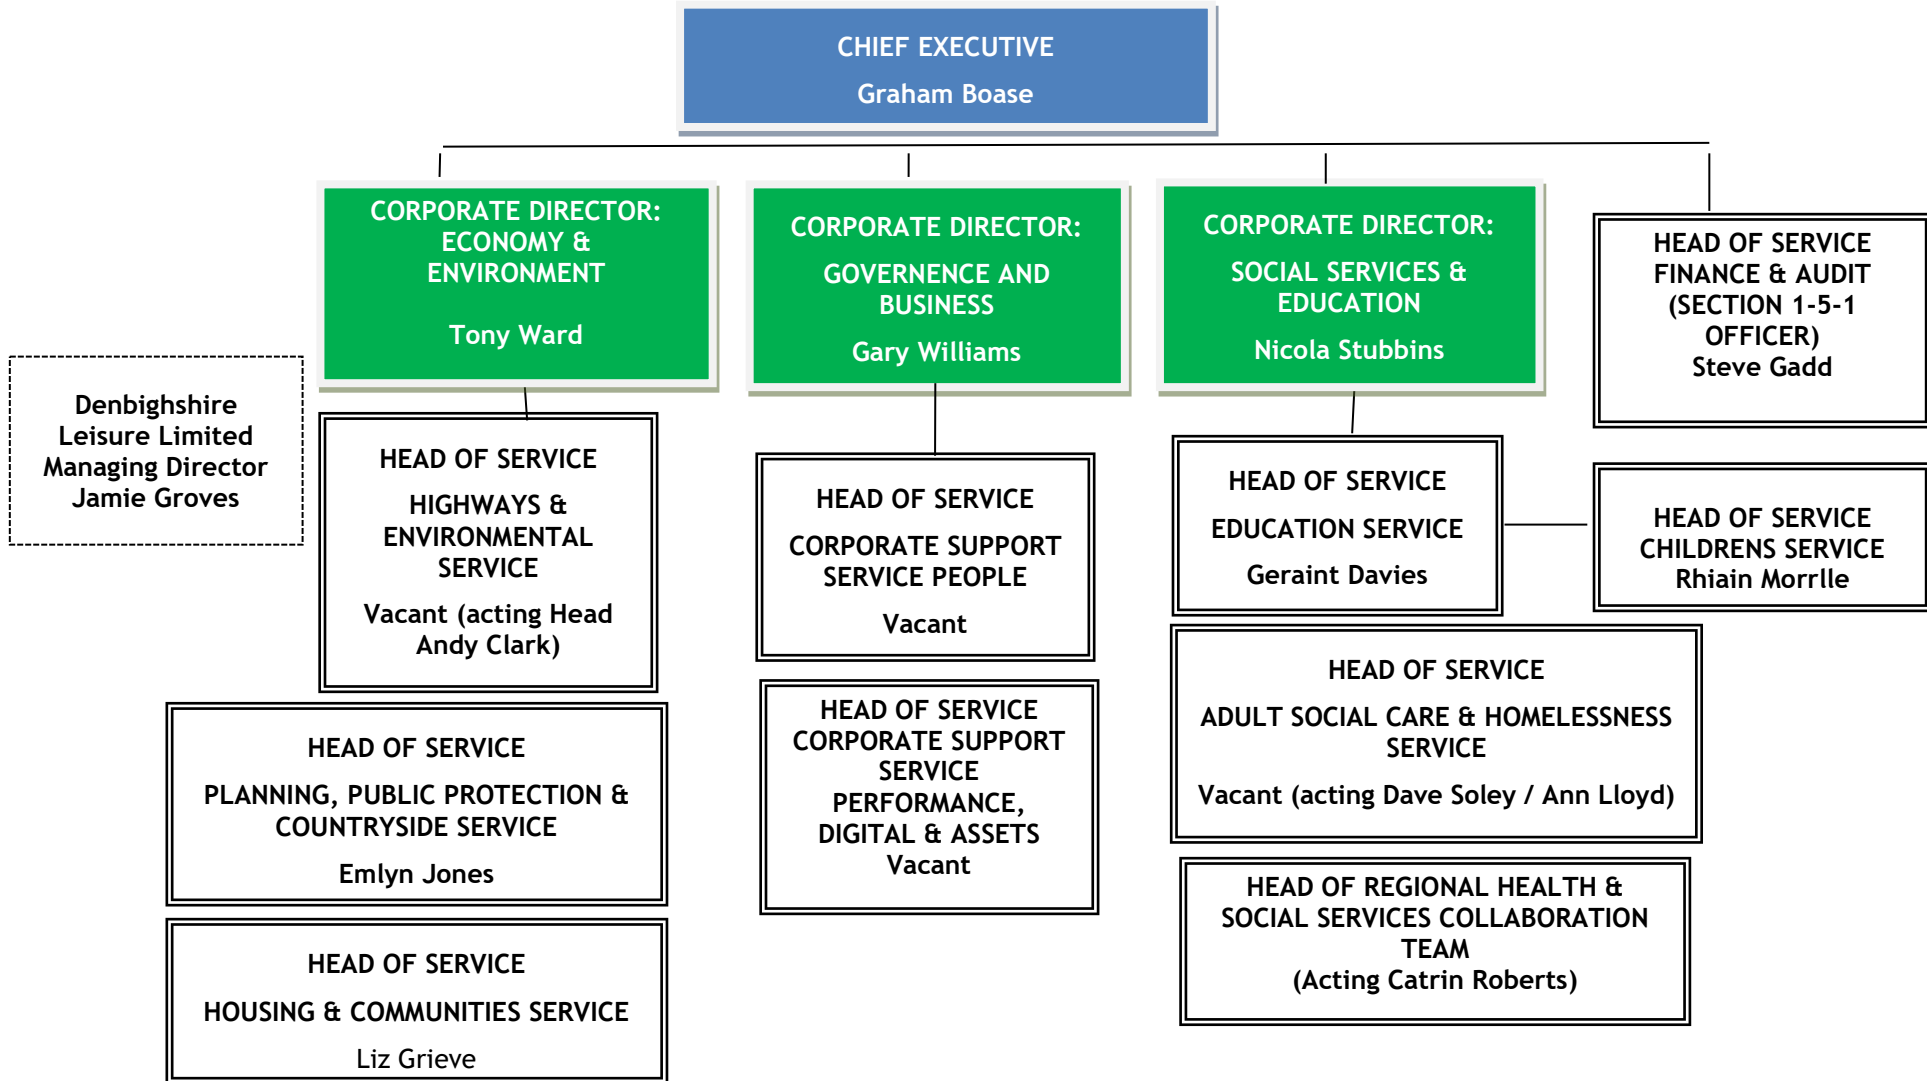

Where an individual Cabinet member has a personal and prejudicial interest as defined in the Members Code of Conduct in relation to any delegated decision, the Member shall not take the decision but will ask the relevant Officer to refer the matter to the Cabinet for determination.

- (ch) The Council will consider the proposals of the Cabinet and may adopt them, amend them, refer them back to the Cabinet for further consideration, or substitute its own proposals in their place. In considering the matter, the Council shall have before it the Cabinet's proposals and any report from any relevant scrutiny committee.

15.3 DECISIONS OUTSIDE THE BUDGET OR POLICY FRAMEWORK

- (a) Subject to the provisions of the Financial Regulations, the Cabinet, Cabinet Committees, individual members of the Cabinet and any officers, or joint arrangements discharging Executive functions may take decisions only if they are in line with the budget and policy framework, subject to 4 below.
- (b) If the Cabinet, Cabinet Committees, individual members of the Cabinet and any officers, or joint arrangements discharging Executive functions want to make such a decision, they shall take advice from the Monitoring Officer and/or the Chief Finance Officer as to whether the decision they want to make would be

contrary to the policy framework, or the budget. If the advice of either of those officers is that the decision would not be in line with the existing budget and/or policy framework, then **either** a decision that is consistent with the policy framework or budget should be taken instead; **or** the Cabinet should propose to the Council an appropriate amendment to the policy framework or budget so as to permit the decision to be made.

15.4 URGENT DECISIONS OUTSIDE THE BUDGET OR POLICY FRAMEWORK

- (a) The Cabinet, Cabinet Committees, an individual member of the Cabinet or officers, or joint arrangements discharging Executive functions may take a decision which is contrary to the Council's policy framework or contrary to or not wholly in accordance with the budget approved by full Council if the decision is a matter of urgency. However, the decision may only be taken if the Chair of a relevant Scrutiny Committee agrees that the decision is a matter of urgency.

If Chair of a relevant Scrutiny Committee is unable or unwilling to act the consent of the Chair of the Council and, in his/her absence, the consent of the Vice-Chair will be sufficient.

- (b) Following the decision, the decision taker will provide a full report to the next available Council meeting explaining the decision, the reasons for it and why the decision was treated as a matter of urgency.

SECTION 16 - FINANCIAL PROCEDURE RULES

FINANCIAL REGULATIONS

Status of Financial Regulations

Financial Regulations are a part of the County Council's constitution and provide the framework for managing the Council's financial affairs. They apply to every Member and officer of the Council and anyone acting on its behalf. Failure to comply with Financial Regulations may result in disciplinary action. Schools are required to have a set of Financial Regulations to identify the principles of financial control, enable governors to exercise their responsibility for making arrangements of the proper management of schools' finances and to ensure the highest standards are achieved in the stewardship of public funds.

The regulations identify the financial responsibilities of the full Council, Cabinet, Corporate Governance Committee, Scrutiny Committee Members, the Chief Executive, the Monitoring Officer (Head of Legal, HR and Democratic Services), the Chief Finance Officer, (Head of Finance and Property) and other Chief Officers (Directors and Heads of Service).

Cabinet Members and Chief Officers should maintain a written record where decision making has been delegated to members of their staff, including seconded staff. Where decisions have been delegated or devolved to other responsible officers, references to the Chief Officer in the regulations should be read as referring to them.

All Members and staff have a general responsibility for taking reasonable action to provide for the security of the assets and resources under their control, and for ensuring that the use of these resources is legal, properly authorised and provides value for money.

The Chief Finance Officer is responsible for maintaining Financial Regulations and submitting any additions or changes necessary to the Full Council for approval. The Chief Finance Officer is also responsible for reporting, where appropriate, breaches of Financial Regulations to the Council and/or to Cabinet members.

Breaches will be investigated. Any breach of Financial Regulations may give rise to formal disciplinary action or action under competency procedures.

Chief Officers are responsible for ensuring that all staff in their services are aware of the existence and content of the Council's Financial Regulations and other internal regulatory documents and that they comply with them. They must also ensure that staff are able to access them via electronic or other means.

Reference to the Chief Finance Officer and other Chief Officers are subject to arrangements for deputising and departmental schemes of delegation. Heads of Service must ensure that there is an effective scheme of delegation within their departments.

The Chief Finance Officer is responsible for issuing advice and guidance to underpin the Financial Regulations that Members, officers and others acting on behalf of the Council are required to follow.

The Financial Regulations contain references to the statutory definitions and other standard terminology in relation to key posts.

A glossary of these is shown below:

1. FINANCIAL MANAGEMENT & ADMINISTRATION

Purpose

All staff, Members and anybody acting on behalf of the Council have a duty to abide by the highest standards of probity in dealing with financial issues. This is facilitated by ensuring that everyone is clear about the standards to which they are working and the controls that are in place to ensure that these standards are met.

- 1.1 The Cabinet is responsible for making recommendations to the Council on the allocation of the resources of the Council and for controlling the available financial resources through the preparation of the annual budget.
- 1.2 The Chief Finance Officer shall, for the purposes of Section 151 of the Local Government Act 1972, be responsible for the administration of the Council's financial affairs, and the supervision of all aspects of financial management undertaken by all departments of the Council.
- 1.3 The Chief Finance Officer has statutory duties in relation to the financial administration and stewardship of the Council. This statutory responsibility cannot be overridden. The statutory duties arise from:
 - a. Section 151 of the Local Government Act 1972
 - b. The Local Government Finance Act 1988
 - c. The Local Government and Housing Act 1989
 - d. The Accounts and Audit Regulations 2005
 - e. The Local Government Act 2003
- 1.4 The Chief Finance Officer is responsible for:
 - a. the proper administration of the Council's financial affairs;
 - b. setting and monitoring compliance with financial management standards;
 - c. reporting on the robustness of estimates and adequacy of financial and controlled reserves for the purposes of making budgetary calculations.
- 1.5 Sections 114 and 114A of the Local Government Finance Act 1988 require the Chief Finance Officer to report to the full Council, Cabinet and external auditor if the Council or one of its officers:
 - a. has made, or is about to make, a decision which involves incurring unlawful expenditure;
 - b. has taken, or is about to take, an unlawful action which has resulted or would result in a loss or deficiency to the Council;
 - c. is about to make an unlawful entry in the Council's accounts.
- 1.6 Any such report is to be sent to all members of the Council and the external auditor. Once a report is made, the Council (or Cabinet regarding executive functions) is required to hold a meeting within 21 days to consider it.
- 1.7 Section 114A of the 1988 Act also requires:

- a. the Chief Finance Officer to nominate a properly qualified member of staff to deputise should he or she be unable to perform the duties under Section 114 personally;
 - b. the authority to provide the Chief Finance Officer with sufficient staff, accommodation and other resources – including legal advice where this is necessary – to carry out the duties under Section 114A and Section 151 of the Local Government Finance Act.
- 1.8 The Chief Finance Officer, as financial adviser to the Council, shall each year prepare a report to the Cabinet regarding the level of resources proposed for utilisation in each financial year, and shall keep Cabinet informed with respect to the Council's finances and financial performance.
- 1.9 From April 2016, the Wellbeing of Future Generations Act comes into force. This puts into law the requirement of public bodies to consider the long-term impact of decisions, alongside current requirements and needs. Financial planning and decision making should ensure that proper regard is given to the requirements of the Act and in particular, proper consideration of the long term impact of financial decisions, including the payback period and whole life costs of investment decisions, properly impact assessed budget proposals and long term debt and investment (treasury management) strategies. The principles of prudence, affordability and sustainability should underpin financial planning and decision making.
- 1.10 The Chief Finance Officer is responsible for recommending such changes to Financial Regulations to the full Council as he considers necessary and desirable for the proper administration of the finances of the County Council.
- 1.11 The Corporate Governance Committee shall be responsible to the Council for monitoring that appropriate control systems are in place to ensure the proper observance of the Council's Financial Regulations.
- 1.12 Every Chief Officer of the Council shall consult with, and obtain the agreement of, the Chief Finance Officer if there should exist any doubt whatsoever whether an item of expenditure may be lawful. Chief Officers shall also inform the Chief Finance Officer if there should exist any doubt whatsoever whether an item of expenditure may result in expenditure exceeding the available budget.
- 1.13 All staff and elected Members have a duty to abide by the highest standards of probity in dealing with financial issues. This is facilitated by ensuring that everyone is clear about the standards to which they are working and the controls in place to ensure that these standards are met.
- 1.14 Chief Officers shall be required to bring the Council's Financial Regulations to the attention of all staff within their department. Any employees who fail to observe Financial Regulations may be subject to disciplinary action.
- 1.15 Each Chief Officer is responsible for the accountability and control of their staff and the security, custody and control of all other resources relating to his/her department.
- 1.16 No officer may make a financial provision or financial commitment unless there is funding in place to support the expenditure.
- 1.17 Chief Officers must satisfy the Chief Finance Officer that every proposal to incur expenditure to be submitted to any committee affecting the Council's finances is:

- a. Lawful.
 - b. Can be met from within the existing budget allocations of the Department concerned or it is proposed within the report how the expenditure would be funded.
- 1.18 Every report to committee thereon shall contain confirmation that such consultation has taken place and that the Chief Finance Officer is satisfied that the report contains a clear statement of the financial impact and how this will be funded (if appropriate). This consultation will be reported in a statement from the Chief Finance Officer.
- 1.19 Each financial year, or as often as the Cabinet may require, every Chief Officer shall prepare, in consultation with the Chief Finance Officer and within the agreed strategy, estimates of income and expenditure of a revenue and capital nature.
- 1.20 It is the responsibility of Chief Officers to ensure that budget estimates reflecting agreed service plans are submitted to the Members of the Cabinet and that these estimates are prepared within the overall reporting framework determined by the Chief Finance Officer.
- 1.21 Chief Officers shall ensure that appropriate and adequate supporting information is provided, including any reasons for increased or decreased estimated income or expenditure.

2. ACCOUNTING POLICIES

Purpose

Appropriate accounting policies must be in place to allow for the preparation of the Council's statement of accounts, in accordance with proper practices.

General

2.1 The Chief Finance Officer is responsible for selecting accounting policies and ensuring that they are lawful and applied consistently. All accounting procedures and records of the Council and its officers shall therefore be in a form approved by the Chief Finance Officer.

Regulations

2.2 Systems of internal control must be in place to ensure that financial transactions are lawful.

2.3 Proper accounting records must be maintained.

2.4 Financial statements must be prepared which present fairly the financial position of the Council and its expenditure and income.

Responsibilities

2.5 The Chief Finance Officer should ensure that the accounting policies are set out in the annual statement of accounts that is prepared at 31 March each year.

3. ACCOUNTING RECORDS & PROCEDURES

Purpose

Maintaining proper accounting records is one of the ways in which the Council discharges its responsibility for stewardship of public resources. The Council has a statutory responsibility to prepare its annual accounts to present fairly its operations during the year. These are subject to external audit. This audit provides assurance that the accounts are prepared properly, that proper accounting practices have been followed and that quality arrangements have been made for securing economy, efficiency, effectiveness and quality in the use of the Council's resources.

General

3.1 The Chief Finance Officer will determine the accounting procedures and records for the Council and arrange for the compilation of all accounts and accounting records under his or her direction.

Accounting Records

Regulations

3.2 The duties of providing information about sums due to or from the Council and calculating, checking and recording these sums will be separated from the duty of collecting or disbursing them.

3.3 Employees with the duty of examining or checking the accounts of cash transactions must not themselves be engaged in these transactions.

Responsibilities

3.4 The Chief Finance Officer will make proper arrangements for the audit of the Council's accounts and ensure that all claims for funds including grants are made by the due date.

3.5 The Chief Finance Officer will prepare and publish the audited accounts of the Council for each financial year, in accordance with the statutory timetable and with the requirement for the Corporate Governance Committee to approve the statement of accounts by the statutory deadline.

3.6 The annual statement of account shall be produced in accordance with proper practices. The Council is required to prepare an Annual Statement of Accounts by the Accounts and Audit (Wales) Regulations 2005. The Regulations require that the Accounts be prepared in accordance with proper accounting practices. These practices primarily comprise 'Code of Practice on Local Authority Accounting in the United Kingdom (CIPFA) supported by International Financial Reporting Standards (IFRS).

Accounting Procedures

Regulations

- 3.7 Cabinet members, finance staff and budget managers should operate within the required accounting standards and timetables.
- 3.8 All of the Council's transactions, material commitments and contracts and other essential accounting information should be recorded completely, accurately and on a timely basis.
- 3.9 Procedures should be in place to enable accounting records to be reconstituted in the event of systems failure.
- 3.10 Reconciliation procedures should be carried out to ensure transactions are correctly recorded.
- 3.11 Prime documents should be retained in accordance with legislative and other requirements. For most financial records this will be 6 years plus the current year though records supporting some external grants may need to be retained for a longer period.

4 FINANCIAL PLANNING

BUDGETING PREPARATION

Purpose

To set a framework for the consideration and approval of the Revenue Budget and Capital Programmes. The revenue budget must be constructed so as to ensure that resource allocation properly reflects the service plans and priorities of the full Council. Budgets (spending plans) are needed so that the Cabinet can plan, authorise, monitor and control the way money is allocated and spent. It is illegal for an authority to budget for a deficit.

Regulations

The Cabinet will determine the strategy, guidelines and processes relating to both the Revenue Budget and the Capital Programme upon advice from the Chief Finance Officer.

The Chief Finance Officer will ensure that a programme of capital expenditure and estimates of revenue income and expenditure is submitted to the Cabinet and full Council in such form and by such date(s) as required.

In line with the Budget & Policy Framework Procedure Rules, the Cabinet, shall consider budget proposals before recommending the budget to the full Council, including a recommendation of the Council Tax Rate for the ensuing financial year.

At least three days before the meeting of the Council at which such matters will be considered, each Member shall be provided with a report containing a copy of the proposed programme of capital expenditure and estimates of income and expenditure on the revenue account.

Nothing in this regulation precludes consideration of additional expenditure if further resources become available during the year.

The Chief Finance Officer is responsible for ensuring that a Revenue Budget and Capital Programme is prepared on an annual basis and a medium term financial plan on a three-yearly basis for consideration by the Cabinet, before submission to the full Council. The full Council may amend the budget or ask the Cabinet to reconsider it before approving it.

The Chief Finance Officer is responsible for issuing guidance and a summary of the general content of the budget as soon as possible following approval by the full Council.

It is the responsibility of Chief Officers to ensure that budget estimates, reflecting agreed service plans, are submitted to the Cabinet and that these estimates are prepared in line with guidance issued by the Cabinet and comply with Section 4.3 Budget & Policy Framework Procedure Rules of the Constitution.

The Medium Term Financial Plan (MTFP) brings together the key assumptions around financial resources (including Council Tax) and spending pressures over the medium to longer term. This enables the Council to plan for financial risks and thus inform the setting of service financial targets for the annual revenue budget and capital payments guidelines. The setting of financial targets within the available resource envelope will be completed with reference to the priorities set within the Corporate Plan. The Chief Finance Officer will ensure that reports to Cabinet and Council are made, as appropriate, upon the medium term budget prospects

5. BUDGET MONITORING & CONTROL

Purpose

Budget management ensures that once the full Council has approved the budget, resources allocated are used for their intended purposes and are properly accounted for. Budgetary control is a continuous process, enabling the Council to review and adjust its budget targets during the financial year. It also provides the mechanism that calls to account managers responsible for defined elements of the budget.

By continuously identifying and explaining variances against budgetary targets, the Council can identify changes in trends and resource requirements at the earliest opportunity. The Council itself operates within an annual budget limit, approved when setting the overall budget. To ensure that the Council in total does not overspend, each service is required to manage its own expenditure within the budget allocated to it.

For the purposes of budgetary control by managers, a budget will normally be the planned income and expenditure for a service area or cost centre; however, budgetary control may take place at a more detailed level if this is required by the Chief Officer's scheme of delegation.

General

- 5.1 The approval of the revenue budget or capital programme by the Council shall constitute authority to incur such expenditure, save to the extent to which the Council shall have placed a reservation on such budget or programme.
- 5.2 However, nothing in these Financial Regulations shall prevent Cabinet from incurring expenditure which is urgent or essential to meet any immediate needs created by a sudden emergency, or which is referable to Section 138 of the Local Government Act, 1972.
- 5.3 It shall be the duty of Cabinet to keep under review the financial performance of each service and the council as a whole during the budget period.
- 5.4 The Chief Finance Officer is responsible for providing appropriate financial information to enable budgets to be set and monitored effectively. He or she must monitor and control expenditure against budget allocations and report to the Cabinet on the overall position on a regular basis.
- 5.5 It is the responsibility of Chief Officers to control income and expenditure within their area and to monitor performance, taking account of financial information provided by the Chief Finance Officer. They should report on variances within their own areas to the Chief Finance Officer and then to Cabinet. They should also take any action necessary to avoid exceeding their budget allocation and alert the Chief Finance Officer to any problems.

Regulations

- 5.6 Budget managers should be responsible only for income and expenditure that they can influence and control.
- 5.7 There must be a nominated budget manager for each cost centre heading.

- 5.8 Budget managers should accept accountability for their budgets and the level of service to be delivered and understand their financial responsibilities.
- 5.9 Budget managers should follow an approved certification process for all expenditure.
- 5.10 Income and expenditure must be properly recorded and accounted for.
- 5.11 Performance levels/levels of service should be monitored in conjunction with the budget and necessary action should be taken to align service outputs and budget.

Responsibilities

- 5.12 The Chief Finance Officer will establish an appropriate framework of budgetary management and control that ensures that:
 - a. budget management is exercised within annual budget limits unless the full council agrees otherwise;
 - b. each Chief Officer has available timely, relevant and accurate information on receipts and payments on each budget which is sufficiently detailed to enable managers to fulfil their budgetary responsibilities;
 - c. expenditure is committed only against an approved budget head;
 - d. all officers responsible for committing expenditure comply with relevant guidance, and these financial regulations;
 - e. each cost centre has a single named manager, determined by the relevant Chief Officer. As a general principle, budget responsibility should be aligned as closely as possible to the decision-making processes that commits expenditure;
 - f. significant variances from approved budgets are investigated and reported by budget managers.
- 5.13 Chief Officers should ensure that both revenue and capital spending remains within the service's overall budget limit, and that individual budget heads are not overspent, by monitoring the budget and taking appropriate corrective action where significant variations from the approved budget are forecast. Pressures arising on budgets should initially be contained within the overall service budget. Chief Officers should consult with the Chief Finance Officer upon the systems and methods they adopt to ensure such control.
- 5.14 Where a Chief Officer is unable to balance expenditure and resources within existing approved budgets under his or her control, the Chief Finance Officer will submit reports to the Cabinet, in consultation with the relevant Chief Officer.
- 5.15 Prior approval by Cabinet must be given for new proposals , that:
 - a. create significant additional financial commitments;
 - b. change existing policies, initiate new policies or cease existing policies;
 - c. change the timescale of an existing policy;
 - d. materially extend or reduce the Council's services.
- 5.16 A report on new proposals should explain the full financial implications, following consultation with

the Chief Finance Officer. Unless the full Council or Cabinet has agreed otherwise, Chief Officers must plan to contain the financial implications of such proposals within their budget limit.

6. VIREMENT

Purpose

The scheme of virement is intended to enable Chief Officers and their staff to manage budgets with a degree of flexibility within the overall policy framework determined by the full Council, and therefore to optimise the use of resources.

Responsibilities

- 6.1 The Cabinet is responsible for agreeing the procedures for virement of expenditure between cost centres.
- 6.2 The Chief Finance Officer is responsible for proposing and administering the scheme of virement.

Regulations

- 6.3 The transfer of budget is not a virement if the budget continues to be used for the same purpose. Virement can only be approved if:
- a. the proposed expenditure is not contrary to Council policy;
 - b. it is not contrary to approved Service Business Plans;
 - c. the future revenue burden on the service is not materially increased.
- 6.4 Budget virement up to £500k within services, is at the discretion of the Head of Service or equivalent, with approval of the Chief Finance Officer, providing the three conditions above are met. All other virement should follow the process set out in the following table.

Amount	Approval Process Within Services	Approval Between Services
Up to £250k	Head of Service	Heads of Service Chief Finance Officer
Between £251k-£500k	Head of Service Chief Finance Officer	Heads of Service Chief Finance Officer Corporate Executive Team
Above £500k	Head of Service Chief Finance Officer	Cabinet

7. RESERVES, PROVISIONS & BALANCES

Purpose

The local authority must decide the level of general reserves it wishes to maintain before it can decide the level of council tax. Reserves are maintained as a matter of prudence. They enable the authority to provide for unexpected events and thereby protect it from overspending, should such events occur. Reserves for specific purposes may also be maintained, such as the purchase or renewal of capital items. Reserves are treated differently from balances that may accrue during the year from unexpected activity or deviation from planned income or expenditure.

Responsibilities

- 7.1 It is the responsibility of the Chief Finance Officer to advise the Cabinet and/or the full Council on prudent levels of reserves for the authority.

Regulations

- 7.2 Reserves should be maintained in accordance with proper accounting practice and agreed accounting policies.
- 7.3 For each reserve established, the purpose, usage and basis of transactions should be clearly identified.
- 7.4 The use of reserves as defined in 7.3 will require the approval of the Chief Finance Officer and be reported to cabinet.
- 7.5 Reserves may only be used for the purposes for which they were intended. Any deviation from this or re-allocation of reserves will require the approval of the Cabinet
- 7.6 Balances that may accrue during the year because of underspends on approved budgets will be subject to Financial Regulation 6 (Virement & Year End Balances).
- 7.7 During the year, new reserves may only be established and contributions to service reserves can only be made following the approval of Cabinet. At year-end, the Chief Financial Officer will make recommendations to Cabinet on the treatment of any balances arising after the end of the financial year.
- 7.8 Where the Chief Finance Officer deems it appropriate, recommendations will be made to cabinet to make a financial provision for future known events.
- 7.9 The Chief Finance Officer will periodically review reserves and provisions and make recommendations to Cabinet where it is appropriate to reallocate funds. This may include supporting the annual budget process.

TREATMENT OF YEAR-END BALANCES

Responsibilities

- 7.10 Upon recommendation by the Chief Finance Officer and the approval of Cabinet, any overspending on service estimates in total on budgets under the control of the Chief Officer could be carried forward to the following year, and will constitute the first call on service estimates in the following year.

- 7.11 Net underspendings on services may be carried forward, subject to recommendation by the Chief Finance Officer and approval of Cabinet.
- 7.12 All internal business unit surpluses shall be retained for the benefit of the Council and their application shall require the approval of the Cabinet.
- 7.13 Schools' balances shall be available for carry-forward to support the expenditure of the school concerned. Where an unplanned deficit occurs, the governing body shall prepare a detailed financial recovery plan for consideration by the Cabinet member concerned, following evaluation by the chief education officer and the Chief Finance Officer. A school's governing body will normally be expected to agree a plan with the Cabinet member concerned to recover the deficit within a defined period.
- 7.14 The Denbighshire Scheme for Financing Schools prohibits schools from planning for a deficit when preparing their annual budget plans. In support of the Authority's monitoring and intervention role the scheme requires schools:
- a. to return a draft 3 year budget to the LA and if applicable, submit notification that they are unable to set a balanced budget by the 1st April each year;
 - b. to gain approval, where applicable, for a planned deficit, by the 1st May of each year including submission of the proposed recovery plan intended to support the reduction/removal of that deficit. Any unplanned deficits that occur within the financial year due to unforeseen circumstances must be reported as soon as they become known to the school. Approval to carry forward that deficit to the new financial year must be sought;
 - c. to submit a final Governor approved budget (surplus or deficit) by the 31st May each year to include a financial recovery plan for those schools who have been granted a licensed deficit;
 - d. Schools should only apply for a licensed deficit in circumstances where they cannot set a balanced budget without seriously impacting on educational provision;
 - e. Denbighshire County Council has no power to write off the deficit balance of any school and all deficits will remain a liability of the Governing Body until paid back. This applies in all circumstances including during school re-organisation;
 - f. Schools must, where possible, avoid the need to apply for a licensed deficit by robustly managing their 3 year budget planning process and being proactive in responding to changes early enough to allow mitigating actions to be implemented;
 - g. where it is found that deficits have occurred as a result of financial mismanagement at a school level then Denbighshire County Council will consider the merits of enforcing its powers under S51 of the Schools Standards and Framework Act to remove financial delegation from the school;
- 7.15 The Chief Finance Officer will administer the scheme of carry-forward balances within the procedures approved by the Cabinet and will report all overspendings and underspendings on all service estimates carried forward to the Cabinet.

8. CAPITAL PROGRAMME & EXPENDITURE

Purpose

Capital expenditure involves acquiring or enhancing fixed assets with a long-term value to the Council, such as land, buildings, and major items of plant, equipment, computer programs or vehicles. Capital assets shape the way services are delivered in the long term and create financial commitments for the future in the form of financing costs and revenue running costs.. This means that capital expenditure should form part of an investment strategy and should be carefully prioritised in order to maximise the benefit of scarce resources. The longterm impact and sustainability of capital investment decisions should be considered as part of the council's obligations under the Wellbeing of Future Generations Act.

General

- 8.1 The Chief Finance Officer is responsible for ensuring that a capital programme is prepared on an annual basis for consideration by Cabinet before submission to the full Council. This process shall be in line with Section 4.3 of the Constitution (Budget & Policy Framework Procedure Rules).
- 8.2 The definition of 'capital' will be determined by the Chief Finance Officer, having regard to government regulations and accounting requirements.
- 8.3 No expenditure shall be incurred on any capital project in the current financial year unless provision exists in the approved capital programme.
- 8.4 The Capital Plan will be agreed by Council and updated regularly. Projects funded from the Block Allocations within the Capital Plan may be approved by Cabinet. - *achieve its corporate & service priorities*
- *comply with laws, regulations & statutory requirements*
- *provide assurance on governance of the Council's affairs*

INTRODUCTION

Procurement is the process by which the council manages the acquisition of all its goods, services (including but not limited to consultants/consultancy services of any type) and works of all sorts. It includes the identification of need, consideration of options, the actual procurement process and the subsequent management and review of the contracts. These contract procedure rules (CPRs) apply to all areas of council activity and any type of sub-contracting, apart from contracts for the acquisition and sale of interests in land and the exempt contracts described in CPR [2.8 “Exempt contracts”](#).

These CPRs have the following key objectives:

1. To ensure that the council obtains value for money and achieves its duty of achieving best value as defined in section 3 of the Local Government Act 1999;
2. To ensure that the council complies with UK and European law that governs the procurement of goods, services and works;
3. To establish procurement procedures which, when followed, should protect members and officers of the council from any allegation of acting unfairly or unlawfully which may be made in connection with any procurement by the council relating to goods, services or works;
4. To ensure that any risks associated with commencing procurement processes and subsequently entering into contracts are assessed as part of the procurement process; and
5. To ensure that fairness and transparency remains at the forefront of all procurement activity undertaken by officers and approved by members on behalf of the council.

Procurement by the council is governed by detailed European and United Kingdom legislation, as are other areas of council contracting. The law requires all council procurement and contracting to be conducted transparently, fairly and in a non-discriminatory manner. In the event of statutory or other legal requirements exceeding the requirements contained within these CPRs, then statute shall take precedence over any provision within these CPRs.

SECTION 1

GENERAL ARRANGEMENTS

1.1 Over-riding principles

- 1.1.1 These CPRs are not intended to conflict with European Union and domestic law. Statutory legal obligations shall always take precedence over these CPRs.
- 1.1.2 These CPRs govern organisational behaviour in the conduct of procurement. It is a given that such behaviour is undertaken in support and delivery of the wider policies and objectives of the council.
- 1.1.3 Nothing in these CPRs shall relieve the council from its duty to spend public money wisely. Officers must always seek value for money.
- 1.1.4 The nature and extent of procurement activity must be appropriate and proportionate to the nature and value of the goods and services being procured. Procurement management must be optimised to make the most of council resources.
- 1.1.5 Utmost probity must be demonstrated at all times.
- 1.1.6 Arrangements for contracts made by schools shall not be subject to these CPRs but shall be subject to their own contract procedure rules.
- 1.1.7 Where there is any doubt about the interpretation or implementation of any of the CPRs, clarification and guidance should always be sought from the Corporate Procurement Team.

1.2 Compliance

- 1.2.1 Every contract entered into by the council shall be entered into pursuant to or in connection with the council's functions and shall comply with:
 - i. All relevant statutory provisions
 - ii. Insofar as they apply, the relevant European procurement rules;
 - iii. The council's constitution, including these contract procedure rules, the council's financial regulations, schemes of delegation, the Officer Code of Conduct, the council's strategic objectives, procurement strategy and relevant council policies;
- 1.2.2 Any failure by officers to comply with any of the provisions of these CPRs may result in disciplinary action.

1.3 Welsh Language Standards

1.3.1 **All** advertisements in Sell2Wales and, where relevant, in the Office Journal of the European Union (OJEU), **must** be published bilingually in Welsh and English. The advertisement must state that quotations or tenders may be submitted in Welsh, and that a quotation or tender submitted in Welsh will be treated no less favourably than a quotation or tender submitted in English.

1.3.2 When requesting quotations or inviting tenders, **all** accompanying documentation (including criteria and evaluation methodology, draft contract/terms and conditions and specification) **must** be available in Welsh as well as English, and at the same time as the English Language versions are available, where:

- i. The subject matter of the contract suggests that it should be produced in Welsh; or
- ii. Where the anticipated audience, and their expectations, suggests that the documents should be produced in Welsh.

In all other circumstances it is acceptable to produce English only documents, notwithstanding the requirement for all advertisements to be bilingual as per CPR 1.3.1 above.

1.3.3 Where a quotation or tender has been submitted in Welsh, this must be treated no less favourably than a submission in English (including, amongst other matters, in relation to the closing date for receiving submissions, and in relation to time-scale for informing bidders of decisions).

1.3.4 If a quotation or tender has been submitted in Welsh, and it is necessary to interview the bidder as part of the assessment process, you must:

- i. Offer to provide a translation service from Welsh to English to enable the bidder to use the Welsh language at the interview; and
- ii. If the bidder wishes to use the Welsh language at interview, provide a simultaneous translation service for that purpose (unless you conduct the interview in Welsh without a translation service).

1.3.5 When informing a bidder of the decision in relation to a quotation or tender, you must do so in Welsh if the quotation or tender was submitted in Welsh.

1.4 Procurement by council staff

1.4.1 Any council officer can undertake procurement activity under the direction of their line manager, having had due consideration of:

- i. The capability of that officer in question i.e. do they have sufficient experience and/or have they had appropriate training to competently carry out the procurement activity, particularly when undertaking procurement at intermediate value or above (see CPRs [4.3](#) to [4.5](#)); and
- ii. The capacity of that officer i.e. do they have enough time to undertake the required tasks associated with the procurement activity, and can these requirements be balanced effectively with their other duties.

1.5 Procurement by consultants, agency staff or other non-council staff

- 1.5.1 Where the council uses consultants, agency staff and/or any other non-council officer to act on its behalf in relation to any procurement, then the head of service where the procurement activity is taking place shall ensure that they carry out any procurement in accordance with these CPRs and all statutory procurement obligations.
- 1.5.2 No consultant shall make any decision on whether to award a contract or who the contract should be awarded to. Determination of these decisions is detailed in [CPR 5.5](#).
- 1.5.3 Where the council uses consultants, agency staff and/or any other non-council officer to act on its behalf in relation to any procurement, they must declare any potential conflict of interest that may arise to the head of service prior to the commencement of the procurement process or at such time as the contractor becomes aware of such potential conflict of interest. Where the head of service considers that such a conflict of interest is significant the individual or company shall not be allowed to participate in the procurement process.
- 1.5.4 Note that it is the council, as the contracting authority, which is responsible for all actions and decisions of non-council staff in relation to the conduct of procurements, therefore there need to be proper governance procedures in place to manage and monitor non-council staff appropriately.

1.6 Declaration of interests

- 1.6.1 No member, officer or agent of the council shall improperly use their position to obtain any personal or private benefit from any contract entered into by the council.
- 1.6.2 Members and employees of the council shall comply with the requirements of section 117 of the Local Government Act 1972 and the officers and members code of conduct set out in the Constitution in respect of the declaration of interests in contracts with the council.
- 1.6.3 Such interests must be declared to the monitoring officer for inclusion in the appropriate registers, and a record of any conflict of interest pertaining to a contract should be placed on the contract file on the council's electronic procurement system, detailing how the conflict has been addressed.

1.7 ICT procurement

- 1.7.1 All ICT procurement - including hardware, software and licences – shall be undertaken centrally by the Council's ICT team (or its successor). Any exception to this will need to be justified by the head of service where the procurement activity is taking place and approved by the Head of Business Improvement & Modernisation, and a record of this justification and approval attached to the contract file on the council's electronic procurement system.

1.8 Property and works related procurement

1.8.1 All property and works related procurement projects shall be undertaken either by:

- i. Property team (or its successor) for building construction, building maintenance and landscaping related works for council owned properties. Any exception to this will need to be justified by the head of service where the procurement activity is taking place and approved by the Property Manager, and a record of this justification and approval attached to the contract file on the council's electronic procurement system.
- ii. Built Environment Team (or its successor) for building construction and/or building maintenance works relating to private sector properties. Any exception to this will need to be justified by the head of service where the procurement activity is taking place and approved by the Built Environment Manager, and a record of this justification and approval attached to the contract file on the council's electronic procurement system.
- iii. Highways & Environmental Services (or its successor) for highways construction and civil engineering projects. Any exception to this will need to be justified by the head of service where the procurement activity is taking place and approved by the Strategic Highways Manager, and a record of this justification and approval attached to the contract file on the council's electronic procurement system.

1.8.2 Where Services have existing frameworks that can be called upon without the need for the involvement of the teams listed in CPRs 1.8.1 then this should be allowed where it offers value for money.

1.9 Approved lists

1.9.1 The council will seek to replace all of these approved lists with more formal procurement arrangements by 31st March 2016.

1.10 Land contracts and appointment of developers

1.10.1 All land transactions must comply with section 120 – 123 of the Local Government Act 1972.

1.10.2 Any land contracts are deemed to be Development Agreements where:

- i. The council requires or specifies works to be undertaken by the developer; and/or
- ii. The developer enters into an enforceable written obligation to carry out work; and/or
- iii. The developer may have some pecuniary interest – which need not necessarily be a cash payment – in carrying out the works.

Any land contracts which involve development agreements shall be notified to the Monitoring Officer and advice sought.

1.11 Electronic procurement

- 1.11.1 From 1st April 2016, requests for quotations above the value of £10,001 and **all** tenders must be conducted using the council's approved electronic system. It is the responsibility of the head of service to ensure that their staff comply with this regulation.
- 1.11.2 Any officer required to use the council's electronic procurement system in the course of their duties must obtain written line management approval and notify the corporate procurement team so that they can be registered on the system. Similarly, it is the responsibility of the relevant line manager to notify the Corporate Procurement Team of changes to any officer's eligibility for using the system (e.g. staff leaving or disciplinary measures) at earliest opportunity so that the user access can be deactivated.

1.12 Amendment and review of the CPRs

- 1.12.1 A full review of these CPRs will be undertaken following any substantive changes to EU or UK law, or within five years of adoption, whichever is the sooner. Any changes to these CPRs will require the approval of Council.
- 1.12.2 Amendments to the appendices associated with these CPRs can be updated and/or amended as necessary by the Corporate Procurement Team in agreement with the Monitoring Officer.

SECTION 2

PROCUREMENT PLANNING

GUIDANCE NOTE 1

Preparation and planning

This preparation and planning stage of the process is critical and will influence all future activity on the contract. If this part of the process is done correctly then the rest should flow without difficulty, but the reverse is also true. The key tasks at the planning stage include:

- **engagement with key stakeholders** in order to identify and assess needs – what is being procured and why? What is the key driver for the procurement? What are the critical success factors? What outcomes are being sought?
- **options appraisal** to look at different ways of meeting the identified needs (e.g. buy, lease or rent?)
- **budget and funding**, to define a realistic budget for the contract to achieve the desired results and then securing the funds to finance the contract
- **selection of the appropriate procedure** – open, restricted, negotiated/competitive dialogue or innovative (*see Guidance Note 4*)
- where a tender is to be awarded on both price and quality, the **criteria and evaluation methodology** need to be developed and finalised

The results of this planning stage should be properly documented in the commissioning form and attached to the contract document of the council's electronic procurement system. It is quite common to underestimate the planning stage or not carry it out at all. Depending on the size and complexity of the contract, this stage of the process might take months before a tender notice is published. The biggest (and potentially most costly) and most common errors on contracts result from inadequate planning.

2.1 Framework agreements and other corporate purchasing arrangements

- 2.1.1 In some instances the council has entered into corporate purchasing agreements for certain goods, services and works. The use of these corporate purchasing agreements is **mandatory** and correct use, as advised by the Corporate

Procurement Team, is sufficient to ensure officers meet their responsibilities for compliance. Such arrangements include:

- i. Corporate purchasing agreements resulting from the National Procurement Service (NPS) or any other approved official purchasing consortiums;
- ii. Any other framework agreements and any subsequent call-off arrangements;
- iii. Any joint procurement arrangements with another council or public sector organisation;
- iv. Electronic catalogues endorsed for use by the council

GUIDANCE NOTE 2

What is a framework agreement?

Framework Agreements are agreements between the council and one, or three or more suppliers for the provision of goods, services or works on agreed terms for a specific period, for estimated quantities against which orders may be placed if and when required during the contract period. The Public Contract Regulations stipulate that framework agreements can be concluded with a single provider or with several providers, for the same goods, works or services. In the latter case, there must be at least three providers, as long as there are sufficient candidates satisfying the selection criteria and which have submitted compliant bids meeting the award criteria. The term of a Framework Agreement must not exceed four years and, while an agreement may be entered into with one provider, where an agreement is concluded with several organisations there must be at least three in number.

Where frameworks are awarded to several organisations, contracts based on framework agreements may be awarded in one of two ways:

1. Where the terms of the agreement are sufficiently precise to cover the particular call-off, by applying the terms laid down in the framework agreement without re-opening competition; or
2. Where the terms laid down in the framework agreement are not precise or complete enough for the particular call-off, by holding a further competition in accordance with the following procedure:
 - i. Inviting the organisations within the framework agreement, that are capable of executing the subject of the contract, to submit bids electronically via the “further competition” step on the council’s approved electronic procurement system, with an appropriate time limit for responses; or
 - ii. Awarding each contract to the bidding organisation who has submitted the best bid on the basis of the relevant award criteria set out in the framework agreement.

-
- 2.1.2 It is the responsibility of the manager of the team where the procurement activity is taking place to ascertain whether there is a framework or other corporate purchasing agreement in place by checking the contracts register. If in any doubt

the advice of the Corporate Procurement Team should be sought. The use of frameworks not on the contracts register is only permissible once they have been checked for compliance with procurement regulations by the Corporate Procurement Team.

- 2.1.3 Any joint procurement arrangements with other local authorities and/or public sector bodies, including membership or use of any consortia, must be approved in writing by the Corporate Procurement Team.
- 2.1.4 When using frameworks the assessment criteria, weightings and any special conditions detailed in that framework agreement must be fully complied with.
- 2.1.5 In exceptional circumstances alternatives to using corporate purchasing agreements may be considered appropriate. In such cases the head of service where the procurement activity is taking place shall consult with the Corporate Procurement Team. Where an alternative approach is proposed, a report must be provided by the head of service setting out the detail and the justification for the alternative arrangements and attached to the relevant contract file on the council's electronic procurement system.

2.2 Estimating the contract value

- 2.2.1 The value of the contract means the estimated total monetary value over its full duration (not the annual value), including any extensions or other options, but **not** including VAT. Where the duration of the contract is indeterminate or is longer than four years, this should be taken to be the estimated value of the contract over a period of four years. No procurement may be artificially split to avoid compliance with these CPRs and European Union procurement directives.
- 2.2.2 Where the same goods, services or works are purchased regularly by the Council it is the aggregated value of these purchases that determines the total contract value. It is the responsibility of the Corporate Procurement Team to monitor such aggregations to ensure the correct procedures are followed.
- 2.2.3 Where the value is, or may be, equal to or greater than the relevant OJEU threshold, there must be regard to the valuation rules in the [Public Contracts Regulations 2015](#) which are similar to the above, but more detailed.

2.3 Pre-quotation/tender market testing and consultation

- 2.3.1 It is permissible to consult in general terms with potential suppliers, prior to a request for quotation or invitation to tender, about the nature, level and standard of supply, price range and other relevant matters, and/or whether particular suppliers wish to be invited to quote or tender.
- 2.3.2 Officers may review the market for a proposed procurement through discussions with suppliers and other research but may not:
- i. Base any specification on one contractor's offering such as to distort competition. Bidders may be excluded from the procurement in circumstances where their prior involvement would distort competition (and there are no other means of ensuring equal treatment which can be applied);
 - ii. Make any indication or commitment to contractors that their offer may be preferred by the council;
 - iii. Suggest any procurement route which is not consistent with these rules;
 - iv. Enter into negotiations about price where a competitive procurement process has yet to take place.
- 2.3.3 A written record, including notes of any meetings held, the responses and the names of all individuals present shall be attached to the contract file on the council's electronic procurement system. It is the responsibility of the manager of the team where the procurement activity is taking place to ensure this is actioned.

2.4 Community benefits

- 2.4.1 It is a requirement that all contracts exceeding £1,000,000 in value should include the delivery of community benefits as a contractual obligation on the successful bidder. Any contract funded or part-funded by European or Welsh Government grant is also likely to require the inclusion of community benefits as a contractual obligation, regardless of the value of the contract.

GUIDANCE NOTE 3

What are community benefits?

Community Benefit clauses are contractual clauses which can be used to build a range of economic, social, or environmental conditions into the delivery of public contracts. They allow organisations to contribute to the achievement of outcomes which benefit their local communities by specifying contractual requirements which seek to deliver such wider social benefit. Examples of community benefits which can potentially be included as contractual clauses include:

- training and recruitment opportunities for the economically inactive;
- retention and training for the existing workforce;

- contributions to education
- promotion of social enterprises and supported businesses;
- promoting environmental benefits; and
- supply chain initiatives

There are two approaches to community benefits:

1. The “**Core**” approach – where the community benefits being sought **must** relate to the subject matter of the contract and **must** be included and scored as part of the evaluation procedure and subsequently included in the contract; and
2. The “**Non-Core**” approach – where bidders are asked to provide details of the community benefits they would deliver through the contract (which the council may have specified or may be suggested by the contractor), but these benefits **are not** included and scored as part of the evaluation procedure. These non-core benefits should still be included as contractual requirements and their delivery monitored as part of the normal contract management process.

Many contracts will offer the opportunity to apply both core and non-core community benefits.

- 2.4.2 For all contracts below £1,000,000 in value the inclusion of community benefits as a contractual obligation is optional (unless required as a condition of grant funding – see [CPR 2.4.1](#)), but encouraged wherever practical.
- 2.4.3 Core community benefits (see Guidance Note 3) must relate to the subject matter of the contract, and must be included as part of the evaluation criteria at quotation/tender stage (see [CPR 3.7.6](#)) and fully evaluated as part of the award selection process. Officers are encouraged to seek the advice of the Corporate Procurement Team when considering how to accommodate community benefits criteria in evaluation criteria and contracts.
- 2.4.4 Non-core community benefits (see Guidance Note 3) **do not** have to relate to the subject matter of the contract, and are **not** included as part of the evaluation criteria at quotation/tender stage (see [CPR 3.7](#)). However, where they have been offered they should subsequently be included as contractual requirements.
- 2.4.5 In **all** cases where community benefits are being delivered, completion of the Welsh Government’s Community Benefit Toolkit (or any successor tool provided by or on behalf of the Welsh Government) must be a contractual requirement for the successful contractor, which places an obligation on contractors to provide monitoring information on the community benefits they are delivering. More generally, the delivery of community benefits should be monitored by the named contract manager (see [CPR 6.1](#)) as part of the normal contract management process (see [CPR 6.3.3](#)).

GUIDANCE NOTE 4

Selecting the appropriate procedure

At intermediate value procurement (see [CPR 4.3](#)) we move from requesting quotations to the more formal approach of inviting tenders of which there are a number of options. The decision on which procedure to use is a critical one affecting the whole procurement process. The decision should be made and fully justified at the planning stage. The options are:

- **Open:** is a process where all providers interested in the contract and who have responded to an advertisement can submit tenders. All such tenders must be considered without any prior selection process. The selection and evaluation is carried out after the submission of the tenders.
- **Restricted:** is a two-stage process where only those providers who have been invited may submit tenders. The selection and shortlisting are usually carried out on the basis of a Pre-Qualification Questionnaire (PQQ).
- **Negotiated/Competitive Dialogue:** used only in exceptional circumstances (and under guidance of a named officer from the Corporate Procurement Team), this procedure is where the council may, in certain circumstances, negotiate the terms of the contract with one or more suppliers of its choice. Ordinarily negotiation/dialogue should be with not less than 3 candidates provided that there are a sufficient number of candidates available. The candidates with which to hold a competitive dialogue may be selected through a restricted procedure.
- **Innovation Partnerships:** used only in very exceptional circumstances (and under guidance of a named officer from the Corporate Procurement Team), this procedure is where the council can select partners on a competitive basis and have them develop an innovative solution tailored to the requirements.

2.5 Planning the procurement process

- 2.5.1 Whilst the following regulations outline key considerations for the planning stage of any procurement activity, the planning process must end with an approval to procure and commence any required document preparation and subsequently invite offers from the market. The authorisation thresholds and process are detailed later in [CPR's 2.7](#), but note that for any procurement activity where the value of the contract is estimated to be greater than £25,000 a commissioning form must be completed by the service area undertaking the procurement activity in order that the proposed route to market can be assessed and duly agreed/signed off.
- 2.5.2 The purpose of the commissioning form is to ensure that the procurement activity proposed has been properly considered and thought through by the relevant service area, and subsequently for the Corporate Procurement Team to assess whether the proposed route to market is compliant with the law and these CPRs. To enable this assessment the form includes:
- i. Justification of the need to buy;

- ii. Options appraisal outlining what options were considered and why the preferred option has been selected;
- iii. Detail of the estimated contract cost and confirmation of which budget the cost will be met from;
- iv. Details of any exemptions or exceptions are being sought (refer to CPRs [2.8](#) to [2.10](#));
- v. Confirmation of the procurement route to market proposed (e.g. Framework or competitive route); and
- vi. Confirmation of what form of contract is to be used.

2.5.3 The commissioning form will be completed by the service area undertaking the procurement activity and then forwarded to the Corporate Procurement Team. The relevant Head of Service will receive feedback from the Corporate Procurement Team on the commissioning form within five working days of its submission, providing all necessary details have been provided in the form.

2.5.4 Once the commissioning form has been returned to the relevant Head of Service by the Corporate Procurement Team, the Head of Service may make adjustment to the proposal based on any comments and/or recommendations made by the Corporate Procurement Team and record these on the relevant section of the Commissioning Form. The Head of Service must then secure the authorisation to progress – i.e. preparing the tender documentation and inviting bids – in line with the authorisation process detailed in CPR 2.7.

2.6 Sustainability Assessment

2.6.1 In addition to the commissioning form, for any procurement activity where the value of the contract is estimated to be greater than £25,000, the corporate sustainability assessment tool (or any equivalent corporate assessment that may be required) needs to be applied, and a record of this assessment appended to the commissioning form.

2.7 Authority to decide procurement strategy and invite competitive bids

2.7.1 For procurement activity where the value of the contract is estimated to be less than £250,000, the authority to decide the appropriate procurement strategy and invite competitive bids is as follows:

- i. By the manager of the team where the procurement activity will be taking place, providing they have authority to approve spend to the estimated contract value. If they do not have authority to spend, then:
- ii. By the head of service where the procurement activity is taking place

2.7.2 For procurement activity where the value of the contract is estimated to be greater than £250,000, the authority to decide the appropriate procurement strategy and invite competitive bids is as follows:

- i. **£250,001 to £1,000,000:** By agreement in writing from head of service where the procurement activity is taking place, the Section 151 Officer, and the Monitoring Officer – recorded on the Procurement Commissioning Form detailed in CPR 2.5. Any of these individuals can refer the decision to Cabinet where they consider there are relevant issues pertaining to the procurement activity such that it should be considered as a key decision under the Cabinet Members scheme of delegation;
- ii. **£1,000,001 to £2,000,000:** by the relevant Cabinet Member through the scheme of delegation detailed in the Council's constitution, which will also require the agreement from the head of service where the procurement activity is taking place, the Section 151 Officer, and the Monitoring Officer – recorded on a delegated decision report with an accompanying completed Procurement Commissioning Form detailed in CPR 2.5. The Cabinet Member, or any of the other offices detailed above, can refer the decision to Cabinet where they consider there are relevant issues pertaining to the procurement activity such that it should be considered as a key decision under the Cabinet Members scheme of delegation;
- iii. **£2,000,001 and over:** by Cabinet – recorded on a Cabinet Report with an accompanying Procurement Commissioning Form detailed in CPR 2.5.

Once the decision has been made, it is the responsibility of the manager of the team where the procurement activity is taking place to ensure that all duly signed decision reports, and the Procurement Commissioning Form, are uploaded onto the electronic procurement system.

- 2.7.3 Where authority is given to invite competitive bids under CPR 2.7.2 iii the decision is subject to the five day Cabinet call-in period. The offer should not go to the market until either this call-in period has elapsed or, in the event that the decision is called-in, the result of any review is known.

2.8 Exempt contracts

- 2.8.1 Exemptions are where the CPRs are suspended entirely. The following contracts are exempt from the requirements of these CPRs:
- i. Internal purchases or service provision
 - ii. Contracts relating solely to the disposal or acquisition of an interest in land (with the exception of development agreements – see [CPR 1.10](#))
 - iii. Individual agency contracts for the provision of temporary staff;
 - iv. Employment contracts;
 - v. Grant aid by the council to voluntary sector bodies for contribution to core funding only
 - vi. Contracts for the engagement of expert witnesses.

2.9 Exceptions

- 2.9.1 Exceptions are where the CPRs are partly suspended to enable a particular course of action. This can include the requirement to seek market competition by obtaining a quotation or tendering. This does not remove the need to ensure that adequate

and robust process is undertaken in accordance with these CPRs. The council's rules and guidance will still apply.

2.9.2 Where an exception is sought under CPR 2.9.3 there is a requirement to complete an exception form (see [CPR 2.11.4](#)).

2.9.3 An exception can be sought, including consent to seek only a single quotation or tender, where one or more of the following criteria are met:

- i. where an offer has been made to the market by the Council using the open, restricted, negotiated, competitive dialogue or innovation procedure, but where no quotations or tenders have been submitted, or where those that have been submitted are disqualified through the evaluation procedure (see section 5). In this circumstance an exception can only be granted where the original terms of the proposed contract are not substantially altered;
 - (a)
- ii. the goods, services or works can only be provided by a particular contractor for reasons that are technical, artistic, or connected with the protection of exclusive rights. This should normally be evidenced through publishing a Prior Information Notice (PIN) on Sell2Wales, or through some other means agreed with the Corporate Procurement Team;
 - (b)
- iii. extreme urgency brought about by events unforeseeable by the council and in accordance with the strict conditions stated in the Public Contract Regulations 2015 (see also CPRs [2.11.2](#) and [5.12.5](#));
- iv. Where the products involved are manufactured purely for the purpose of research, experimentation, study or development:
- v. For supplies quoted and purchased on a commodity market;
- vi. Where a design competition is run where the rules of that competition require the contract to be awarded to one or more of the successful candidates, provided that all successful candidates are invited to negotiate;
 - (c)
- vii. with an organisation which has won a contract for an earlier phase of work via a competitive process, where such work forms part of a serial programme previously identified as such in the original offer to market (which should also include the cumulative value of all potential phases) and providing that subsequent phases commence within three years of the original contract;
 - (d)
- viii. with an organisation already engaged by the Council, where the additional requirement was not included in the original contract but has arisen through unforeseen circumstances, and the requirement cannot be carried out separately for technical or economic reasons;
- ix. that goods are required as a partial replacement or addition to existing goods or installations and obtaining them from another contractor would result in incompatibility or disproportionate technical difficulties in operation or maintenance. Any contract based on this exception shall not exceed the duration of three years save in exceptional circumstances;
 - (e)

- x. for supplies purchased which are second hand and/or sold in a public market or auction;
(f)
- xi. for the engagement of actors or performers;
(g)
- xii. in relation to time limited grant funding from an external body, where the time limitations will not allow a competitive procurement process to be completed and where the grant conditions allow this;
(h)
- xiii. for the purchase of supplies on particularly advantageous terms from a supplier that is definitely winding up its business activities, or from the receivers or liquidators of a bankruptcy, an arrangement with creditors or similar procedure;
(i)
- xiv. where delay attributable to the quotation or tendering process would, in the estimation of the Head of Service concerned, result in the Council incurring net expenditure or forfeiting net income in excess of the savings on the contract sum that might reasonably be expected to accrue from competitive tendering;
(j)
- xv. where delay attributable to the quotation or tendering process would, in the estimation of the Head of Service concerned, create or increase danger to life or limb;
(k)
- xvi. where delay attributable to the quotation or tendering process would, in the estimation of the Head of Service concerned, result in or continue an unacceptable level or standard of service; or
(l)
- xvii. where relevant UK or EU legislation not otherwise referred to in these CPRs permits.

2.10 Additional exceptions for the Light-Touch Regime

- 2.10.1 Where an exception is sought under CPR 2.10.2 there is a requirement to complete an exception form (see [CPR 2.11.4](#)), retrospectively where the exception has been sought under urgent circumstances.
- 2.10.2 For contracts that are covered by the Light-Touch Regime under the Public Contracts Regulations 2015 (see [CPR 4.6](#)) there are additional circumstances under which an exception can be sought. These can be considered where there is a clear continuation of specific services under an existing contract, and where a decision to award a new contract to an existing contractor without seeking quotations or tendering can be justified as reasonable in terms of the extent to which the new requirement meets one or more of the following criteria;
 - i. Evidence demonstrates that obtaining quotations or tendering for the required services is unlikely to secure significant improvements in value for money, or else is unlikely to secure sufficient improvement in value for money to justify the cost of obtaining quotations or tendering, or else any likely

- improvement in value for money will be outweighed by the potential cost of changing contractor;
- ii. The specification for the new requirement does not differ substantially from that of the existing contract;
 - iii. The contract terms and conditions of the new requirement do not differ from those of the existing contract except where required by changes to the council's Financial Regulations and/or these Contract Procedure Rules or relevant standard contracting practices;
 - iv. The equivalent annual value of the contract for the new requirement does not differ from that of the existing contract by more than 10%, unless required by law;
 - v. The services required have previously been subject to competitive quotations or tendered no more than five years prior to the end of the original contract, having regard to the term of the contract to be offered and the volatility of prices and quality in the relevant sector;
 - vi. No more than two previous contracts for the required services have been exempted from obtaining quotations or tendering;
 - vii. The performance of the existing contractor in delivering the required services under the existing contract has been monitored and assessed as satisfactory or better;
 - viii. The quality of the required services as required by the existing contractor under the existing contract has been assessed as satisfactory or better;
 - ix. Improvements in value for money in respect of contract specification, contract price or service quality have already been secured or else will be secured under the terms of the new contract for the required services;
 - x. The required services, where applicable, are necessarily delivered in specific accommodation and there is a significant risk that a change in contractor would result in the loss of that accommodation to the require service or service user(s), and that there is also a significant risk that alternative accommodation will not be secured within a reasonable and practical timescale;
 - xi. There is a reasonable probability that obtaining quotations or tendering the required services would result in significant distress or other detriment to the welfare of the service user(s) or would reverse or undermine the attainment of successful outcomes for the service user(s); and
 - xii. Any other valid and relevant considerations which may be identified by the manager of the team requiring the services, subject to the approval procedure detailed in CPR 2.12 below.

2.11 Authority to approve exceptions

- 2.11.1 An exception based on one or more of the reasons listed in CPR [2.9](#) or [2.10](#) may be granted in the following manner:
 - i. **Up to £250,000:** By the manager of the team where the procurement activity is taking place, providing they have authority to approve spend to the estimated contract value. If they do not have authority to spend then by the Head of Service where the procurement activity is taking place;

- ii. **£250,001 to £1,000,000:** By agreement in writing from head of service where the procurement activity is taking place, the Section 151 Officer, and the Monitoring Officer – recorded on the Procurement Exceptions Report detailed in CPR 2.11.4. Any of these individuals can refer the decision to Cabinet where they consider there are relevant issues pertaining to the procurement activity such that it should be considered as a key decision under the Cabinet Members scheme of delegation;
- iii. **£1,000,001 to £2,000,000:** by the relevant Cabinet Member through the scheme of delegation detailed in the Council's constitution, which will also require the agreement from the head of service where the procurement activity is taking place, the Section 151 Officer, and the Monitoring Officer – recorded on a delegated decision report with an accompanying completed Procurement Exceptions Report detailed in CPR 2.11.4. The Cabinet Member, or any of the other offices detailed above, can refer the decision to Cabinet where they consider there are relevant issues pertaining to the procurement activity such that it should be considered as a key decision under the Cabinet Members scheme of delegation;
- iv. **£2,000.001 and over:** by Cabinet – recorded on a Cabinet Report with an accompanying Procurement Exceptions Report detailed in CPR 2.11.4.

- 2.11.2 Such authority to approve shall not apply in cases of extreme urgency (CPR [2.9.3 \(iii\)](#) and [2.9.3 \(xv\)](#)). In this circumstance the relevant Head of Service can approve the exception.
- 2.11.3 Exceptions based on any reason not listed in CPR [2.9](#) or [2.10](#) can only be obtained from cabinet.
- 2.11.4 In **all** cases where an exception is being sought, a report must be attached on the contract file in the council's electronic procurement system setting out the reason for requiring the exception and the specific contract procedure rule (from this document) from which the exception is required. The report shall highlight any future commitments (whether or not of a financial character) which the proposed contract might entail.
- 2.11.5 In cases where an exception to proceed with a single tender procurement exercise has been authorised, the exercise is still required to be undertaken on the Council's electronic procurement system.

SECTION 3

PROCUREMENT DOCUMENT PREPARATION

3.1 Preparing documentation

3.1.1 It is a requirement to produce all required documentation associated with the procurement activity prior to making any offer to the market. This should include:

- i. The **specification**, which should contain precise details of the requirements, be easily understood by the bidders, have clearly defined, achievable and measurable inputs, outputs or outcomes;

And where appropriate for contracts under £25,000, and for all contracts over £25,000:

- ii. A draft of the **contract**, including any bespoke terms and conditions that may be required over and above the standard terms and conditions of the form of contract used;
- iii. The **criteria and evaluation methodology** (including any weightings) for selection and award of the contract;
- iv. Details of any requirements for **community benefits**;
- v. Where tendering under the Restricted (and Competitive or Negotiated) Procedures, a **Pre-Qualification Questionnaire (PQQ)** to enable a fair and transparent means of creating a shortlist of bidders; and
- vi. The **tender invitation** clearly stating the requirement to submit bids electronically, the time and date it needs to be submitted by, along with any other relevant instructions and a clear statement that no bids will be considered that have been delivered other than as instructed;

Standard forms and templates are available from the Corporate Procurement Team, and where appropriate embedded in the Council's electronic procurement system. Any deviation from the standard forms and templates must be agreed in writing with the Corporate Procurement Team.

3.2 Tender specifications – Standards

3.2.1 Relevant EU, British, and International standards which apply to the subject matter of the contract and which are necessary to properly describe the required quality must be included in the tender specification.

3.3 Tender specifications - Nominated products

3.3.1 All goods and services should be specified by reference to objective, non-product specific descriptions. Equivalent goods or services are nearly always capable of being specified. If this is not possible for genuine technical reasons, and a

particular type of product or service or method of production or delivery has to be stated, then the words “or equivalent” should always be added.

3.4 Tender specifications - Nominated suppliers and sub-

3.4.1 Nomination of suppliers, contractors or sub-contractors amounts to the same as single-tender action and so must not be used (except where permitted by the [Public Contracts Regulations 2015](#) for contracts equal to or greater than the relevant OJEU threshold, or the CPRs below the relevant OJEU threshold).

3.4.2 It is permissible to provide potential main or principal contractors with lists of council-approved suppliers or sub-contractors provided that it is made clear to the main/principal contractors that they are completely free to sub-contract to whoever they wish (subject to meeting the council's reasonable requirements, such as technical standards, financial standing or insurance levels).

3.5 Contract terms and conditions

(see also [CPR 5.12](#))

3.5.1 Wherever possible, the council's standard terms and conditions, or industry standard national terms and conditions, shall be used with additional information added to specify:

- i. The work, materials, services or things to be furnished, had, done or disposed of (i.e. the specification);
- ii. The price to be paid (or, as appropriate, the sums to be received), with a statement of discounts or other deductions, and where not known, committed estimated price, or the basis upon which the final contract sum is to be calculated;
- iii. The time or times within which the contract is to be performed, together with a termination date of the contract; and
- iv. Any additional bespoke terms and conditions that relate specifically to the contract in question (Which will need to be agreed with Legal Services).

3.5.2 Note that at contract award stage the following information may also need to be included in the contract documentation;

- i. Any other relevant documents received as part of the successful bid which need to be appended as a schedule to the contract (e.g. pricing schedule, Freedom of Information declarations, etc.)
- ii. Where community benefits have been requested or offered by the contractor, these should be specifically included in the contract (see CPRs [2.4](#) and [6.3.3](#)).

3.6 Sub-contracting

(see also CPRs [5.15](#) and [6.4](#))

- 3.6.1 In the procurement documents the Council may ask the bidder to indicate in its quotation or tender any share of the contract that it intends to sub-contract to third parties and any proposed sub-contractors.
- 3.6.2 Where sub-contractors will be used, the contract should include a clause expressly requiring the main contractor to abide by the fair payment requirements and ensure sub-contractors receive payment within 30 days of presenting a valid invoice.

3.7 Evaluation criteria

- 3.7.1 At the procurement planning stage a decision **must** have been made about which evaluation method will be followed – lowest price or most economically advantageous tender (MEAT) (see [CPR 2.7](#) for authorisation procedures).
- 3.7.2 The lowest price method of evaluation may only be used on contracts of a value less than £25,000, unless an exception is made as detailed in CPR 3.7.3 below. Even for contracts at this level, it is still recommended that the most economically advantageous tender method is applied where appropriate.
- 3.7.3 The most economically advantageous tender (MEAT) should be applied to all contracts of a value greater than £25,000. Exceptions to this can only be approved in line with the authorisation thresholds and process set out in CPR 2.11.
- 3.7.4 For MEAT, the criteria used must be linked to the subject matter of the contract to determine that an offer is the most economically advantageous, for example: price, quality, technical merit, aesthetic and functional characteristics, environmental characteristics, running costs, cost effectiveness, after-sales service, technical assistance, delivery date, delivery period and period of completion. Whichever criteria are used, they must be objectively quantifiable and non-discriminatory, and they must be listed **in order of importance** in the tender documentation.
- 3.7.5 Where a procurement procedure has both selection and award stages, the criteria used at the selection stage should not be used again at the award stage. Selection criteria will typically be those that cover suppliers' capability and experience, whilst award criteria will assess which tender is the most economically advantageous.
- 3.7.6 Where core community benefits are being requested (see CPR [2.4](#) and [6.3.3](#)), they must relate to the subject matter of the contract and must be included as part of the evaluation criteria and scored accordingly.

- 3.7.7 Issues that are of importance to the council in terms of meeting its corporate priorities and objectives can also be used to as criteria evaluate bids. The bidding organisations approaches to continuous improvement and setting targets for service improvement or future savings could also be included. If such criteria are used there is still a requirement that they must relate to the subject matter of the contract and must be objectively quantifiable and non-discriminatory.
- 3.7.8 The procurement documentation should clearly explain the basis of the decision to bidding organisations, making clear how the evaluation criteria specified in the process will be applied, the overall weightings to be attached to each of the high-level criteria, how the high-level criteria are divided into any sub-criteria and the weightings attached to each of those sub-criteria.

3.8 Variant bids

- 3.8.1 A variant bid is an option within the offer to market for suppliers to come forward with an alternative approach to delivering the required output of the procurement exercise, where they consider this will offer better value for money. Requesting variant bids is encouraged whenever practical as they have the potential to deliver significant cost savings, but these can only be submitted **in addition** to a standard bid that is compliant with the published specification. Whenever variant bids are submitted they **must** be evaluated using the same evaluation criteria as all other submissions (see CPR [3.7](#) and [5.2](#)).

SECTION 4

OFFER TO MARKET

GUIDANCE NOTE 5

What is the difference between a quotation and a tender?

There are broadly two competitive approaches used by the council to achieve best value in procurement:

1. A **request for quotation** (RFQ) is a less formal approach than a tender, and used for lower value, lower risk procurement. The council will provide a basic technical specification for the goods, services or works it requires, and bidders will quote their price, and in some cases outline how they intend to undertake the supply of good, services or works.
2. An **invitation to tender** (ITT) is a more formal approach where the council provides up-front documents laying down the terms and conditions of the offer; the work required to be undertaken and the quality that is expected. The invitation to tender is issued to all suppliers on the same day. They are not allowed to canvass or collude with us, other than to seek clarity. All tenders must be returned before a specified time and date.

4.1 Buying

Up to £10,000 (Goods, Services & Works)

- 4.1.1 The minimum requirement is **one** verbal or written quotation, although where practical competition is required. Where only one quote is requested, the head of service still has a responsibility to ensure and be able to demonstrate that value for money has been obtained.
- 4.1.2 The council's electronic procurement system has a Quick Quotes facility which is ideally suited to obtaining price only quotations at this threshold level, and will bring greater transparency, fairness and could achieve better value for money. Therefore the use of the Quick Quotes facility is encouraged for this level of spend.
- 4.1.3 It is acceptable to use petty cash or corporate credit cards when buying goods, services or works at this threshold limit.
- 4.1.4 There is no requirement to openly advertise.
- 4.1.5 There is no prescribed timescale for receiving a request for quotation.

- 4.1.6 Following acceptance of the quotation (verbal, written or electronic) a purchase order **must** be sent via the Purchase-to-Pay (P2P) system.
- 4.1.7 Quotes, regardless of whether one or more has been invited, can be accepted – verbally, in writing (including email) or via the council’s approved electronic procurement system – at the time of submission.

4.2 Low Value Procurement

£10,001 to £25,000 (Goods, Services & Works)

- 4.2.1 At least **four** quotations to be requested using the council’s electronic procurement system. The system will enable two suppliers of the requested goods, services or works to be selected manually, and then will automatically select at random a further two suppliers.
- 4.2.2 In the circumstance where not all suppliers respond to the request for quotation with a submission, it is acceptable to evaluate and award the contract based on whatever submissions have been made, even where there is only one submission.
- 4.2.3 Where there are less than four suppliers (but more than one) of the requested goods, services or works on the council’s electronic procurement system, it is acceptable to request quotations from the number (less than four) of the suppliers registered.
- 4.2.4 Where there is only one supplier of the requested goods, services or works on the council’s electronic procurement system, it is a requirement to follow the exception authorisation procedures set out in [CPR 2.11](#).
- 4.2.5 Any request for quotation (RFQ) shall include as a minimum a technical specification, pricing schedule and terms and conditions.
- 4.2.6 As an alternative to selection of suppliers, the requirement may also be openly advertised on Sell2Wales and on the council’s approved electronic system, but this is not a mandatory requirement at this level. Note that when the requirement is openly advertised in this way there is no restriction on the number of suppliers that may respond.
- 4.2.7 There is no prescribed timescale for receiving a request for quotation, but consideration should be made of the complexity of the requirement being requested and sufficient time allowed for suppliers to provide suitable bids.
- 4.2.8 The quotation must be received electronically using the council’s approved system, and will automatically be endorsed with the time and date of receipt and “locked” by the system until the closing time and date prescribed in the request for quotation has elapsed.
- 4.2.9 All quotations received will be automatically “unlocked” and available for evaluation in the electronic system at the same time within one hour of the closing time and date prescribed in the request for quotation.

- 4.2.10 Following evaluation of the submissions and acceptance of the quotation on the electronic system, a purchase order **must** be sent via the Purchase-to-Pay (P2P) system.

4.3 Intermediate Value Procurement

£25,001 to the OJEU threshold (Goods and Services)

- 4.3.1 Where a competitive procedure with negotiation, competitive dialogue or innovation partnership procedure has been approved under [CPR 2.7](#), then the offer to market should only be undertaken under the supervision and guidance of a named officer from the Corporate Procurement Team.
- 4.3.2 Prior to inviting tenders, it is a **mandatory** requirement to undertake the corporate Sustainability Assessment, or any equivalent corporate assessment that may be required. It is the responsibility of the manager where the procurement activity is taking place to ensure that this is undertaken, and that the results of this exercise is uploaded to the council's electronic procurement system.
- 4.3.3 All requirements **must** be openly advertised on Sell2Wales and on the council's electronic procurement system.
- 4.3.4 Whilst it is not a mandatory requirement at this procurement threshold, the inclusion of community benefits as a contractual requirement is still encouraged (see [CPR 2.4](#) and [6.3.3](#)).
- 4.3.5 At the time of inviting tenders the documents detailed in [CPR 3.1](#) should have been prepared and be accessible to view on the council's electronic procurement system.
- 4.3.6 There is no prescribed timescale for receiving an invitation to tender, but consideration should be made of the complexity of the requirement being requested and sufficient time allowed for suppliers to provide suitable bids.
- 4.3.7 The tenders must be received electronically using the council's approved system, and will automatically be endorsed with the time and date of receipt and "locked" by the system until the closing time and date prescribed in the invitation to tender has elapsed.
- 4.3.8 All tenders received will be automatically "unlocked" and available for evaluation in the electronic system at the same time within one hour of the closing time and date prescribed in the invitation to tender.
- 4.3.9 Following evaluation of the submissions and acceptance of the tender on the electronic system, a purchase order **must** be sent via the Purchase-to-Pay (P2P) system.

4.4 Intermediate Value Procurement

£25,001 to the OJEU threshold (Works)

- 4.4.1 Where a negotiated, competitive dialogue or innovation partnership procedure has been approved under [CPR 2.7](#), then the offer to market should only be undertaken under the supervision and guidance of a named officer from the Corporate Procurement Team.
- 4.4.2 Prior to inviting tenders, it is a **mandatory** requirement to undertake the corporate Sustainability Assessment, or any equivalent corporate assessment that may be required. It is the responsibility of the manager where the procurement activity is taking place to ensure that this is undertaken, and that the results of this exercise is uploaded to the council's electronic procurement system.
- 4.4.3 In cases where the works are of a general nature and thus it is reasonably considered that the interest from the market may result in a high number of submissions, in the interests of efficiency it is permissible not to openly advertise contracts with an estimated value below £250,000 (for works **only**). In this circumstance at least **four** tenders must be requested using the council's electronic procurement system. The system will enable two suppliers of the requested works to be selected manually, and then will automatically select at random a further two suppliers.
- 4.4.4 If the works being procured are grant funded and the conditions of grant require contracts to be advertised then CPR 4.4.3 cannot be used.
- 4.4.5 In the circumstance where not all suppliers respond to the invitation to tender with a submission, it is acceptable to evaluate and award the contract based on whatever submissions have been made, even where there is only one submission.
- 4.4.6 In all other circumstances, and for **all** contracts with an estimated value of between £250,001 and to the OJEU threshold (see appendix C), all requirements **must** be openly advertised on Sell2Wales and on the council's electronic procurement system.
- 4.4.7 Where the contract value is greater than £1,000,000 the inclusion of community benefits as a contractual requirement is a **mandatory** requirement. Below this value, whilst it is not a mandatory requirement, the inclusion of community benefits as a contractual requirement is still encouraged (see CPRs [2.4](#) and [6.3.3](#)).
- 4.4.8 At the time of inviting tenders the documents detailed in [CPR 3.1](#) should have been prepared and be accessible to view on the council's electronic procurement system.
- 4.4.9 There is no prescribed timescale for receiving an invitation to tender, but consideration should be made of the complexity of the requirement being requested and sufficient time allowed for suppliers to provide suitable bids.
- 4.4.10 The tenders must be received electronically using the council's approved system, and will automatically be endorsed with the time and date of receipt and "locked"

by the system until the closing time and date prescribed in the invitation to tender has elapsed.

- 4.4.11 All tenders received will be automatically “unlocked” and available for evaluation in the electronic system at the same time within one hour of the closing time and date prescribed in the invitation to tender.
- 4.4.12 Following evaluation of the submissions and acceptance of the tender on the electronic system, a purchase order **must** be sent via the Purchase-to-Pay (P2P) system.

4.5 High Value Procurement ([OJEU threshold](#))

Above the relevant OJEU threshold (Goods, Services & Works)

- 4.5.1 At this threshold level it is critical that the offer to market is conducted in full compliance with the requirements of the [Public Contracts Regulations 2015](#). For this reason, adequate time must be allowed for the proper planning of the procurement activity, and this planning and the subsequent offer to market must be undertaken under the supervision and guidance of a named officer from the Corporate Procurement Team.
- 4.5.2 Prior to inviting tenders, it is a **mandatory** requirement to undertake the corporate Sustainability Assessment, or any equivalent corporate assessment that may be required. It is the responsibility of the manager where the procurement activity is taking place to ensure that this is undertaken, and that the results of this exercise is uploaded to the council’s electronic procurement system.
- 4.5.3 Above these EU contract thresholds all requirements **must** be openly advertised on Sell2Wales, the council’s electronic procurement system **and in the official journal of the European Union (OJEU)**, with no exceptions (see [CPR 4.9](#) for details).
- 4.5.4 Where the contract value is greater than £1,000,000 the inclusion of community benefits as a contractual requirement is a **mandatory** requirement. Below this value, whilst it is not a mandatory requirement, the inclusion of community benefits as a contractual requirement is still encouraged (see CPRs [2.4](#) and [6.3.3](#)).
- 4.5.5 At the time of inviting tenders the documents detailed in [CPR 3.1](#) should have been prepared and be accessible to view on the council’s electronic procurement system.
- 4.5.6 The [Public Contracts Regulations 2015](#) prescribe minimum time limits for submissions following advert. These vary depending on the procurement procedure being followed and whether a Prior Information Notice (PIN) has been issued (see [CPR 4.9](#)), but are significant and **non-negotiable**. Officers conducting any procurement activity at this threshold **must** inform the Corporate Procurement Team at the earliest opportunity to ensure the prescribed time limits can be met.
- 4.5.7 The tenders must be received electronically using the council’s approved system, and will automatically be endorsed with the time and date of receipt and “locked” by

the system until the closing time and date prescribed in the invitation to tender has elapsed.

- 4.5.8 All tenders received will be automatically “unlocked” and available for evaluation in the electronic system at the same time within one hour of the closing time and date prescribed in the invitation to tender.
- 4.5.9 Following evaluation of the submissions and acceptance of the tender on the electronic system, a purchase order **must** be sent via the Purchase-to-Pay (P2P) system.

4.6 Light-Touch Regime

(see Regulations 74 – 77 of the [Public Contracts Regulations 2015](#))

- 4.6.1 The new light-touch regime (LTR) is a specific set of rules for certain contracts that tend to be of lower interest to cross-border competition. Those service contracts include certain social, health and education services, defined by Common Procurement Vocabulary (CPV) codes. The list of services to which the Light-Touch Regime applies is set out in Schedule 3 of the Public Contracts Regulations 2015 (Annex A): this can be found in [Appendix D](#) of these CPRs. The procurement process for the LTR is described briefly below, but any officer undertaking procurement activity under this regime should do so in association with the Corporate Procurement Team and should always refer directly to the relevant sections of the Public Contracts Regulations 2015 and any associated government guidance.
- 4.6.2 Below the threshold given in [Appendix C](#) CPRs [4.3.1 to 4.3.9](#) should be followed.
- 4.6.3 The OJEU threshold values for the Light Touch Regime are detailed in [Appendix C](#). At and above the threshold level the mandatory requirements, in addition to CPR 4.6.2, are:
- i. OJEU Advertising – the publication of a contract notice (CN) or prior information notice (PIN), except where the grounds for using the negotiated procedure without a call for competition could have been used;
 - ii. The publication of a contract award notice (CAN) following each individual procurement, or if preferred, group such notices on a quarterly basis;
 - iii. Compliance with Treaty principles of transparency and equal treatment;
 - iv. Conduct the procurement in conformance with the information provided in the OJEU advert (CN or PIN) regarding any conditions for participation, time limits for contacting/responding to the authority, and the award procedure to be applied; and
 - v. Time limits imposed by authorities on suppliers, such as responding to adverts or tenders, must be reasonable and proportionate.

The council has the flexibility to use any process or procedure when procuring under the LTR, as long as it respects these obligations above. There is no requirement to use the standard EU procurement procedures (open, restricted and so on) that are available for other (non-LTR) contracts. The council can use those procedures if helpful, or alternatively tailor those procedures or design new procedures.

- 4.6.4 The Public Contracts Regulations 2015, [Regulation 77](#), permit certain contracts to be “reserved” for organisations meeting certain criteria e.g. public service mutual and social enterprises.
- 4.6.5 For contracts that are covered by the Light-Touch Regime there are additional circumstances under which an exception can be sought. These are detailed in [CPR 2.10](#).

4.7 Electronic arrangements

- 4.7.1 Above the £10,000 threshold detailed in [CPR 4.1](#) all requests for quotations and invitations to tender, along with all associated procurement documentation, must be issued via the council’s approved electronic procurement system.
- 4.7.2 Above the £10,000 threshold detailed in [CPR 4.1](#) all submissions from bidding organisations, including all supporting documentation, must be received via the council’s approved electronic procurement system.
- 4.7.3 In some exceptional circumstances, and only by agreement between the head of service where the procurement activity is taking place and the Corporate Procurement Team, hard copy quotations or tenders may be accepted. In this event the procedures detailed in CPR 4.8 below must be followed.

4.8 Hard copy arrangements

- 4.8.1 In the event that hard copy quotations or tenders are to be accepted (see CPR 4.7.3 above), these must be submitted, sealed, in the envelope provided with the procurement documents and addressed to a named officer within the service where the procurement activity is taking place. The submitted envelope should not have any mark that would reveal the bidding organisation’s identity and should clearly marked “Quotation for....” followed by a description of the goods, services or works being procured.
- 4.8.2 The named officer (see CPR 4.8.1 above) is responsible for recording the time and date of receipt, and for the safe custody of the submissions until the specified bid opening time.
- 4.8.3 All hard copy quotations or tenders for the same contract will be opened at the same time within 24 hours of the official return time/date having passed. This opening should be undertaken in the presence of at least two officers of the council, one of whom **must** be an officer who has had no previous involvement in pre-tender enquiries, the invitation to tender or preparation of associated documentation. It is the responsibility of the manager of the team where the procurement activity is taking place to ensure this is the case.
- 4.8.4 The designated officers present at the opening shall record the following details of each submission:
- i. The time and date for the receipt of the bids;
 - ii. The name of each bidder and the amount of each bid; and

- iii. The date the bids were opened.

This record shall be signed by all officers present at the opening.

- 4.8.5 If a hard copy submission is opened in error prior to the specified bid opening time, no attempt shall be made to ascertain any contents of the bid or its origin, and the matter must be immediately reported to the head of service where the procurement activity is taking place. The envelope shall be re-sealed and signed by the officer who opened the envelope and the head of service. If the head of service has reason to suspect a breach of confidentiality or irregularity has occurred, they shall report the matter immediately to the Corporate Procurement Team and internal audit.

4.9 Advertising

- 4.9.1 Where the opportunity is going to be advertised on Sell2Wales, there are two options:
- i. The **Prior Information Notice (PIN)** alerts the market to future contracts, and should be placed on Sell2Wales and – for tenders over the OJEU thresholds – in the Office Journal of European Union (OJEU). The publication of a PIN is not mandatory but by publishing it is possible to take advantage of reduced time limits for submission of bids later in the process.
 - ii. The **Contract Notice (CN)** which launches a specific procurement, and should be placed on Sell2Wales, the council's electronic procurement system and – for tenders over the OJEU thresholds – in the Office Journal of European Union (OJEU).
- 4.9.2 As per [CPR 1.3.1](#), **all** advertisement in Sell2Wales and, where relevant, in the Office Journal of the European Union (OJEU), **must** be published bilingually in Welsh and English. The advertisement must state that quotations or tenders may be submitted in Welsh, and that a quotation or tender submitted in Welsh will be treated no less favourably than a quotation or tender submitted in English.
- 4.9.3 Adverts can also be placed in relevant trade journals or other suitable publications.

SECTION 5

EVALUATION & CONTRACT AWARD

5.1 Late submissions

- 5.1.1 There is a one hour “grace” period built into the electronic procurement system after the prescribed closing time/date to allow for any problems that may arise with suppliers uploading their submissions. Submissions received within this one hour grace period can be accepted. The electronic procurement system will not accept any submissions after this “grace” period.

5.2 The evaluation process

- 5.2.1 Submitted quotations or tenders must be evaluated in accordance with the predetermined evaluation criteria ([see CPR 3.7](#)) and awarded on the basis of the submission that best meets these criteria. The criteria **must** be strictly observed and not altered or adjusted in any way.

5.3 Errors and omissions in submitted bids

- 5.3.1 As a general rule, no adjustment or qualification to any submitted bid is permitted. Errors or omissions found during the evaluation process shall be dealt with in one of the following ways:
- i. Where there is an error of clerical or arithmetical transcription or computation which would affect the quotation or tender figure in an otherwise successful submission, the bidding organisation will be given details of such errors via the council’s electronic procurement system and shall be allowed the opportunity of correcting those errors and confirming the correct details.
 - ii. Where there are errors or omissions other than those detailed above which would affect the quotation or tender figure or other elements of the submission, the bidding organisation will be given details of such errors via the council’s electronic procurement system and shall be allowed the opportunity of correcting those errors or withdrawing its submission.
- 5.3.2 Any corrections must be submitted within a defined timescale of the notification to the bidder of the error or omission. Corrections received after this timescale will not be accepted and the submission considered withdrawn and not further evaluated. This must be clearly stated to the bidder at the time of notification of the error or omission.

5.4 Post-quotation/tender negotiations and clarification

5.4.1 Generally:

- i. no post-tender negotiations are permitted under an open or restricted procedure;
- ii. In some instances it may be acceptable to seek clarification from bidding organisations, but this should only happen in exceptional circumstances and following consultation with the Corporate Procurement Team; and
- iii. Negotiations on price are never permissible except where the negotiated procedure is used. The negotiated procedure should only be used in those exceptional cases where it is lawful to do so under the 2015 Regulations, and should **always** be undertaken under the supervision of a named officer from the Corporate Procurement Team.

5.4.2 Where procurements are at intermediate value or below (i.e. sub-OJEU level) the head of service where the procurement activity is taking place may authorise negotiations, having first consulted with the Corporate Procurement Team, if he/she considers that it is in the council's interest to do so. Such actions must not distort competition and that the core principles of transparency, non-discrimination and equal treatment apply, therefore negotiations should be kept to a minimum. It is the head of service's responsibility to ensure a written record of all negotiations are kept as part on the contract file on the council's electronic procurement system.

5.5 Awarding the contract

5.5.1 No contract can be awarded without an approved, associated budget which is sufficient to meet the financial obligations of the contract over its lifetime.

5.5.2 Where the contract award is within the cost and quality parameters established at the earlier procurement strategy approval stage (see [CPR 2.7](#)), the award can be made by:

- i. By the manager of the team where the procurement activity will be taking place, providing they have authority to approve spend to the contract value. If they do not have authority to spend, then:
- ii. By the head of service where the procurement activity is taking place, providing they have authority to approve spend to the contract value or that the procurement activity has prior authorisation under [CPR 2.7](#).

5.5.3 For contracts of less than £250,000, where the contract award will be of greater cost than that which was approved at the procurement strategy stage (see [CPR 2.7](#)), the award can be made by the head of service where the procurement activity is taking place, regardless of the percentage of increase but notwithstanding the responsibility to ensure and be able to demonstrate that value for money has been obtained.

5.5.4 For contracts of more than £250,000, where the contract award will be of greater cost than that which was approved under [CPR 2.7](#) (regardless of the percentage of increase), award approvals must be undertaken in the following manner:

- i. **£250,001 to £1,000,000:** By agreement in writing from head of service where the procurement activity is taking place, the Section 151 Officer, and the Monitoring Officer. Any of these individuals can refer the decision to Cabinet where they consider there are relevant issues pertaining to the contract award such that it should be considered as a key decision under the Cabinet Members scheme of delegation;
- ii. **£1,000,001 to £2,000,000:** by the relevant Cabinet Member through the scheme of delegation detailed in the Council's constitution, which will also require the agreement from the head of service where the procurement activity is taking place, the Section 151 Officer, and the Monitoring Officer. The Cabinet Member, or any of the other offices detailed above, can refer the decision to Cabinet where they consider there are relevant issues pertaining to the contract award such that it should be considered as a key decision under the Cabinet Members scheme of delegation;
- iii. **£2,000,001 and over:** by Cabinet.

5.5.5 When awarding contracts on lowest price, award approvals must be made to the bidding organisation submitting the lowest price, unless the quote or tender is deemed to be an abnormally low bid which cannot be justified by the bidder to be sufficient to deliver the contract. In this circumstance it should be treated as an error and the procedure detailed in [CPR 5.3](#) followed.

5.5.6 For all contracts over the £10,000 threshold an award approval report must be completed (available on request from the Corporate Procurement Team) and uploaded to the electronic procurement system. It is the responsibility of the Head of Service where the procurement activity is taking place to ensure this happens.

5.6 Notifying candidates

5.6.1 When a contract is awarded in line with [CPR 5.5.4 ii](#) and iii that decision is subject to the five day Cabinet call-in period. Bidders should not be notified until either this call-in period has elapsed or, in the event that the decision is called-in, the result of any review is known.

5.6.2 Where the contract value is less than the high value, OJEU threshold, the manager of the team where the procurement activity is taking place shall ensure that within 15 days of the date on which the council receives a request from any supplier who was unsuccessful (at either quotation, pre-qualification or tender stage) he/she informs that supplier of the reasons for being unsuccessful and, if the supplier was unsuccessful at quotation/tender stage they must also be informed of the characteristics and relative advantages of the successful quotation/tender as well as the name of the bidder winning the contract.

- 5.6.3 Where the contract value is at high level (OJEU threshold), the manager of the team where the procurement activity is taking place must ensure that the council complies with the requirements of the [Public Contracts Regulations 2015](#) regarding giving standstill letters and reasons. Additionally, contract award notices need to be published in the OJEU not later than 30 days after contract award and the form of notice is prescribed in the relevant regulations.
- 5.6.4 Where the procurement activity is at high level (OJEU threshold), there must be a standstill period between communicating the award decision to all tenders and conclusion of the contract. This standstill period shall be 10 calendar days when sent electronically (or 15 days for notices sent by other methods). Where the last day of the standstill period is not a working day, the standstill period is extended to midnight at the end of the next working day.

5.7 Contract award notice

- 5.7.1 Where the contract has been advertised on Sell2Wales, the council must subsequently publish a bilingual contract award notice on Sell2Wales.
- 5.7.2 Where the value of the contract is equal to or greater than the relevant OJEU threshold (high-value procurement), the council must publish a bilingual contract award notice on Sell2Wales for inclusion in the OJEU as well.
- 5.7.3 In either case, the contract award notice should be actioned as soon as possible after the decision to award the contract has been taken, and in any event no later than 30 days after the date of award of contract. It is the responsibility of the manager of the team where the procurement activity is taking place to ensure this happens.

5.8 Letters of intent

- 5.8.1 A letter of intent is not an appropriate substitute for a formal contract but in exceptional circumstances can be issued as an interim measure until a formal contract has been signed. Letters of intent can only be issued by an officer of the council with the prior approval in writing of the Monitoring Officer.
- 5.8.2 In the case of works contracts, a letter of intent in a form approved by the Monitoring Officer is acceptable in order to allow work to commence, although the issue of a formal contract must follow without delay.

5.9 Bonds, Securities, Liquidated and other damages

- 5.9.1 The manager where the procurement activity is taking place is responsible for ensuring that a risk assessment is undertaken to determine whether some form of performance bond or performance guarantee is required.
- 5.9.2 All contracts should include a provision for liquidated damages to be paid by the contractor in case the terms of the contract are not duly performed, save where the Monitoring Officer approves another type of remedy.

5.10 Parent Company Guarantee

- 5.10.1 The manager where the procurement activity is taking place is responsible for seeking a Parent Company Guarantee where:
- i. A contractor is a subsidiary of a parent company; and/or
 - ii. The award is based on evaluation of the parent company; and/or
 - iii. There is some concern over the stability of the contractor.

5.11 Non-concluded terms and conditions

- 5.11.1 Before any award of contract it is the responsibility of the manager of the team where the procurement activity is taking place to ensure that the terms and conditions of the contract are fully agreed between the council and the successful bidder.
- 5.11.2 Where terms and conditions of contract are not fully agreed, no contractor shall be allowed to commence delivery of goods, services or works.
- 5.11.3 The council should under normal circumstances **never**:
- i. enter into a contract on the contractors own standard terms and conditions; or
 - ii. negotiate terms and conditions which are significantly different to those included or referred to at quotation or tender stage.

Any deviation from these principles can only be undertaken with the prior approval of the Monitoring Officer.

5.12 Contract documents

(see also [CPR 3.5](#))

- 5.12.1 Where the procurement is up to a total value of £25,000 the use of a Purchase Order is an acceptable form of contract, which must make reference to the successful quotation and the council's terms and conditions of purchase. In some circumstances, particularly where there is a risk of contractual disputes, it may still be appropriate to have a signed contract in place.
- 5.12.2 Where the procurement is greater than £25,000, all contracts for goods, services and works must be concluded in writing using the appropriate standard contract, or other bespoke contract as approved by the Monitoring Officer, before the contract commences. In this circumstance there is still a requirement to also raise a purchase order.
- 5.12.3 Two copies of the contract will be sent to the successful tenderer to duly sign. After signing and returning both copies to the council, they will both be signed on behalf of the council. One copy will be scanned and placed on the contract file in the council's electronic procurement system, and the original retained by the relevant service area. The second copy will be returned to the successful

tenderer for its retention. It is the responsibility of the manager where the procurement activity is taking place to ensure that the contracts are sent out, duly signed, returned and recorded on the electronic procurement system.

- 5.12.4 Contract documents, along with all associated related documents, must be retained for a minimum of six years from the contract end date and, if under seal, for a period of twelve years from the contract end date. Where the contract was funded, or partly funded, through some form of external grant further conditions with regard to retention of documents may apply and **must** be adhered to.
- 5.12.5 Emergency contracts awarded under CPRs [2.9.3 iii](#) and [2.9.3 xv](#) need not be in writing before commencement but must be confirmed in writing within four weeks. It is the responsibility of the manager where the procurement activity is taking place to ensure this is the case.

5.13 Contract signatures

- 5.13.1 Contracts not under seal can be signed on behalf of the Council by:
- i. By the manager of the team where the procurement activity will be taking place, providing they have authority to approve spend to the estimated contract value. If they do not have authority to spend, then:
 - ii. By the head of service where the procurement activity is taking place

However, regardless of who signs there should be consideration in terms of separation of duties and the person who signs the contract on behalf of the council should not be the same officer who led the offer to market.

5.14 Sealing of contracts

- 5.14.1 A contract must be sealed where:
- i. The council wishes to enforce the contract for more than six years after its end (e.g. for land or construction works); or
 - ii. The price paid or received under the contract is a nominal price or there is no consideration and does not reflect the value of the goods or services; or
 - iii. Where there is any doubt about the authority of the person signing for the other contracting party; or
 - iv. Where it is required by law; or
 - v. The total value of the goods, services or works exceeds £250,000.
- 5.14.2 Where contracts are completed by each side adding their common seal, the affixing must be attested by or on behalf of Legal Services. Legal Services are responsible for the process of sealing contracts on behalf of the Monitoring Officer.

5.15 Sub-contracting notification

(see also CPR [3.6](#) and [6.4](#))

- 5.15.1 Main contractors must notify the council of the name, contact details and legal representatives of its sub-contractors in so far as known at the time. This should take place after the award of the contract or, at the very latest, when the performance of the contract commences.
- 5.15.2 The Council may verify whether there are grounds for exclusion of sub-contractors, and must require the main contractor to replace a sub-contractor if there are mandatory grounds for exclusion and may require replacement where there are discretionary grounds (Regulation 57 of the Public Contract Regulations 2015 refer for contracts at the OJEU threshold).
- 5.15.3 Where sub-contractors will be used, the contract should include a clause expressly requiring the main contractor to abide by the fair payment requirements and ensure sub-contractors receive payment within 30 days of presenting a valid invoice.

5.16 Contracts Register

- 5.16.1 From 1st April 2016, the following contracts shall be recorded on a central contracts register hosted on the council's approved electronic system:
- i. all new contracts over the value of £25,000 (intermediate value procurement and above);
 - ii. all contracts above the £25,000 threshold that were entered into prior to 1st April 2016 but are still current;
 - iii. all contracts **of any value** that need to be renewed; and
 - iv. frameworks or other corporate purchasing arrangements currently being used by the council.
- 5.16.2 It is the responsibility of the head of service to ensure that their staff comply with CPR 5.16.1 above, and that the information provided in relation to the contracts register includes as a minimum:
- i. The contractor;
 - ii. The value of the contract;
 - iii. The start and expiry date of the contract;
 - iv. Details of whether the contract is a one-off or expected to be renewed

SECTION 6

CONTRACT MANAGEMENT

6.1 Managing contracts

- 6.1.1 All contracts **must** have a named contract manager for the entirety of the contract, and that this individual has sufficient capability and capacity (see [CPR 1.4](#) for guidance) to undertake this role effectively. It is the responsibility of the head of service where the procurement activity is taking place to ensure that this is the case.
- 6.1.2 All contract management activities should seek to ensure that the contract is delivered in compliance with the terms and conditions of the contract, and shall be undertaken via the council's electronic procurement system.

6.2 Risk assessment and contingency planning

- 6.2.1 It is the responsibility of the contract manager (see CPR 6.1.1) to ensure that a risk assessment is undertaken to determine whether a contract should be categorised as high, medium or low risk (different contract management arrangements will apply depending on the risk category of the contract). Related documentation and assistance with undertaking the risk assessment is available from the Corporate Procurement Team.
- 6.2.2 It is the responsibility of the contract manager to ensure that for all contracts categorised as medium or high risk:
- i. A risk register is maintained throughout the contract period;
 - ii. Risk assessments are undertaken regularly; and
 - iii. For identified risks, appropriate and adequate contingency measures are in place

6.3 Contract performance

- 6.3.1 It is the responsibility of the contract manager (see CPR 6.1.1) to ensure that regular performance reviews are undertaken for categorised as medium or high risk. Such reviews should be undertaken at regular intervals depending on the complexity and length of the contract – at the discretion of the Contract Manager, but **must** be undertaken at the end of each contract. The review should cover good and bad performance, complaints, issues and defects arising under the contract, and a record of all reviews must be kept on the contract file on the council's electronic procurement system.
- 6.3.2 For all contracts it is the responsibility of the contract manager to raise any incidents of poor performance immediately with the contractor and seek rectification. In instances of particularly poor performance, or persistent poor performance, the Contract Manager can consider whether to recommend:

- i. early termination of the contract (see [CPR 6.6](#)); or
- ii. where the contract has been awarded under a Framework Agreement, suspension of the contractor from that framework.

6.3.3 Where community benefits have been included as contractual requirements (see [CPR 2.4](#)) they should be regularly monitored and actively managed as part of the overall contract management process. It is the responsibility of the contract manager to ensure that the Welsh Government's Community Benefit Toolkit (or any successor tool provided by or on behalf of the Welsh Government) is duly completed and submitted as required.

6.3.4 At the end of each contract the contract manager will issue the contractor with a feedback form (available from the Corporate Procurement Team) in order for them to express their views and opinions on the management and delivery of the contract, and a record of this feedback must be kept on the contract file on the council's electronic procurement system.

6.4 Change in sub-contractors (see also CPRs [3.6](#) and [5.15](#))

6.4.1 Where sub-contractors are involved in the delivery of the contract in the course of the normal contract management arrangements the contract manager is required to check whether there has been any change in sub-contractors, and record any changes in the electronic procurement system.

6.5 Assignments and novation

6.5.1 Any contracts subject to potential assignment and novation must be referred to the Monitoring Officer at the earliest possible instance.

6.6 Termination of contract

6.6.1 Contracts may be terminated in line with the terms and conditions of the contract. Authorisation levels for contract termination are set out in [CPR 6.8](#). In all cases a report must be provided and attached to the contract file on the council's electronic procurement system detailing the reasons for the termination.

6.6.2 Where a contract has been terminated early, it is the responsibility of the contract manager to ensure that the corporate contracts register (see [CPR 5.16](#)) is updated accordingly.

6.7 Contract variations and extensions

6.7.1 Contract and framework agreements may be varied without a new procurement procedure where:

- i. The variations have been provided for in the relevant contract documents in clear unequivocal terms (i.e. price variation, fluctuation clauses or options) and these do not alter the overall nature of the contract; and/or

- ii. Additional goods, services or works which were not included in the original quotation or tender have become necessary, where a change of contractor cannot be made for economic or technical reasons or where it would cause serious inconvenience or duplication and the price does not exceed 20% of the original contract value and that it does not extend the contract period by more than 50%; and/or
- iii. The circumstances causing the need for variation were unforeseen, the variation does not alter the overall nature of the contract and the price does not exceed 20% of the original contract value and that it does not extend the contract period by more than 50%; and/or
- iv. There is a change in contractor that was provided for in the quotation or tender, or as a result of a merger, acquisition, insolvency or similar of the original contractor, that fulfils the original criteria for qualitative selection, provided this does not lead to other substantial variations; and/or
- v. The variations, irrespective of their value, are not substantial (as defined in CPR 6.7.2 below).

6.7.2 In the circumstances detailed in CPR 6.7.1 above, the contract variation shall be authorised by the Contract Manager, provided that the variation cost can be met within budget. Such variation shall be entered on the electronic procurement system and the Contracts Register, and an amendment made to the original Purchase Order. Note that substantial contract variations, as detailed in CPR 6.7.3 below, shall be subject to the authorisation requirements detailed in CPR 6.8.1.

6.7.3 A variation shall be deemed substantial if:

- i. The cost of the variation would exceed 20% of the original contract value or would extend the contract period by more than 50%; and/or
- ii. It makes the contract or framework materially different in character; and/or
- iii. The variation introduces new conditions which, had they been part of the initial procurement, would have allowed for the admission of other candidates than those initially accepted; allowed for the acceptance of a tender other than that originally accepted; and/or attracted additional participants in the procurement procedure; and/or
- iv. It changes the economic balance in favour of the contractor; and/or
- v. It extends the scope of the contract or framework considerably.
- vi. The revised total contract value requires a different level of authorisation, as specified in CPR 6.8.1, than that used for the original contract award.

6.7.4 Any decision to extend the contract period (term) may only be made before the original expiry date, where it is in accordance with the terms and conditions of the original contract.

6.7.5 In all cases of contract variation, careful consideration must be made of the impact of the increased value of the contract on the procurement threshold levels, particularly whether the increase in value will move a contract from intermediate, sub-OJEU value into high value, OJEU level. In this circumstance the variation or extension should not normally be granted.

6.8 Authority to decide contract terminations and substantial variations

6.8.1 Every contract termination or substantial variation (as detailed in CPR 6.7.3) must be authorised in writing and issued before the termination or variation is actioned. Authorisation levels are as follows:

- i. **Up to £250,000:** By the manager of the team where the procurement activity is taking place, providing they have authority to approve spend to the estimated contract value. If they do not have authority to spend then by the Head of Service where the procurement activity is taking place;
- ii. **£250,001 to £1,000,000:** By agreement in writing from head of service where the procurement activity is taking place, the Section 151 Officer, and the Monitoring Officer. Any of these individuals can refer the decision to Cabinet where they consider there are relevant issues pertaining to the contract variation such that it should be considered as a key decision under the Cabinet Members scheme of delegation;
- iii. **£1,000,001 to £2,000,000:** by the relevant Cabinet Member through the scheme of delegation detailed in the Council's constitution, which will also require the agreement from the head of service where the procurement activity is taking place, the Section 151 Officer, and the Monitoring Officer. The Cabinet Member, or any of the other offices detailed above, can refer the decision to Cabinet where they consider there are relevant issues pertaining to the contract variation such that it should be considered as a key decision under the Cabinet Members scheme of delegation;
- iv. **£2,000,001 and over:** by Cabinet.

Contract values should be based on the cumulative total (i.e. including any previous variations or extensions) and in all cases, a report must be provided and attached to the contract file on the council's electronic procurement system detailing the reasons for the variation or extension.

6.9 Contract end

6.9.1 At an appropriate point, but generally at least three months prior to the contract end date, the contract manager should review whether or not the contract needs to be renewed, either in its current or an amended form. This should involve consideration of the contract management information collected throughout the life of the contract, which should help inform whether, or how, the requirement may be delivered in future.

6.9.2 If there is no further requirement for the contract, the existing contract may be allowed to lapse. However, some contracts may require more active decommissioning, for example where it involves disposal or reallocation of resources or where consultation is required. It is the responsibility of the contract manager to ensure that contracts are appropriately decommissioned and that sufficient time is allowed to do this.

- 6.9.3 If there is an ongoing requirement beyond the end of the existing contract, the contract manager is required to:
- i. consider whether there is an alternative approach to delivering the outcome without the need for the council to spend at all, or at least to reduce the spend;
 - ii. have due consideration of our duties under the Well-Being of Future Generations (Wales) Act 2015 to take into account the impact of any decisions we make;
 - iii. have due regard to the impact a renewed contract or approach may have on local economic prosperity; and
 - iv. Determine whether some form of corporate purchasing arrangement has been established since awarding the original contract.
- 6.9.4 If the contract is to be renewed, in its existing or amended form, then the contract manager (or other officer as directed by management) shall commence the planning process as set out in [Section 2](#) of these CPR's.
- 6.9.5 The contract manager must also ensure that a contract review questionnaire is completed, recording the overall performance of the supplier over the duration of the contract. Once completed, this should be uploaded to the contract file on electronic procurement system.
- 6.9.6 The contract manager shall also send a questionnaire to the supplier for them to complete (available on request from the Corporate Procurement Team), which will record the supplier's perspective on the council's management of the contract. Again, once completed, this should be uploaded to the contract file on electronic procurement system.

18.1 Members' Code of Conduct

The County Council has adopted a Code of Conduct for Members, based on the National Assembly for Wales' Model Code, embracing the following 10 principles.

1. Selflessness

Members must act solely in the public interest. They must never use their position as member to improperly confer advantage on themselves or to improperly confer advantage or disadvantage on others.

2. Honesty

Members must declare any private interests relevant to their public duties and take steps to resolve any conflict in a way that protects the public interest.

3. Integrity and Propriety

Members must not put themselves in a position where their integrity is called into question by any financial or other obligation to individuals or organisations that might seek to influence them in the performance of their duties. Members must on all occasions avoid the appearance of such behaviour.

4. Duty to Uphold the Law

Members must act to uphold the law and act on all occasions in accordance with the trust that the public has placed in them.

5. Stewardship

In discharging their duties and responsibilities Members must ensure that their authority's resources are used both lawfully and prudently.

6. Objectivity in Decision-Making

In carrying out their responsibilities including making appointments, awarding contracts, or recommending individuals for rewards and benefits, Members must make decisions on merit. Whilst Members must have regard to the professional advice of officers and may properly take account of the views of others, including their political groups, it is their responsibility to decide what view to take and, if appropriate, how to vote on any issue.

7. Equality and Respect

Members must carry out their duties and responsibilities with due regard to the need to promote equality of opportunity for all people, regardless of their gender, race, disability, sexual orientation, age or religion, and show respect and consideration for others

8. Openness

9. Accountability

10. Leadership

PROCEDURE FOR DEALING WITH ALLEGATIONS MADE AGAINST COUNCILLORS AND REFERRED TO THE STANDARDS COMMITTEE

Introduction

1. This document sets out the procedure that the Council's Standards Committee will follow where it is required to make decisions about the conduct of Councillors following investigations by the Public Services Ombudsman for Wales or the Council's Monitoring Officer under Part III of the Local Government Act 2000 and related regulations. If there is any conflict between this document and any statutory requirements then those statutory requirements will prevail.

 - (ch) 'the Complainant' means any person who made any allegation which gave rise to the investigation
 - (d) the 'Investigating Officer' means the person who conducted an investigation into any alleged breach of the Code of Conduct and produced the investigation report, being either the Ombudsman (or a person acting on his or her behalf) or the Monitoring Officer or Deputy Monitoring Officer.
 - (dd) an 'investigation report' means a report on the outcome of an investigation into any alleged breach of the Code of Conduct produced either by the Ombudsman under section 71(2) of the Act or by the Monitoring Officer under the Regulations.

 - (ng) 'the Standards Officer' means the officer for the time being appointed by the Council to support the work of the Standards Committee

Summary of the procedure

3. Under section 69 of the Act, the Ombudsman may investigate any alleged breach of the Code of Conduct by members or co-opted members (or former members or co-opted members) of the Council or a community council in the Council's area.
4. Under section 70(4) of the Act, where the Ombudsman ceases such an investigation before it is completed, he or she may refer the matters which are the subject of the investigation to the Monitoring Officer. The Monitoring Officer will then investigate matters in accordance with the Regulations before reporting and, if appropriate, making recommendations to the Standards Committee.
5. Alternatively, under section 71(2) of the Act, where the Ombudsman decides after investigating that it is appropriate, he or she will produce a report on the outcome of the investigation and send it to the Monitoring Officer and the Council's Standards Committee. The Monitoring Officer will then consider the report of the Ombudsman in accordance with the Regulations, before, if appropriate, making recommendations to the Standards Committee.
6. The Standards Committee will then make an initial determination either:
 - (a) that there is no evidence of any failure to comply with the Code of Conduct, or
 - (b) that the Member should be given the opportunity to make representations, either orally or in writing
7. Where the Member is given an opportunity to make representations, the Standards Committee will convene a hearing to consider any response made by the Member and it must determine under regulation 9(1) of the Regulations either that:
 - (a) there is no evidence of any failure to comply with the Code of Conduct and that therefore no action needs to be taken,
 - (b) the Member has failed to comply with the Code of Conduct but that no action needs to be taken in respect of that failure
 - (c) the Member has failed to comply with the Code of Conduct and should be censured, or
 - (ch) the Member has failed to comply with the Code of Conduct and should be suspended or partially suspended from being a member or co-opted member of his/her authority for a period not exceeding six months.

and take any such action accordingly.

Underlying Principles

The Council's Standards Committee will always have in mind that every case is different and requires deciding on its own particular facts and circumstances

Following a finding that the Code of Conduct has been breached, the Committee must exercise its own judgment as to the relevant sanction in line with the nature and impact of the breach, and any other relevant factors. They must also ensure that the sanctions take account of the following underlying principles in order to ensure that their decisions support the overall ambitions of the ethical framework.

Fairness

The Committee should take account and seek to find an appropriate balance between the various interests of the Respondent, the Complainant, other interested parties to a case, the Ombudsman, the authority, the electorate and the wider public.

Public interest

Whilst seeking to ensure that the sanction imposed is appropriate, fair and proportionate to the circumstances of the case, the Committee should consider the reputation of and public confidence in local democracy as more important than the interests of any one individual.

Proportionality

The Committee will take account of the good practice identified in the Ombudsman's Guidance and Code of Conduct Casebook in order to assist their sense of proportionality when determining the sanction appropriate to the scale and/or nature of the breach.

Consistency

The Committee will aim to achieve consistency in their sanctions in order to maintain the credibility of the ethical framework. They will take account of the good practice identified by the Ombudsman in addition to the Sanctions Guidance produced and adopted from time to time by the Adjudication Panel for Wales.

Equality and impartiality

The Committee will maintain in its conduct and the application of this procedure the capacity for objective, independent and impartial decision-making, free from prejudice and partiality, in order to uphold its responsibilities.

Human Rights (Articles 6 and 10)

The Committee must ensure that its processes and practices respect human rights. In particular, tribunals must ensure that they consider the relevance of Articles 6 and 10 of the European Convention on Human Rights in their deliberations. These articles enshrine the right to a fair hearing and freedom of expression.

Investigations by the Monitoring Officer (referrals under section 70(4) of the Act)

8. Where the Ombudsman ceases his or her investigation before it is completed and refers the matters which are the subject of the investigation to the Monitoring Officer under section 70(4) of the Act, the Monitoring Officer must:-
 - (a) conduct an investigation; and
 - (b) report, and if appropriate make recommendations to the Council's Standards Committee
9. The Monitoring Officer will investigate in accordance with the Regulations and may follow such procedures as he or she considers appropriate in the circumstances of the case.

10. After concluding an investigation, the Monitoring Officer must:
 - (a) produce a report on the findings of his or her investigation and, if appropriate, may make recommendations to the Standards Committee,
 - (b) send a copy of the report to the Member, and
 - (c) take reasonable steps to send a copy of the report to the Complainant.
11. The Standards Committee will consider the Monitoring Officer's report and any recommendations in accordance with the procedure set out below.

Investigations by the Ombudsman (referrals under section 71(2) of the Act)

12. Where the Ombudsman completes his or her investigation and sends a report to the Monitoring Officer and the Council's Standards Committee under section 71(2) of the Act, the Monitoring Officer must consider the Ombudsman's report and, if appropriate, make recommendations to the Council's Standards Committee.
13. The Standards Committee will consider the Ombudsman's report together with any recommendations made by the Monitoring Officer in accordance with the procedure set out below.

The first meeting of the Standards Committee – Initial Determination

14. After the Monitoring Officer has:
 - (a) produced an investigation report in accordance with paragraph 10; or
 - (b) considered the Ombudsman's investigation report in accordance with paragraph 12

s/he will arrange for a meeting of the Standards Committee to be convened as soon as possible and for a copy of the investigation report, together with the Monitoring Officer's recommendations (if any), to be sent to each of the members of the Standards Committee.

15. Notice of the time and place of the meeting will be given in accordance with Part VA of the Local Government Act 1972 as amended by the Standards Committees (Wales) Regulations 2001.
16. If the investigation report is produced by the Ombudsman, the Monitoring Officer will advise the Standards Committee. If the investigation report is produced by the Monitoring Officer, the Standards Officer or some other suitably qualified person will advise the Standards Committee.
17. The business of the Standards Committee meeting will be limited to considering the investigation report and the Monitoring Officer's recommendations (if any) and to making an initial determination either:-
 - (a) that there is no evidence of any failure to comply with the Code of Conduct, or
 - (b) that the Member should be given the opportunity to make representations, either orally or in writing in respect of the findings of the investigation and any allegation that he or she has failed, or may have failed, to comply with the Code of Conduct.

After the first meeting of the Standards Committee

18. Where the Standards Committee decides that there is no evidence of any failure to comply with the Code of Conduct, the Standards Officer will accordingly notify the Member, the Complainant and the Ombudsman.
19. Where the Standards Committee decides that the Member should be given the opportunity to make representations, the Standards Officer will notify the Member of the Committee's decision and the procedure which the Committee proposes to adopt to receive and consider any representations that he or she may wish to make.

Preparing for the hearing to consider the Member's representations

20. The Standards Officer, in consultation with the Chair of the Standards Committee, will write to the Member to propose a date for a hearing to consider any representations that the Member may wish to make and to ask the Member to respond in writing within 14 days to confirm whether s/he:
 - (a) is able to attend the hearing
 - (b) wants to make representations, whether orally or in writing and if so, to include any written representations in his or her response
 - (c) disagrees with any of the findings of fact in the investigation report, and if so, which matters he or she disagrees with and the reasons for any disagreements;

 - (e) wants any part of the meeting to be held in private;
 - (f) wants any part of the investigation report or other relevant documents to be withheld from the public
21. The Standards Officer will notify the Investigating Officer of the proposed hearing date and ask whether he or she will be attending the hearing.
22. The Standards Officer will send a copy of the Member's response under paragraph 20 to the Investigating Officer and will ask him/her to confirm in writing within 7 days whether s/he:
 - (a) has any comments on the Member's response
 - (b) wants to be represented at the hearing;
 - (c) wants to call relevant witnesses to give evidence to the Standards Committee;
 - (ch) wants any part of the meeting to be held in private; and
 - (d) wants any part of the investigation report or other relevant documents to be withheld from the public.
23. The Standards Officer will write to the members of the Committee, the Member and the Investigating Officer at least two weeks before the hearing to:

- (a) confirm the date, time and place for the hearing;

Powers of the Standards Committee

- 24. The Standards Committee may, in accordance with the requirements of natural justice, conduct the meeting in the manner it considers most suitable to the clarification of the issues before it and generally to the just handling of the proceedings. It must so far as appears to it appropriate seek to avoid formality and inflexibility in its proceedings. The Standards Committee will decide factual evidence on the balance of probabilities.
- 25. The Member or the Investigating Officer may be represented or accompanied whether or not legally qualified but if in any particular case the Standards Committee is satisfied that there is a good reason, it may refuse to permit a particular person to assist or represent a party at the hearing.
- 26. The Standards Committee may take legal advice from a Council officer appointed for this purpose at any time during the meeting or while they are considering the outcome. The substance of any legal advice given to the Committee will be shared with the Member and the Investigating Officer if they are present.
- 27. Where appropriate, and in accordance with the Regulations, the Standards Committee has power to censure the Member, or suspend or partially suspend the Member for a period not exceeding 6 months.

Procedure at the hearing

- 28. The hearing will be held in public unless the Standards Committee is persuaded that there is a good reason to exclude the public.
- 29. The procedure at the meeting shall be as set out below, subject to the Chair making such changes as he or she thinks fit in order to ensure a fair and efficient hearing.

Introduction

- 30. The Chair of the Standards Committee will introduce those persons present and will explain the manner and order of proceedings

First stage: Preliminary procedural issues

31. The Standards Committee will then resolve any issues or disagreements about how the hearing should continue, which have not been resolved during the pre-hearing process.

Second stage: Making findings of fact

32. The Standards Committee will then consider whether or not there are any significant disagreements about the facts contained in the investigation report.
33. If there is a disagreement as to the facts:-
- (a) the Investigating Officer, if present, will be invited to make any necessary representations to support the relevant findings of fact in the investigation report.
 - (b) the Investigating Officer may call any necessary supporting witnesses to give evidence, with the Standards Committee's permission and the Committee shall give the Member an opportunity to challenge any evidence put forward by any witness called by the Investigating Officer.
 - (c) the Member will then be invited to make representations to support his or her version of the facts.
 - (ch) the Member may call any necessary witnesses to give evidence, with the Standards Committee's permission and the Committee shall give the Investigating Officer an opportunity to challenge any evidence put forward by any witness called by the Member.
34. At any time, the Standards Committee may question any of the people involved or any of the witnesses.
35. If the Member disagrees with any relevant fact in the investigation report, without having given prior notice of the disagreement, he or she must give good reasons for not mentioning it before the hearing. If the Investigating Officer is not present, the Standards Committee will consider whether or not it would be in the public interest to continue in his or her absence. After considering the Member's explanation for not raising the issue at an earlier stage, the Committee may then:
- (a) continue with the hearing, relying on the information in the investigation report
 - (b) allow the Member to make representations about the issue, and invite the Investigating Officer to respond and call any witnesses, as necessary; or
 - (c) postpone the hearing to arrange for appropriate witnesses to be present, or for the Investigating Officer to be present if he or she is not already.
36. At the conclusion of the representations as to matters of fact, the Standards Committee will retire to deliberate in private on the representations, after which the Chair of the Standards Committee will announce their findings of fact.

Third stage: Deciding whether the Member has failed to comply with the Code

37. The Standards Committee will then consider whether, based on the facts it has found, the Member has failed to comply with the Code.

38. The Standards Committee will invite the Investigating Officer to make representations as to whether or not, based on the facts the Committee has found, the Member has failed to comply with the Code of Conduct.
39. The Standards Committee will invite the Member to respond to the representations of the Investigating Officer and to make representations as to whether or not, based on the facts the Committee has found, he or she has failed to comply with the Code of Conduct.
40. The Standards Committee may, at any time, question anyone involved on any point they raise in their representations.
41. The Member will be invited to make any final relevant points.
42. The Standards Committee will retire to deliberate in private on the representations and decide whether or not the Member has failed to comply with the Code of Conduct, after which the Chair of the Standards Committee will announce their findings.

Fourth stage: Action to be taken

43. If the Standards Committee decides that the Member has not failed to comply with the Code of Conduct, it will formally record that there is no evidence of any failure by the Member to comply with the Code of Conduct and that therefore no action needs to be taken.
44. If the Standards Committee decides that the Member has failed to comply with the Code of Conduct it will invite the Member and the Investigating Officer to make representations as to:
 - (a) whether or not the Committee should apply a sanction; and
 - (b) what form any sanction should take.
45. The Standards Committee will retire to deliberate in private on the representations and decide either that:
 - (a) no action needs to be taken in respect of the failure to comply with the Code of Conduct,
 - (b) the Member should be censured or
 - (c) the Member should be suspended or partially suspended from being a member or co-opted member of his or her authority for a period not exceeding six months,
 after which the Chair of the Standards Committee will announce their decision.
46. As part of its deliberations the Committee will have regard to the Sanctions Guidance published and adopted from time to time by the Adjudication Panel for Wales.

The Committee will follow a five step process in determining sanction:

- 1 assess the seriousness of the breach and any consequences for individuals and/or the council
- 2 identify the broad type of sanction that the Committee considers most likely to be appropriate having regard to the breach;

- 3 consider any relevant mitigating or aggravating circumstances and how these might affect the level of sanction under consideration;
- 4 consider any further adjustment necessary to ensure the sanction achieves an appropriate effect in terms of fulfilling the purposes of the sanctions;
- 5 confirm the decision on sanction and include, within the written decision, an explanation of the Committee's reasons for determining the chosen sanction in order to enable the parties and the public to understand its conclusions. .

Failure to make representations / attend the hearing

47. If the Member fails to make representations, the Standards Committee may:

- (a) unless it is satisfied that there is sufficient reason for such failure, consider the investigation report and make a determination in the Member's absence; or
- (b) give the Member a further opportunity to make representations

48. If a party fails to be present or represented at a hearing, the Standards Committee may, if it is satisfied that the party was duly notified of the hearing and that there is no good reason for such absence -

- (a) hear and decide the matter in the party's absence; or
- (b) adjourn the hearing.

Illness or incapacity

49. If the Standards Committee is satisfied that any party is unable, through physical or mental sickness or impairment, to attend the hearing and that the party's inability is likely to continue for a long time, the Standards Committee may make such arrangements as may appear best suited, in all the circumstances of the case, for disposing fairly of the matter.

Suspension

50. A period of suspension or partial suspension will commence on the day after:

- (a) the expiry of the time allowed to lodge a notice of appeal to an appeals tribunal under the Regulations (i.e. within 21 days of receiving notification of the Standards Committee's determination);
- (b) receipt of notification of the conclusion of any appeal in accordance with the Regulations;
- (c) a further determination by the Standards Committee made after receiving a recommendation from an appeals tribunal under the Regulations,

whichever occurs last.

Referral by an Appeals Tribunal

51. Where the Standards Committee determines that the Member has failed to comply with the Code of Conduct, the Member may appeal against the determination to an appeals tribunal drawn from the Adjudication Panel for Wales.
52. An appeals tribunal may endorse the decision of the Standards Committee, refer a matter back to it recommending it impose a different penalty, or overturn the decision.
53. If:
 - (a) the Standards Committee determines that the Member failed to comply with the Code of Conduct;
 - (b) the Member appeals to an appeals tribunal drawn from the Adjudication Panel for Wales; and
 - (c) the said tribunal refers the matter back to the Standards Committee with a recommendation that a different penalty be imposed,

the Standards Committee shall meet as soon as reasonably practicable to consider the recommendation of the appeals tribunal and will determine whether or not it should uphold its original determination or accept the recommendation.

54. After making its determination the Standards Committee will instruct the Standards Officer to confirm the decision and the reasons for the decision in writing and to send a copy of the written decision to the Member, the Complainant, the Ombudsman and the president of the Adjudication Panel for Wales as soon as reasonably practicable.

Publication of the Standards Committee's report

55. The Standards Committee will cause to be produced within 14 days after:
 - (a) the expiry of the time allowed to lodge a notice of appeal under the Regulations, or
 - (b) receipt of notification of the conclusion of any appeal in accordance with the Regulations, or
 - (c) a further determination by the Standards Committee made after receiving a recommendation from an appeals tribunal under the Regulations,

CODE OF CONDUCT

Introduction

The public is entitled to expect the highest standards of conduct from all employees who work for local government. This Code outlines existing laws, regulations and conditions of service and provides further guidance to assist local authorities and their employees in their day-to-day work. The Code is produced in the light of the challenges that employees face in the new and more commercially orientated environment. This includes the introduction of Best Value market testing, changes in the management of the education and housing services, care in the community, management, buyouts, etc.

Status of the Code

The Code is voluntary for local authorities to adopt but sets out the minimum standards that should apply. The aim of the Code is to lay down guidelines for local government employees which will help maintain and improve standards and protect employees from misunderstanding or criticism.

The Code has been approved by the local authority associations in England and Wales and the former Local Government Management Board (now I&DeA and Syniad); in consultation with those bodies listed in Appendix A. The Code has been formally adopted by Denbighshire County Council.

Section 2 Part 2 of the current National Agreement on Pay and Conditions of Service (i.e. Green Book) relates to Official Conduct. It provides for local 'Codes of Practice' to be developed.

When this 'Code of Conduct' was developed and jointly agreed the earlier Schemes and Conditions of Service applied (i.e. Purple and White books etc.) and certain references within this document relate to these earlier schemes.

Who the Code is Aimed At

The Code applies to all Denbighshire County Council employees.

Inevitably some of the issues covered by the Code will affect senior managerial and professional employees more than it will others. The Code is intended to cover all employees under a contract of employment within local government, including office holders such as registrars. Activities carried out by employees acting as members of companies or voluntary organisations should be subject to the minimum standards within this Code.

1. Standards

- 1.1 Local government employees are expected to give the highest possible standard of service to the public, and where it is part of their duties, to provide appropriate advice to councillors and fellow employees with impartiality. Employees will be expected, through agreed procedures and without fear or recrimination, to bring to the attention of the appropriate level of management any deficiency in the provision of the service. Employees must report in writing to their Director any impropriety or breach of procedure. The Director will ensure that details are recorded in the 'Code of Conduct Register.'

2. Disclosure of Information

- 2.1 It is generally accepted that open government is best. The law requires that certain types of information must be available to members, auditors, government departments, service users and the public. The authority itself may decide to be open about other types of information. Employees must be aware of which information their authority is and is not open about, and act accordingly.
- 2.2 Employees should not use any information obtained in the course of their employment for personal gain or benefit, nor should they pass it on to others who might use it in such a way. Any particular information received by an employee from a councillor which is personal to that councillor and does not belong to the authority should not be divulged by the employee without the prior approval of that councillor, except where such a disclosure is required or sanctioned by the law.

3. Political Neutrality

- 3.1 Employees serve the authority as a whole. It follows they must serve all councillors and not just those of the controlling group, and must ensure that the individual rights of all councillors are respected.
- 3.2 Subject to the authority's conventions, employees may also be required to advise political groups. They must do so in ways which do not compromise their political neutrality.
- 3.3 Employees, whether or not politically restricted, must follow every lawful expressed policy of the authority and must not allow their own personal or political opinions to interfere with their work.
- 3.4 Political assistants appointed on fixed term contracts in accordance with the Local Government and Housing Act 1989 are exempt from the standards set in paragraphs 3.1 to 3.3.

4. Relationships

- 4.1 **Councillors**
Employees are responsible to the authority through its senior managers. For some, their role is to give advice to councillors and senior managers and all are there to carry out the authority's work. Mutual respect between employees and councillors is essential to good local government. Close personal familiarity between employees and individual councillors can damage the relationship and prove embarrassing to other employees and councillors and should therefore be avoided.
- 4.2 **The Local Community and Service Users**
Employees should always remember their responsibilities to the community they serve and ensure courteous, efficient and impartial service delivery to all groups and individuals within that community as defined by the policies of the authority.
- 4.3 **Contractors**
All relationships of a business or private nature with external contractors, or potential contractors, should be made known to the appropriate Director, who will ensure that details are recorded in

the Code of Conduct Register. Orders and contracts must be awarded on merit, by fair competition against other tenders, and no special favour should be shown to businesses run by, for example, friends, partners or relatives in the tendering process. No part of the local community should be discriminated against.

- 4.4 Employees who engage or supervise contractors or have any other official relationship with contractors and have previously had or currently have a relationship in a private or domestic capacity with contractors, should declare that relationship in writing to their Director. Details will be recorded in the Code of Conduct Register.

5. Appointment and Other Employment Matters

- 5.1 Employees involved in appointments must ensure that these are made on the basis of merit. It would be unlawful for an employee to make an appointment which was based on anything other than the ability of the candidate to undertake the duties of the post. In order to avoid any possible accusation of bias, employees must not be involved in an appointment where they are related to an applicant, or have a close personal relationship outside work with him or her.
- 5.2 Similarly, employees must not be involved in decisions relating to discipline, promotion or pay adjustments for any other employee who is a relative, partner etc.

6. Outside Commitments

- 6.1 Some employees have conditions of service which require them to obtain written consent to take any outside employment. All employees should be clear about their contractual obligations and should not take outside employment which conflicts with the authority's interests.
- 6.2 Employees should follow their authority's rules on the ownership of intellectual property or copyright created during their employment.

7. Personal Interests

- 7.1 Employees must inform their Director, in writing of any non-financial interests that they consider could bring about conflict with the authority's interests.
- 7.2 Employees must inform their Director, in writing of any financial interests which could conflict with the authority's interests.
- 7.3 Employees must inform the Director, in writing of membership of any organisation not open to the public without formal membership and commitment of allegiance and which has secrecy about rules or membership or conduct.
- 7.4 The Director will arrange for all such Personal Interest information to be recorded in the Code of Conduct Register.

8. Equality Issues

- 8.1 All Denbighshire County Council employees should ensure that policies relating to equality issues as agreed by the authority are complied with in addition to the requirements of the law. All members of the local community, customers and other employees have a right to be treated with fairness and equity.

9. Separation of Roles During Tendering

- 9.1 Employees involved in the tendering process and dealing with contractors should be clear on the separation of client and contractor roles within the authority. Senior employees who have both a client and contractor responsibility must be aware of the need for accountability and openness.
- 9.2 Employees in contractor or client units must exercise fairness and impartiality when dealing with all customers, suppliers, other contractors and sub-contractors.
- 9.3 Employees who are privy to confidential information on tenders or costs for either internal or external contractors must not disclose that information to any unauthorised party or organisation.
- 9.4 Employees contemplating a management buyout should, as soon as they have formed a definite intent, inform their Director in writing and withdraw from the contract awarding process. Details will be recorded in the Code of Conduct Register.
- 9.5 Employees should ensure that no special favour is shown to current or recent former employees or their partners, close relatives or associates in awarding contracts to businesses run by them or employing them in a senior or relevant managerial capacity.

10. Corruption

- 10.1 Employees must be aware that it is a serious criminal offence for them corruptly to receive or give any gift, loan, fee, reward or advantage for doing, or not doing, anything or showing favour, or disfavour, to any person in their official capacity. If an allegation is made it is for the employee to demonstrate that any such rewards have not been corruptly obtained.

11. Use of Financial Resources

- 11.1 Employees must ensure that they use public funds entrusted to them in a responsible and lawful manner. They should strive to ensure value for money to the local community and to avoid legal challenge to the authority.

12. Hospitality

- 12.1 Employees should only accept offers of hospitality if there is a genuine need to impart information or represent the local authority in the community. Offers to attend purely social or sporting functions should be accepted only when these are part of the life of the community or where the authority should be seen to be represented. They should be properly authorised in writing by their Director, details will be recorded in the Code of Conduct Register.
- 12.2 When hospitality has to be declined those making the offer should be courteously but firmly informed of the procedures and standards operating within the authority. Copies of any

correspondence should be provided to the appropriate Director and details recorded in the Code of Conduct Register.

- 12.3 Employees should not accept significant personal gifts from contractors and outside suppliers, although the authority may wish to allow employees to keep insignificant items of token value such as pens, diaries etc.
- 12.4 When receiving authorised hospitality employees should be particularly sensitive as to its timing in relation to decisions which the authority may be taking affecting those providing the hospitality.
- 12.5 Acceptance by employees of hospitality through attendance at relevant conferences and courses is acceptable where it is clear the hospitality is corporate rather than personal where the authority gives consent in advance and where the authority is satisfied that any purchasing decisions are not compromised. Where visits to inspect equipment, etc. are required, employees must ensure that authorities meet the cost of such visits to avoid jeopardising the integrity of subsequent purchasing decisions.

13. Sponsorship: Giving and Receiving

- 13.1 Where an outside organisation wishes to sponsor or is seeking to sponsor a local government activity, whether by invitation, tender, negotiation or voluntarily, the basic conventions concerning acceptance of gifts or hospitality apply. Particular care must be taken when dealing with contractors or potential contractors.
- 13.2 Where the authority wishes to sponsor an event or service, neither an employee nor any partner, spouse or civil partner or relative must benefit from such sponsorship in a direct way without there being full disclosure to the appropriate Director of any such interest. Such disclosures will be recorded in the Code of Conduct Register. Similarly, where the authority through sponsorship, grant aid, financial or other means, gives support in the community, employees must ensure that impartial advice is given and that there is no conflict of interest involved.

14. Code of Conduct Register

- 14.1 The Chief Executive (or his nominee) will maintain a 'Code of Conduct' Register. Entries in the register will only be used in the legitimate interests of Denbighshire County Council.
- 14.2 To enable the Code of Conduct Register to be maintained, Directors will ensure that copies of all appropriate correspondence are provided to the Chief Executive.

APPENDIX B

GENERAL GUIDANCE

It is appreciated that the relevant provisions in legislation, national agreements, etc., will be familiar to many employees. To assist in the application of this code, advisory points and some primary sources are summarised below.

1. Standards

Authorities should consider setting up local procedures for employees to report unlawfulness or maladministration to the authority's monitoring officer or an appropriate manager designated by the authority. This may allow resolution within the authority.

Paragraph 70 of the Purple Book said:

"(a) The public is entitled to demand of a local government officer conduct of the highest standard and public confidence in his integrity would be shaken were the least suspicion to arise that he could in any way be influenced by improper motives."

Similar provisions are incorporated in the national conditions of service of chief officers

2. Disclosure of Information

In certain circumstances employees may have a legal or professional duty to disclose information to a third party (for example, in the course of legal proceedings).

The authority should therefore make clear to employees:

- ◆ the types of information which must be made available, and to whom
- ◆ the types of information which the authority has voluntarily made open, and to whom
- ◆ the types of information which the authority does not wish to be disclosed without specific Permission.

Paragraph 72 of the Purple Book specified that:

"No officer shall communicate to the public the proceedings of any committee meeting, etc., nor the content of any document relating to the authority unless required by law or expressly authorised to do so."

The Local Government Act 1972, s100 deals with the admission of the public and press to local authority committee meetings.

The Local Government Planning and Land Act 1980 s2 requires local authorities to publish certain categories of information in accordance with codes of recommended practice and any statutory regulations made by the Secretary of State (s3). This includes (s3(5)) information about the number of their employees or the number of any description of their employees.

Local Government (Publication of Manpower Information) (England) Regulations 1983 covers the English authorities.

Local Government (Access to Information) Act 1985 requires a principal council to maintain a list, open to public inspection, specifying those powers of the authority which are exercisable from time to time by officers of the authority in pursuance of its duties under statutory powers. Any person having custody of documents to which right of access applies would commit an offence by obstructing that right.

3. Political Neutrality

Every local authority should produce its own guidelines on the circumstances in which employees may advise political groups and whether such advice is confidential to that group.

The Local Government and Housing Act 1989, Pt1 contains provisions to stop 'twin-tracking' (where a senior local authority employee is also an elected member of another local authority) and to restrict the political activity of senior employees. Local authority employees holding politically restricted posts are disqualified from membership of any local authority, other than a parish or community council (s1(1)), from being an MP or MEP and are subject to prescribed restrictions on their political activity (s1(5), (6)).

The Local Government Officers (Political Restriction) Regulations 1990 and the Local Government (Politically Restricted Posts) (No.2) Regulations 1990 covers the posts which are politically restricted. These are:

- (a) Specified posts, such as the head of paid service and the monitoring officer. Chief Officers and their deputies are restricted without exemption or appeal;
- (b) all posts which reach or exceed a prescribed remuneration ceiling. These posts are automatically included on a list which employing authorities are under a duty to prepare unless exemption for individuals are granted;
- (c) all posts which meet the duties-related criteria for determining a 'sensitive' post, irrespective of remuneration level, unless the post holder appeals successfully against determination. These posts are defined as those which (i) give advice on a regular basis to the employing authority, to any committee or sub-committee or another joint committee on which the authority is represented (but excluding purely factual information) or (ii) speak on behalf of the authority on a regular basis to journalists and broadcasters.

The political restrictions are deemed to be incorporated in the contract of employment of every local authority employee who holds a politically restricted post.

4. Relationships

The Local Government and Housing Act 1989 s.31 has given statutory status to the National Code of Local Government Conduct (for the guidance of councillors of local authorities). The

Code includes within paragraph 23-25 the following statements as to the role of councillors in relation to officers:

- 23 "Both councillors and officers are servants of the public, and they are indispensable to one another. But their responsibilities are distinct. Councillors are responsible to the electorate and serve only so long as their term of office lasts. Officers are responsible to the council. Their job is to give advice to councillors and their council, and to carry out the council's work under the direction and control of the council, their committees and sub-committees.
- 24 Mutual respect between councillors and officers is essential to good local government. Close personal familiarity between individual councillors and officers can damage the relationship and prove embarrassing to other councillors and officers.
- 25 The law and standing orders lay down rules for appointment, discipline and dismissal of staff. You must ensure that you observe these scrupulously at all times. Special rules apply to the appointment of assistants to political groups. In all other circumstances, if you are called upon to take part in appointing an officer, the only question you should consider is which candidate would best serve the whole council. You should not let your political or personal preferences influence your judgement. You should not canvass the support of colleagues for any candidate and you should resist any attempt by others to canvass yours."

"Every candidate for any appointment under the employing authority shall, when making an application, disclose in writing to the Chief Executive of the authority whether to his knowledge he is related to any member of the authority or to a holder of any senior office under the authority.

5. Appointment and Other Employment Matters

Purple Book, Section 1, Paragraph 6(a) sai :

Deliberate omission to make such a disclosure will disqualify the candidate, and if the omission is discovered after appointment he shall be liable to dismissal. Every member and senior officer of the authority shall similarly disclose to the authority any relationship known to him to exist between himself and a candidate for an appointment of which he is aware. It shall be the duty of the Chief Executive to the authority to report to the authority or appropriate committee any such disclosure made to him."

The Local Authorities (Standing Orders) Regulations 1993 also prescribe the procedure to be followed in respect of the appointment of chief officers and their dismissal in the event of misconduct.

See also *Paragraph 12(a) The Purple Book and Section 7, Local Government and Housing Act 1989* for appointment on merit.

6. Outside Commitments

It is recommended that authorities should stress to employees of all grades that they should not undertake outside work if their official duties overlap in some way with their proposed work, if it causes a conflict of interest, or if it makes use of material to which the employee has access by virtue of his or her own position (for example, an architect or planner who draws up plans within his or her own authority for an applicant for planning consent). It is irrelevant whether or not the work is paid."

Purple Book, Section 7, Paragraph 70(b) said:

"An officer's off-duty hours are his personal concern but he should not subordinate his duty to his private interests to put himself in a position where his duty and his private interests conflict. The employing authority should not attempt to preclude officers from undertaking additional employment, but any such employment must not, in the view of the authority, conflict with or react detrimentally to the authority's interests, or in any way weaken public confidence in the conduct of the authority's business."

The national conditions of service for chief officers and those for chief executives also mirror the above points.

Purple Book, Section 7, Paragraph 71 said:

"Officers above Scale 6 shall devote their whole-time service to the work of their council and shall not engage in any other business or take up any other additional appointment without the express consent of the council." Where employees are not covered by the provisions of the national conditions they should adhere to the principles outlined above. Local authorities may wish to specify that no outside work of any sort should be undertaken in the office, and use of facilities, e.g. telephones, or access to typists should be forbidden. Employees should also be instructed that correspondence and incoming telephone calls related to outside work are not allowed.

The procedures for seeking permission in such circumstances should be made clear. Intellectual Property is a generic term that includes inventions, creative writings and drawings. If these are created by the employee during the course of employment, then as a general rule they belong to the employer. However, various Acts of Parliament cover different types of intellectual property.

Increasingly the local government world is moving towards new forms of employee contracts. Many employees, including professionals, may be working for several employers part-time or are subject to dual employment conditions. Authorities should therefore produce guidelines designed to safeguard copyright and intellectual rights created during employment.

Inventions and Patents

Inventions made before 1st June 1978 are the property of the employer if made in the course of that employer's employment. However, the Patents Act 1977 states that after 1st June 1978 inventions are only the property of the employer if:

- ♦ they have been made in the course of the employee's normal duties; or
- ♦ they have been made in the course of duties specifically assigned to the employee and where invention might be reasonably expected; or
- ♦ it was made in the course of the employee's duties and at the time the employee had (because of the nature of his or her duties and particular responsibilities arising from them) a special obligation to further the interests of the employer.

It is therefore important in any contract to set out what an employee's 'normal duties' are.

7. Personal Interests

Authorities should ensure that all employees disclose any personal interests that they feel conflicts with the authority's interests (e.g. acting as a school governor within schools maintained by the authority, involvement with an organisation receiving grant aid from the authority, membership of a National Health Service Trust Board, involvement with an organisation or pressure group which may seek to influence their authority's policies). This should be undertaken in the light of the guidance given within the Code. It is also recommended that authorities provide a mechanism for employees to declare any membership of secret societies. Authorities may also consider addressing this issue during the recruitment process

The following definition of what constitutes a secret society was used by the working group responsible for drafting the Code. Local authorities may also find it helpful:-

'Any lodge, chapter, society, trust or regular gathering or meeting, which:

- (a) is not open to members of the public who are not members of that lodge, chapter, society or trust
- (b) includes in the grant of membership an obligation on the part of the member a requirement to make a commitment (whether by oath or otherwise) of allegiance to the lodge, chapter, society, gathering or meeting; and

- (c) includes, whether initially or subsequently, a commitment (whether by oath or otherwise) of secrecy about the rules, membership or conduct of the lodge, chapter, society, trust, gathering or meeting.

A lodge, chapter, society, trust, gathering or meeting as defined above, should not be regarded as a secret society if it forms part of the activity of a generally recognised religion.

8. Equality Issues

Authorities should set their own policies relating to equality issues. Employees should be made aware of provisions and their responsibilities under the Sex Discrimination Act 1975 and the Race Relations Act 1976 and the Disabled Persons (Employment) Act 1944 (as amended).

9. Separation of Roles During Tendering

The internal arrangements for the client and contractor functions require special consideration. The tendering process should be open and above board. Local authorities should have their own internal procedures in place in order to resolve any conflict that may arise.

[See also the *Local Government (Direct Service Organisation) (Consultation) Regulation 1993 - Section 4 (2) (3)*].

10. Corruption

As a general rule, the procedures by which authorities select developers or consultants for schemes and for the supply of goods should be clearly defined and publicly known.

Local Government Act 1972 s117 - Pecuniary Interests - provides that if an officer knows that a contract in which he has a pecuniary interest is before the local authority, he must give notice of his interest to the authority. This does not, of course, apply to a contract with him in his own name because the authority will then know of his interest. Section 117(2) forbids an officer "under colour of his office or employment" to accept "any fee or reward" whatsoever other than proper remuneration.

(See also *Purple Book Section 7, Paragraph 73* which states that the nature of the employee's involvement must be set out in writing at the earliest opportunity).

Prevention of Corruption Acts 1906 and 1916 says about acceptance of gifts by way of inducements or rewards:

- (a) Under the *Prevention of Corruption Acts, 1906 and 1916*, it is an offence for employees corruptly to accept any gifts or consideration as an inducement or reward for:
- ◆ doing, or refraining from doing, anything in their official capacity; or
 - ◆ showing favour or disfavour to any person in their official capacity.

- (b) Under the *Prevention of Corruption Act 1916*, any money, gift or consideration received by an employee in public service from a person or organisation holding or seeking to obtain a contract will be deemed by the courts to have been received corruptly unless the employee proves to the contrary.

(See also *Public Bodies Corrupt Practices Act 1889*).

11. Use of Financial Resources

Many authorities will have financial regulations to safeguard their assets and use of resources. Compliance with these are essential for all employees involved in the use or collection of public funds. Therefore authorities need to ensure that employees have a clear understanding of the law which governs their service. Authorities also need to ensure that employees who have concerns over the lawfulness of certain actions have an appropriate internal mechanism to express such concerns.

12. Hospitality, Gifts and Sponsorship

Authorities should ensure that where the authority is engaged in a partnership agreement with a private sector company, employees observe guidance on such relationships as laid down by the local authority.

The authority should specify the level of hospitality and gifts of token value that would be acceptable and set out standards for sponsorship deals. Contract regulations should require tender documents specifically to prohibit gifts and corrupt practices.

- 5.2.2** In addition the provisions of the National Assembly for Wales Code of Conduct for Local Government Employees are deemed to be incorporated into the terms of appointment or conditions of employment of staff.

CODE OF CONDUCT FOR QUALIFYING EMPLOYEES OF RELEVANT AUTHORITIES IN WALES

General Principles

1. The public is entitled to expect the highest standards of conduct from all qualifying employees of relevant authorities. The role of such employees is to serve their employing authority in providing advice, implementing its policies, and delivering services to the local community. In performing their duties, they must act with integrity, honesty, impartiality and objectivity.

Accountability

2. Qualifying employees of relevant authorities work for their employing authority and serve the whole of that authority. They are accountable to, and owe a duty to that authority. They must act in accordance with the principles set out in this Code, recognising the duty of all public sector employees to discharge public functions reasonably and according to the law.

Political Neutrality

3. Qualifying employees of relevant authorities, whether or not politically restricted, must follow every lawfully expressed policy of the authority and must not allow their own personal or political opinions to interfere with their work. Where qualifying employees are politically restricted (by reason of the post they hold, the nature of the work they do, or the salary they are paid), they must comply with any statutory restrictions on their political activities.

Relations with members, the public and other employees

4. Mutual respect between qualifying employees and members is essential to good local government, and working relationships should be kept on a professional basis.
5. Qualifying employees of relevant authorities should deal with the public, members and other employees sympathetically, efficiently, and without bias.

Equality

6. Qualifying employees of relevant authorities must comply with policies relating to equality issues, as agreed by the authority, in addition to the requirements of the law.

Stewardship

7. Qualifying employees of relevant authorities must ensure that they use public funds entrusted to them in a responsible and lawful manner, and must not utilise property, vehicles or other facilities of the authority for personal use unless authorised to do so.

Personal Interests

8. Whilst qualifying employees' private lives are their own concern, they must not allow their private interests to conflict with their public duty. They must not misuse their official position or information acquired in the course of their employment to further their private interests, or the interests of others. In particular, they must comply with:
 - (1) any rules of their relevant authority on the registration and declaration by employees of financial and non - financial interests,
 - (2) any rules of their relevant authority on the declaration by employees of hospitality or gifts offered to or received by them, from any person or organisation doing or seeking to do business, or otherwise benefiting or seeking to benefit from a relationship with the authority. Qualifying employees must not accept benefits from a third party unless authorised to do so by their relevant authority.

Whistleblowing

9. In the event that a qualifying employee becomes aware of activities which that employee believes to be illegal, improper, unethical or otherwise inconsistent with this Code, the employee should report the matter, acting in accordance with the employee's rights under the Public Interest Disclosure Act 1998, and with the relevant authority's confidential reporting procedure, or any other procedure designed for this purpose.

Treatment of Information

10. Openness in the dissemination of information and decision making should be the norm in relevant authorities. However, certain information may be confidential or sensitive and therefore not appropriate for a wide audience. Where confidentiality is necessary to protect the privacy or other rights of individuals or bodies, information should not be released to anyone other than a member, relevant authority employee or other person who is entitled to receive it, or needs to have access to it for the proper discharge of their functions. Nothing in this Code can be taken as overriding existing statutory or common law obligations to keep certain information confidential, or to divulge certain information.

Appointment of Staff

11. Qualifying employees of relevant authorities involved in the recruitment and appointment of staff must ensure that appointments are made on the basis of merit. In order to avoid any possible accusation of bias, such employees must not be involved in any appointment, or any other decisions relating to discipline, promotion or pay and conditions for any other employee, or prospective employee, to whom they are related, or with whom they have a close personal relationship outside work.

Investigations by Monitoring Officers

12. Where a monitoring officer is undertaking an investigation in accordance with regulations made under section 73(1) of the Local Government Act 2000 a qualifying employee must comply with any requirement made by that monitoring officer in connection with such an investigation.

18.3 PROTOCOL FOR MEMBER / OFFICER RELATIONS

1. Introduction

- 1.1. The purpose of this protocol is to guide Members and Officers of the Council in their relations with one another and to promote the high standards in public office which are essential for successful local government.
- 1.2. This protocol seeks to offer guidance on some of the issues which most commonly arise. It is hoped, however, that the approach which it adopts to these issues will serve as a guide to dealing with other issues.
- 1.3. This protocol seeks to promote greater clarity and certainty. If it is followed it should ensure that Members receive objective and impartial advice and that Officers are protected from accusations of bias and undue influence.

2. Principles

2.1 This Protocol is based on the following principles:-

- An understanding by both Members and Officers of the requirements of each other's functions.
- Mutual respect for each other's time and priorities.
- Courtesy and sensitivity at all times.
- Honesty and integrity in all dealings to foster co-operation and trust.
- Professional and cordial relationships avoiding over familiarity

2.2 It also seeks to reflect the principles underlying the respective Codes of Conduct which apply to Members and Officers. The shared object of these codes is to enhance and maintain the integrity (real and perceived) of local government and the Codes therefore demand very high standards of personal conduct.

2.3 The Council's Code of Conduct for Members states at paragraph 4:-

'You must -

- a) carry out your duties and responsibilities with due regard to the principle that there should be equality of opportunity for all people, regardless of their gender, race, disability, sexual orientation, age or religion.
- b) show respect and consideration for others
- c) not use bullying behaviour or harass any person, and
- d) not do anything which compromises or which is likely to compromise, the impartiality of those who work for, or on behalf of, your authority'.

2.4 The statutory Code of Conduct for Officers which is incorporated in their conditions of employment, states:-

'Mutual respect between qualifying employees and members is essential to good local government and working relationships should be kept on a professional basis'.

'Qualifying employees of relevant authorities should deal with the public, members and other employees sympathetically, efficiently and without bias'.

3. Roles and Responsibilities

3.1 Local authority Officers are employed by and are responsible to the Council as a whole. They owe a duty to each and every Member and not to a political group, even if it is in a majority. They also have a wider duty to the public as a whole.

3.2 In carrying out their duties, Officers have the right to expect from Members:

- Respect for officer neutrality
- Respect for their person
- An understanding of their roles and workloads when making requests for assistance
- Reasonable standards of courtesy
- Respect for confidential advice and guidance.

3.3 Members undertake many different roles. Broadly these are:

- Members are involved in scrutinising decisions and holding decision makers to account on behalf of their communities.
- Members represent their electoral division and are advocates for the citizens who live in the area.
- Members are involved in active partnerships with other organisations as community leaders.
- Members contribute to the decisions taken in Full Council and in its various bodies on which they serve, as well as joint committees, outside bodies and partnership organisations.
- Members help develop and review policy and strategy.
- Members monitor and review policy implementation and service quality.
- Members are involved in quasi-judicial work through their Membership of regulatory committees.
- Members express political values and support the policies of the party or group to which they belong (if any).

3.4 In carrying out their duties Members will be supported by Officers and have the right to expect from them:

- Full, impartial advice and information.
- Accurate, well written advice in concise and easily understood formats and language to enable decisions to be taken, the decision maker(s) to be held to account and information be provided to advise individual people with enquiries, problems or grievances.
- For the above to be provided in the Member's preferred language of communication.

- Respect for their person.
- Respect for the confidential nature of information and views.

4. The Relationship

- 4.1 Mutual respect is essential to good local government. Officers and Members should have good working relationships, whilst being aware that close personal relationships can damage this relationship and prove embarrassing for other Officers and Members.
- 4.2 Members should not put officers under inappropriate pressure to act in accordance with the Member's wishes.
- 4.3 Officers must at all times feel free to offer professional opinion and advice which may be contrary to the opinion of the Member.
- 4.4 It is not acceptable for a Member to bully or harass an Officer. Any action against an Officer would be considered as bullying or harassing if the intention was to improperly or unfairly influence the Officer's opinion or actions.
- 4.5 It is not appropriate for Members to raise matters relating to conduct and capability of any Officer publicly in a meeting, the press, or by other means e.g. e-mail or internet. Members should use the Council's internal procedures to resolve such issues. For the avoidance of doubt Members who are unable to resolve differences in an appropriate manner with the Officer concerned should raise the matter with the Officer's Head of Service or Corporate Director. If the Member remains dissatisfied with the response received the Chief Executive should be advised.
- 4.6 Other than when carrying out statutory functions in respect of Members' conduct, Officers should not raise matters publicly relating to the conduct or capability of any Member either at a meeting, in the press or by other means e.g. e-mail, internet or social media.
- 4.7 'Publicly' includes in this context e-mailing large groups of people on the Council's internal e-mail system e.g. all Councillors.

5 Relationships between Officers, Chairs and Cabinet Members

- 5.1 It is clearly important that there should be a close working relationship between Cabinet Members and the Director, Head of Service, any other senior officers of those services which fall under a Cabinet Member's portfolio. However, such relationships should never be allowed to become so close, or appear to be so close, as to bring into question the Officer's ability to deal impartially with other Members or political groups.
- 5.2 Whilst the Chair of a committee or Lead Member will routinely be consulted as part of the process of drawing up the agenda for a forthcoming meeting, it must be recognised that in certain circumstances the Chief Executive, Corporate Director or Head of Service will be under a duty to submit a report on a particular matter.
- 5.3 Whilst it is the duty of officers to assist the Cabinet in the delivery of its responsibilities it is necessary for the Leader and Cabinet to observe the independence of the management function of the authority from the decision making function.

- 5.4 Whilst Officers should always seek to assist any Member in discharging their responsibilities, the Officer must not in doing so, go beyond the bounds of whatever authority they have been given by their Head of Service.
- 5.5 A Corporate Director, Head of Service or Lead Member will always be fully responsible for the contents of any report submitted in his/her name. Officers writing reports on behalf of Lead Members will always consult the Lead Member on the content of the report.

6 Officer advice to political groups

- 6.1 Directors or Heads of Service may properly be called upon to advise the chairs or spokespersons of political groups, but they should attend group meetings only in exceptional circumstances and in such a case the other political groups should be informed of the advice given.
- 6.2 Certain points must be clearly understood by all those participating in this type of process, Members and Officers alike. In particular:-
- Officer support in these circumstances must not extend beyond providing information and advice in relation to matters of Council business. Officers must not be involved in advising on matters of political group business;
 - political group meetings are not empowered to make decisions on behalf of the Council. Conclusions reached at such meetings do not rank as Council decisions and it is essential that they are not interpreted or acted upon as such; and
 - similarly, where Officers provide information and advice to the chair or spokesperson of a political group in relation to a matter of Council business, this cannot act as a substitute for providing all necessary information and advice to Members when the matter in question is considered by a decision making body.
- 6.3 Any particular cases of difficulty or uncertainty in this area of Officer advice to political groups should be raised with the Chief Executive who will discuss them with the relevant Group Leaders.

7 Officer attendance at meetings not organised by the Council

- 7.1 Officers will advise formal meetings of the Council, informal meetings of Members of the Council, and other meetings organised by or on behalf of the Council.
- 7.2 In no circumstances should Officers be attending public meetings of a political nature organised by politicians external to the Council in order to represent the political view or programme of the Council.
- 7.3 Where any Officer or Member receives an invitation for the Council to be represented at a public meeting organised other than by the Council, they should refer that invitation to the Cabinet Support Staff who will liaise with the Leader as to the most appropriate Member representation.
- 7.4 The Leader will determine whether or not the meeting is one at which the Council should be represented, and if so, which Member or Members of the Cabinet should attend.

- 7.5 If no Cabinet Member is available to attend, then the Leader will determine whether to request that the meeting be rearranged or whether the organiser should be informed that no Member is available to attend.
- 7.6 A Cabinet Member may require briefing and support to fulfil their role in attending such a meeting. Officers will provide advice and assistance to the Member in preparing for attendance at such a meeting.
- 7.7 At some events, it will be appropriate for the Member to be accompanied by a suitably Senior Officer, such as a Corporate Director or Head of Service. At other events, it will be sufficient for other staff to accompany them.
- 7.8 The relevant Head of Service/Director should be consulted by the Leader as to whether attendance by an Officer is necessary and should advise the Leader which (if any) Officer will be present.
- 7.9 The foregoing provisions do not prevent appropriate Officers attending meetings of City, Town and Community Councils in accordance with the provisions of the Charter between those Councils and the County Council. Any Officer attending such a meeting should liaise with the relevant Lead Member.

8 Support services to Members and political groups.

- 8.1 The only basis on which the Council can lawfully provide support services (e.g. stationery, typing, printing, photocopying, transport, etc.) to Members is to assist them in discharging their role as Members of the Council. Such support services must therefore be used only on Council business. They should never be used in connection with party political or campaigning activity or for private purposes.

9 Members in their Ward Role and Officers

- 9.1 The Council accepts that Members need to be aware of significant developments within their local electoral divisions if they are to be effective in their roles as spokespersons on behalf of their local communities.

- 9.2 In consequence, Senior Officers as well as the Leader, Portfolio Holders, and Chairs and Vice Chairs are expected to notify local Members of significant matters that are not the subject of a report to Council, Cabinet or Committee, but which relate specifically to the local Member's electoral division or which may have a material impact in the area of which the electoral division forms a part.
- 9.3 'Significant matters' include matters or items that are of concern to the general public and local electoral division member(s).
- 9.4 In particular, the local Member(s) should, where appropriate, be invited to relevant meetings. If local Members do not attend such meeting for whatever reason, they should be advised by the convenor of the meeting (provided the meeting is convened by the Council or its officers) of any significant outcome. Similarly, local Members will also be informed of significant matters raised by the Town or Community Council within their area.
- 9.5 Whenever the Council undertakes any form of consultation exercise on a local issue, the ward Members should be notified at the outset of the exercise
- 9.6 Before Officers exercise delegated powers under the Scheme of Delegation they shall consider whether their decision is likely to have a significant impact upon the Council's profile or have significant financial implications, if it is there will be a presumption in favour of referring the matter to Members.
- 9.7 In any event when exercising delegated powers Officers will, where appropriate, keep the Cabinet fully informed, in particular the relevant Portfolio Holder, have regard to any comments from the relevant Scrutiny Committee and ensure that they consult with/inform the local Member in advance.
- 9.8 The Council has developed a Member Events Calendar which is accessible by all Members. An 'event' is an activity undertaken by the Council which is visible to members of the public, and may have an effect on them and/or their daily lives. Officers must ensure that the Calendar is populated with relevant information. Members must take responsibility to inform themselves of activity taking place within their areas by reference to the Calendar.

10 Members' access to information and buildings

- 10.1 Members can approach any department to request any information, explanation and advice as they may reasonably need to assist them in discharging their role as Members. A request for information may be made on behalf of a constituent, but any request for personal information should be authorised in writing by that constituent. Approaches should normally be directed to the Head of Service or another Senior Officer of the service.
- 10.2 A Member should always contact beforehand any Officer that he/she wishes to see. This will ensure that the Officer is available and prepared to answer the Member's questions in order to make the most effective use of the meeting.

- 10.3 A Member should always call at reception and ask for the Officer. This is a matter of personal safety as it is essential in case of fire that the name of everyone in the building is known.
- 10.4 Officers should always ensure that, bearing in mind the reasonable calls of their other duties, they respond to a reasonable request for information relevant to a member's work or a request for a meeting.
- 10.5 Contact between Members and Officers should only take place at agreed offices or other meeting locations. Members and Officers should not arrange meetings at their respective homes.
- 10.6 Telephone contact between Members and Officers should be restricted to normal office hours. Only exceptionally should Members and Officers contact each other outside these times and such contact should be restricted to Directors and Heads of Service.
- 10.7 Members are entitled to have access to the Council Chamber, Committee rooms and all other public areas of the Council's buildings.
- 10.8 Members who are not in pursuit of their duties as a Councillors have the same rights of access to Council buildings and premises as any other member of the public.
- 10.9 A Member has the right to enter "staff only" areas only with the express authorisation of the relevant Corporate Director or Head of Service.

11 Members' rights to inspect Council documents.

- 11.1 In addition to their rights under the Freedom of Information Act 2000, Members have a statutory right to inspect any Council document which contains material relating to any business which is to be transacted at a Council, committee or sub-committee meeting. This right applies irrespective of whether the Member is a member of the committee or subcommittee concerned and extends not only to reports which are to be submitted to the meeting, but also to any relevant background papers. This statutory right does not extend to information falling within paragraphs 12 to 18, 23, 24, and 26 of Part 4 of Schedule 12A of the Local Government Act 1972. However, the common law right (see below) could override this restriction in certain cases.
- 11.2 The common law right of Members is much broader and is based on the principle that any Member has a prima facie right to inspect Council documents so far as his/her access to the documents is reasonably necessary to enable the Member properly to perform his/her duties as a Member of the Council. This principle is commonly referred to as the "need to know" principle.
- 11.3 The exercise of this common law right depends upon the Member's ability to demonstrate that he/she has the necessary "need to know". In this respect a Member has no right to "a roving commission" to examine documents of the Council. Mere curiosity is not sufficient. Contents of personal files e.g. social service assessments, adoption and child protection papers, SEN statements, personnel files will definitely not be available for access under a right to know except in limited cases e.g. the Member who sits on adoption and fostering panel. If a Member's motive for seeing documents is indirect, improper or ulterior access will be refused. The crucial question is the determination of the "need to know". This question must initially be determined by the particular Head of Service whose department holds the document in question (with advice from the Head of Legal, HR and Democratic Services). In the event of a dispute, the question falls to

be determined by the Head of Legal, HR and Democratic Services and on appeal to the Chief Executive.

- 11.4 In some circumstances (e.g. a cabinet or committee member wishing to inspect documents relating to the functions of that committee) a Member's "need to know" will normally be presumed. In other circumstances (e.g. a Member wishing to inspect documents which contain personal information about third parties) a Member will normally be expected to justify the request in specific terms and in the light of data protection legislation.
- 11.5 Further and more detailed advice regarding Members' rights to inspect Council documents may be obtained from the Head of Legal, HR and Democratic Services.
- 11.6 Finally, any Council information provided to a Member must only be used by the Member for the purpose for which it was provided i.e. in connection with the proper performance of the Member's duties as a Member of the Council. The Council's Code of Conduct for Members states at paragraph 5:-

'You must not:

- (a) disclose confidential information or information which should reasonably be regarded as being of a confidential nature, without the express consent of a person authorised to give such consent, or unless required by law to do so'.

12 Correspondence, including e-mail.

- 12.1 Correspondence between an individual Member and an Officer should not normally be copied by the Officer to any other Member.
- 12.2 This restriction will not normally apply to Cabinet matters where the Cabinet as a whole will need to be informed of matters which will be of concern to all or several Cabinet Members.
- 12.3 Where exceptionally it is necessary to copy the correspondence to another Member, this should be made clear to the original Member. In other words, a system of 'silent copies' should not be employed.
- 12.4 E-mail should not be used by Officers or Members in such a way that it may be regarded as intimidating or exerting influence e.g. a Member copying to all Members a critical e-mail addressed to an Officer before that Officer has had the opportunity to respond.
- 12.5 Official letters on behalf of the Council should be sent out either in the name of the appropriate portfolio holder or in the name of the appropriate Officer.
- 12.6 Lead Members will be advised by their Senior Officers as to when a response from themselves rather than an Officer is the more appropriate.
- 12.7 Letters which create obligations or give instructions on behalf of the Council should never be sent out over the name of a Member.

13 Press releases

13.1 From time to time Members will be called upon to provide comments for the press relating to the work of the Council.

13.2 No remark will be attributed to a Member who has not first cleared that remark.

14 Breaches of the Protocol.

14.1 Breaches of this protocol may lead to disciplinary action in the case of Officers or, in the case of Members, an allegation to the Ombudsman that they have breached the Code of Conduct, or reference to the Council's Standards Committee.

14.2 If a Member should be dissatisfied with the conduct of an Officer, he/she should in the first place discuss the matter with the relevant Head of Service in order to try to resolve the matter. The Council's disciplinary procedures will not necessarily be relevant and/or appropriate in all circumstances but the relevant Head of Service will resort to these procedures in appropriate cases. When dealing with a matter the Head of Service could, depending on the circumstances, consult with the Chief Executive, the Monitoring Officer, the Chairman of the Council or the leader of the relevant political group.

14.3 Similarly, if an Officer is dissatisfied with the conduct of a Member he/she should also raise the matter with his/her Head of Service in order to try to resolve the matter with the Member without the need to resort to the formal procedures that could lead to the Standards Committee.

14.4 Should the Officer continue to be dissatisfied, he/she can refer his complaint to the procedure adopted by the Council for the local resolution of complaints about Members and this ultimately could lead to reprimand by the Standards Committee. However, this does not supersede the Officer's right, as any other individual, to make an official complaint that a Member has breached the code of conduct to the Public Services Ombudsman for Wales.

Whistleblowing Process

One page whistleblowing overview

Whistleblowing is for:

- All employees, including contractors, voluntary workers, consultants and those providing services via contract or other agreements.
- Genuine concerns about malpractice or impropriety that you believe to be in the public interest, including but is not limited to fraud, theft, mismanagement, bribery and health and safety failures.

Whistleblowing is not for:

- Raising employment concerns
- Complaints related to bullying, harassment and victimisation issues
- Questioning financial and/or business decisions made by Denbighshire County Council
- Raising issues that have already been addressed under the disciplinary, grievance or other procedures. An individual can however raise a concern about failure to follow these procedures

Who can I contact to blow the whistle?

- Your Line Manager
- A Senior Manager
- Chief Executive, Monitoring Officer, Chief Finance Officer, Head of Internal Audit
- Any person listed in the internal [contacts list](#).

Details on how to raise a concern can be found in [How to raise a concern](#).

Can I keep my identity a secret?

You are encouraged to give your name when making a disclosure. You can make an anonymous disclosure but these will be less credible. Any concern raised will be treated in confidence and every effort will be made not to reveal the whistleblowers identity.

What will happen to me if I blow the whistle?

The council has a duty to protect whistleblowers and to ensure that any concerns can be raised without recrimination or reprisal.

I don't feel that I am able to blow the whistle – how can I get help?

EMPLOYEES AND OTHER WORKERS

- Use this procedure to raise genuine concerns when they believe that to do so is in the public interest.

1. Introduction

People who work for or with the council are often the first to realise that there may be something wrong within the Council. However, they may feel unable to express their concerns because they feel that speaking up would be disloyal to their colleagues, managers or to the council. They may also fear harassment or victimisation. They may be worried about raising such issues or they may want to keep the concerns to themselves, perhaps feeling it's none of their business or that it's only a suspicion. They may decide to say something but find that they have spoken to the wrong person or raised the issue in the wrong way and are not sure what to do next.

The council has introduced this policy to enable you to raise your concerns at an early stage and in the right way. We would rather that you raised the matter when it is just a concern rather than wait for proof.

This policy makes it clear that you can raise your concerns without fear of harassment, victimisation, subsequent discrimination or disadvantage and is intended to encourage and enable people working for or with the council to raise concerns within the Council rather than overlooking a problem or "blowing

the whistle” outside. If something is troubling you which you think we should know about or look into, please use this policy.

This policy applies to all:

- Employees of Denbighshire County Council
- Employees of contractors working for the council on council premises, for example, agency staff, builders, drivers
- Those providing services under a contract or other agreement with the council in their own premises, for example care homes
- Voluntary workers working with the council
- Consultants engaged by the council

2. Aims and scope of the policy

This policy aims to:

- encourage you to feel confident in raising concerns and to question and act upon concerns about malpractice
- provide avenues for you to raise concerns and receive feedback on any action taken
- ensure that you receive a response to your concerns and that you are aware of how to pursue them if you are not satisfied
- reassure you that you will be protected from reprisals or other action if you have a reasonable belief that you have made any disclosure ‘in the public interest.’

The Whistleblowing Policy is intended to cover concerns other than your employment, where the interests of others or of the council itself are at risk. These include (but are not limited to):

- conduct which is an offence or a breach of law
- disclosures related to miscarriages of justice
- health and safety risks, including risks to the public as well as other employees
- unlawful discrimination
- damage to the environment
- the unauthorised use of public funds
- possible fraud and corruption
- sexual or physical abuse of clients,
- the neglect, emotional, physical or sexual abuse of children or other inappropriate behaviour towards them
- general safeguarding concerns
- other unethical conduct
- a deliberate attempt to conceal any of the above

Any concerns that you have about any aspect of service provision or the conduct of officers or members of the Council or others acting on behalf of the council can be reported under the Whistleblowing Policy. This may be about something that:

- makes you feel uncomfortable in terms of known standards, your experience or the standards you believe the Council subscribes to; or

- is against the council's Standing Orders, Financial Regulations and policies;
or
- falls below established standards of practice; or
- amounts to improper conduct.

The Officers Code of Conduct provides that if an employee becomes aware of activities which he or she believes to be illegal, improper or unethical, the employee should report the matter in accordance with this procedure.

This policy does not apply in the following circumstances:

Employment Issues

If you are an employee, there are existing procedures in place to enable you to raise concerns relating to your own employment. Refer to the Grievance policy.

Elected Members Conduct

General concerns relating to the behaviour and/or conduct of elected Members should be raised in accordance with the Member's Code of Conduct.

Complaints

This policy does not replace the Corporate Complaints Procedure which is concerned with addressing complaints about council services.

Other Services

If you have any concerns about another organisation that provides services on behalf of the council you should contact the service provider in the first instance. In cases where the council contracts with a private organisation it may be appropriate to notify the relevant Service Area of the council. In some cases it may also be necessary to inform the appropriate regulatory organisation.

Please note that if you are unsure where the issue falls then speak to the responsible officer.

3. Safeguards – our assurances to you

The council is committed to good practice and high standards and wants to be supportive of employees and others using this policy.

Your legal rights

The Public Interest Disclosure Act (PIDA) (1998) was introduced to protect employees who want to raise a concern about something happening in work in a responsible manner. The Act makes it unlawful for the council to dismiss anyone or allow them to be penalised or victimised on the basis that they have made an appropriate lawful disclosure in accordance with the Act.

The Enterprise and Regulatory Reform Act (2013) brought about a number of changes which impact on whistleblowing. The three key changes are the following:

1. Only disclosures made 'in the public interest' are protected. Employees now have to show that they 'reasonably believe' that the disclosure they are making is in the 'public interest.'
2. The removal of the requirement for disclosures to be made in 'good faith' in order to be protected.
3. Making employers liable for the acts of employees (such as harassing a colleague who has raised a concern) and making employees personally liable.

Please refer to the below section if you require advice or support on the above.

Support to you

The council recognises that the decision to report a concern can be a difficult one to make. If you believe what you are saying is true, you have nothing to fear because you will be doing your duty to your employer and those for whom you are providing a service. You will not be at risk of losing your job or suffering any form of punishment as a result.

The council will not tolerate discrimination, harassment or victimisation (including informal pressures) and will take appropriate action, including disciplinary action to protect you when you raise a concern 'in the public interest'.

Any investigations into allegations of potential malpractice raised by you will not influence or be influenced by other procedures such as investigations and hearings under the disciplinary, sickness, capability, redundancy or any other procedures that already affect you or may affect you in the future.

At all times during the raising and investigation of your concerns:

- you will be given full support from Senior Management
- your concerns will be taken seriously
- the council will do all it can to help you throughout the investigation, e.g. provide advocacy services, interpreters etc.

If appropriate, after full consultation, the council will consider temporarily redeploying you or others for the period of the investigation.

4. Confidentiality

All concerns will be treated in confidence and every effort will be made not to reveal your identity if you so wish. If the situation arises where we are not able to resolve the concern without revealing your identity you will be informed of this and the reasons why.

5. Anonymous disclosures

This policy encourages you to put your name to your disclosure whenever possible.

Concerns expressed anonymously are much less powerful, but will be considered at the discretion of the Monitoring Officer.

In exercising this discretion, the factors to be taken into account would include:

- the seriousness of the issues raised
- the credibility of the concern; and
- the likelihood of confirming the disclosure from attributable sources.

Remember that if you do not tell us who you are, it will be much more difficult for us to look into the matter, or to protect your position, or to give you feedback. Accordingly, this policy is better suited to concerns not raised anonymously.

If the Monitoring Officer decides not to pursue an anonymous disclosure he/she will record the reasons for this decision in writing. These decisions will be included in the Monitoring Officer's annual report to Corporate Governance Committee referred to in section 10 below.

6. Untrue disclosures

If you make a disclosure 'in the public interest', but it is not confirmed by the investigation, no action will be taken against you. If, however, you make a disclosure frivolously, maliciously or for personal gain, disciplinary action may be taken against you.

The question of whether or not a disclosure has been made frivolously, maliciously or for personal gain will be determined by the outcome of the investigation into your concern.

7. How to raise a concern

The council wishes to ensure that people who have concerns that should be raised under this policy do so. The paragraphs below give examples of how to raise a concern, but are not compulsory. You should raise your concern with whomever you feel most comfortable raising it.

As a first step, we hope you will feel able to raise concerns with your immediate manager.

In some cases it may be more appropriate to raise concerns with someone more senior or directly with one of the internal contacts listed at the end of this document.

This depends, however, on the seriousness and sensitivity of the issues involved and who is suspected of the malpractice. For example, if you believe that your management is involved you should approach the Chief Executive, the Monitoring Officer, the Chief Finance and Performance Officer or the Head of Internal Audit.

If any information raises concern about harm or potential harm to either children or adults at risk, then these concerns should be reported immediately to the appropriate team. For concerns relating to

children contact the Children's Gateway (01824 712200). For concerns relating to adults at risk, contact or the Single Point of Access Team (0300 456 1000).

If you have serious concerns which you feel unable for whatever reason to raise within the council, you should raise the matter with one of the external contact points referred to at the end of this document.

Concerns may be expressed verbally or in writing. If you wish to make a written report you are invited to use the following format:

- The background and history of the concern (giving relevant dates)
- The reason why you are particularly concerned about the situation

If you prefer you may use the Whistleblowing policy report form attached to this document and give this to the person with whom you raise your concern.

The earlier you express your concern the easier it is to take action.

Although you are not expected to prove the truth of an allegation, you will need to demonstrate to the person contacted that there are sufficient grounds for your concern. Advice and guidance on how matters of concern may be pursued can be obtained either from your Head of Service, or the Head of Legal, HR and Democratic Services (Monitoring Officer).

You may invite your trade union professional association representative, a friend, or someone from an advocacy or translation service to be present during any meetings or interviews in connection with the concerns you have raised.

8. How the council will respond

The council will respond to your concerns. Do not forget that testing out your concerns is not the same as either accepting or rejecting them.

The person to whom you report your concerns under this policy must, in turn, report them to the Monitoring Officer within three working days.

The Monitoring Officer will liaise with the Head of Internal Audit to consider the most appropriate method of investigating the matters of concern raised by you. Please do not attempt to investigate these matters yourself once they have been raised as this could compromise any subsequent investigation into your concern.

In order to protect individuals and those accused of misdeeds or possible malpractice, initial enquiries will be made to decide whether an investigation is appropriate and, if so, what form it should take. The overriding principle which the council will have in mind is the public interest. Concerns or allegations which fall within the scope of specific procedures (for example, child protection or discrimination issues) will normally be referred for consideration under those procedures.

Some concerns may be resolved by agreed action without the need for investigation. If urgent action is required this will be taken before any investigation is conducted.

Where appropriate, the matters raised may:

- be investigated internally by management, internal audit, or through the disciplinary process
- be referred to the Police
- be referred to the External Auditor
- form the subject of an independent inquiry

Within ten working days of a concern being raised, you will receive a letter (or information in your preferred format):

- acknowledging that the concern has been received
- indicating how we propose to deal with the matter
- giving an estimate of how long it will take to provide a final response
- telling you whether any initial enquiries have been made;
- supplying you with information on staff support mechanisms, and
- telling you whether further investigations will take place, and if not, why not.

The amount of contact between the officers considering the issues and you will depend on the nature of the matters raised, the potential difficulties involved and the clarity of the information provided. If necessary, further information will be sought from you.

Where any meeting is arranged, off-site if you so wish, you can be accompanied by a Trade Union representative or workplace colleague.

The council will take steps to minimise any difficulties which you may experience as a result of raising a concern. For instance, if you are required to give evidence in criminal or disciplinary proceedings, the council will advise you about the procedure and provide you with the necessary support.

The council accepts that you need to be assured that the matter has been properly addressed. You will, subject to legal constraints, receive information about the outcome of any investigations.

Whilst we cannot guarantee that we will respond to all matters in the way that you might wish, we will try to handle the matter fairly, properly and without undue delay. By using this policy, you will help us to achieve this.

9. Independent advice

If you are still unsure whether or how to raise a concern or you want confidential advice, you can contact the independent charity Public Concern at Work on 020 7404 6609 or at www.pcaaw.co.uk

You may prefer to speak to your Trade Union to seek advice about how to raise a concern under this policy. The contact details for the trade unions recognised by the council for collective bargaining purposes are contained in the External contact list attached.

10. Maintenance and operation of policy

- The Monitoring Officer (Head of Legal, HR and Democratic Services) has overall responsibility for the maintenance and operation of this policy.
- The Monitoring Officer maintains a record of concerns raised and the outcomes of investigations in a form which does not endanger your confidentiality.
- The person who receives your concerns must report them to the Monitoring Officer in accordance section 8 above.
- The person who receives the report into the investigation of your concerns must report the outcomes to the Monitoring Officer.
- The Monitoring Officer will pursue the outcomes of the investigation if they are not reported promptly in accordance with section 10 above.
- The Monitoring Officer will review all concerns and outcomes on a periodic basis to ensure that they have all been investigated in accordance with this policy.
- The Monitoring Officer will report, in a format that does not compromise confidentiality, at least once a year to the Corporate Governance Committee on the operation of this policy, the outcome of the reviews conducted under section 10 above and any changes in practice introduced as a result of a concern raised under this policy.

11. How the matter will be taken further

This policy is intended to provide you with an avenue within the council to raise concerns. The council hopes you will be satisfied with any action taken. If you are not and if you feel it is right to take the matter outside the council, further possible contact points are given in the External Contact List attached to this document.

If you do take the matter outside the council, you should ensure that you do not disclose information which should properly remain confidential. You will need to confirm this with the person or organisation you decide to contact.

12. Additional information

Grievance raised during other proceedings e.g. disciplinary, redundancy etc

There may be occasions where an employee, who is subject to another procedure, raises a grievance. The way in which this is handled will depend on the facts of each case. An assessment of the facts should take into account how the grievance is related (if at all) to the matter in hand.

Whether or not the grievance and the ongoing case are associated will be determined by the appointed Deciding Officer of the case.

Where the grievance and the other case are related

In exceptional circumstances it may be appropriate to temporarily hold the ongoing proceedings while the grievance matter is investigated further. The aim here is to establish whether the complaint has a material impact on the case and eventual outcome.

Be mindful that other ongoing proceedings should not be delayed unnecessarily.

Where the grievance and the other case are not considered to be related

In such cases it is advised that both cases are dealt with separately and that they run concurrently. The proceedings of the case in question may not be impacted by the grievance raised and should therefore be able to continue as planned.

18.5 Members' Self Regulatory Protocol

General Principles

- To promote high standards of conduct and behaviour as a means of strengthening respect and trust among members. It is NOT intended to replace the Code of Conduct, rather it is intended to sit alongside the Code, enabling behaviour which may not reach the threshold to become a breach to be dealt with; and that which justifies a formal complaint to the Ombudsman.
- The protocol does not replace the Member-Officer Relations Protocol set out in the Council's Constitution.
- Members will make all reasonable attempts to resolve disputes through agreed internal processes subject to their obligations under the Members' Code of Conduct.
- Referral to external regulators will become a last resort subject to Members' obligations under the Code of Conduct.
- Members will avoid personal confrontation in any public forum, especially full Council and through the media
- These commitments will not stifle legitimate political debate or scrutiny
- Group discipline will become the cornerstone of self-regulation with Group Leaders taking responsibility for their own members
- Group Leaders individually and collectively will work to ensure compliance with this protocol
- Members will commit to training and development in support of this protocol

Working to avoid problems

To minimise the number of instances of alleged breaches all Group Leaders have committed to:-

- **A Member Learning and Development Strategy** – to which they will seek to secure the commitment of their group members. All reasonable endeavours will be made to ensure that the Learning and Development Strategy identifies and responds to the needs of members.
- **Attending relevant Member training events** - in particular those relating to the Code of Conduct or probity courses within the scope of their role.
- **WLGA Charter** – The Council has been awarded the WLGA's Charter for Member Support and Development and supports its objectives. Group Leaders will seek to secure individual member commitment to training and keep this under review.

Role of Group Leaders

A complaint by a member relating to a member of the same group will be referred to the Group Leader. A complaint by a member concerning the activities of a member of a different political group will be discussed with the complainant's own Group Leader, who will then refer the issue to the Group Leader with responsibility for the member against whom the complaint is made.

Upon receiving a complaint, it is the role of Group Leaders to take responsibility for discipline within their groups. Group discipline should seek to be informal, resolved through face to face meetings. Group Leaders will need to retain some records but the process will not be “document heavy”. The emphasis should be on training, education, mediation and conciliation.

When appropriate, a sanction such as removal from a committee or an outside body, may be used in extreme cases or after persistent breaches and the matter will be referred to the Public Services Ombudsman for Wales.

Prior to considering any sanction, or training, the relevant Group Leader may consult with a member of the Standards Committee in conjunction with the Monitoring Officer or Deputy Monitoring Officer. The Standards Committee will seek to ensure fairness and consistency in the discipline imposed within each Group.

At the next available Group Leaders’ meeting any issue of discipline which has been referred to a Group Leader will be discussed with the Group and with the objective of seeking to ensure that fair and consistent sanctions are applied.

Where the complaint relates to the Group Leader themselves, the Chair will be requested to consider the complaint, just as with unaffiliated members.

Unaffiliated Members

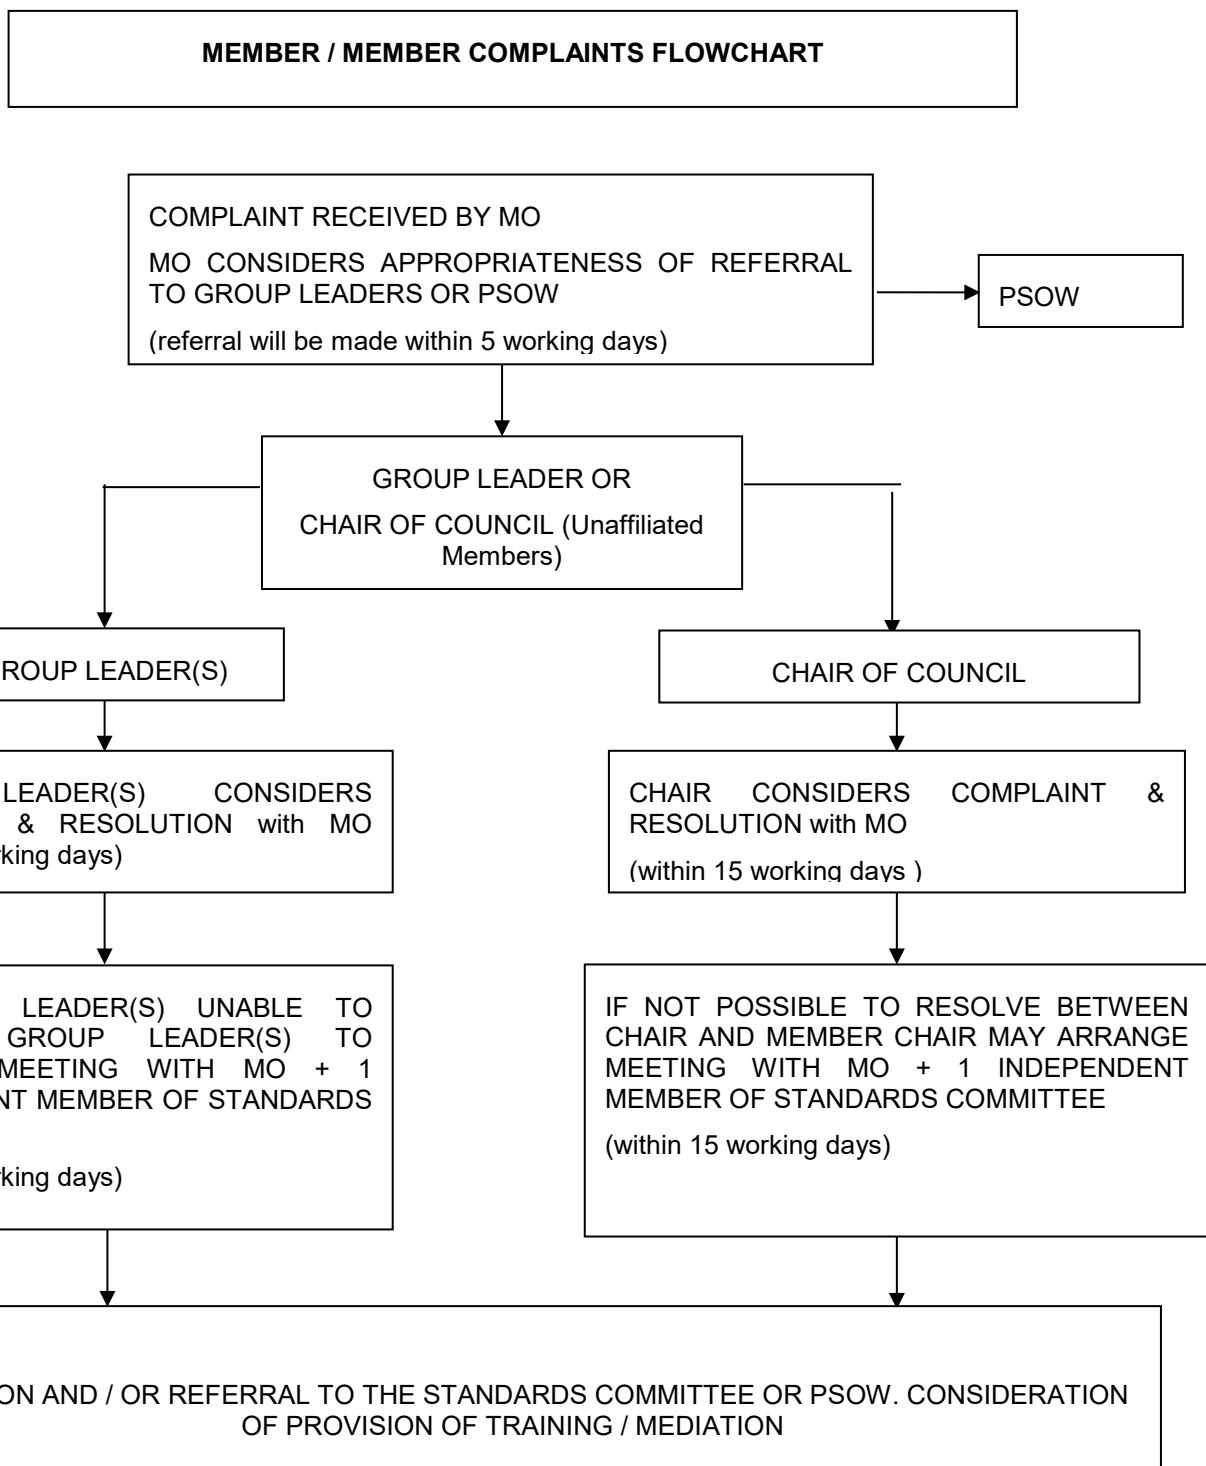

As far as unaffiliated members are concerned, the Chair of the Council will fulfil the role of Group Leader. Concerns regarding the conduct of an unaffiliated member should be referred to the Chair who will apply the same principles and standards as those of the Group Leaders in terms of training/mediation/conciliation. In the case of persistent breaches the matter shall be referred to the Ombudsman by the Monitoring Officer or in his/her absence the Deputy Monitoring Officer.

Persistent Breaches

In the case of persistent breaches, or areas where the Group Leaders have concerns that the conduct of an individual member or members is damaging to relations between political groups or to the reputation of the Council, then the Group Leaders will meet with the Chief Executive Officer and the Monitoring Officer to agree a way forward. Consideration will be given to joint references to the Ombudsman, by the Group Leaders, for persistent low level breaches.

Standards Committee

- Owing to any potential issues of conflict, any involvement will include no more than one independent member of the Standards Committee. This will be subject to a rotational basis and in accordance with availability.
- The Standards Committee Members will play a supporting/advisory role to the Group Leaders. This process will be initiated at the request of the Group Leader, in a particular case.
- Such meetings will be private and informal.
- Any documentation, attendance notes, file notes or advisory notes passing between a Group Leader (or as appropriate the Chair of the Council) and the members of the Standards Committee shall remain private and confidential.

PERSISTENT BREACHES, GROUP LEADERS WILL MEET WITH CHIEF EXECUTIVE AND MONITORING OFFICER TO AGREE WAY FORWARD. CONSIDERATION WILL BE GIVEN TO JOINT REFERENCES TO THE OMBUDSMAN BY GROUP LEADERS FOR PERSISTENT, LOW LEVEL BREACHES.

MO = Monitoring Officer

PSOW = Public Services Ombudsman for Wales

18.6 Protocol for liaison with Members

The Council accepts that members need to be aware of significant developments within their local electoral divisions if they are to be effective in their roles as spokespersons on behalf of their local communities.

In consequence, senior officers as well as the Leader, Portfolio Holders, and Chairs and Vice Chairs are expected to keep local members apprised of significant matters that are not the subject of a report to Council, Cabinet or Committee, but which relate specifically to the local member's electoral division or which may have a material impact in the area of which the electoral division forms a part.

'Significant matters' include matters or items that are of concern to the general public and local electoral division member(s).

In particular, the local member(s) should, where appropriate, be invited to relevant meetings. If local members do not attend such meeting for whatever reason, they should be advised by the convenor of the meeting (provided the meeting is convened by the Council or its officers) of any significant outcome. Similarly, Local Members will also be informed of significant matters raised by the Town or Community Council within their area.

Before Chief Officers exercise delegated powers under the Scheme of Delegation they shall consider whether their decision is likely to have a significant impact upon the Council's profile or have significant financial implications, if it is there will be a presumption in favour of referring the matter to Members.

In any event when exercising delegated powers each Chief Officer will, where appropriate, keep the Cabinet fully informed, in particular the relevant Portfolio Holder, have regard to any comments from the relevant Scrutiny Committee and ensure that they consult with/inform the Local Member in advance.

18.7 Protocol on Members' access to information.

1 Introduction

The Access to Information Rules contained in Part 4 of the Council's Constitution set out the rules relating to the public's access to information in respect of all meetings of the Council, Cabinet, Committees or Sub Committees.

This protocol seeks to provide guidance to members on their rights to access information and should be read in conjunction with the Access to Information Rules and the Protocol for Member/Officer relations.

2 Principles

There is a presumption in favour of openness and allowing members to have access to information wherever possible. Refusing a member's request for information or to have sight of documents will be an exception.

3 The Legal Position – Statutory Provisions

Members will have all of the statutory rights available to any person under the Freedom of Information Act 2000 and the Environmental Information Regulations 2005, subject to the exemptions contained within that legislation.

Members have a right to inspect the accounts of the Council under Section 228 Local Government Act 1972.

Members have the right to access documents forming part of the formal business of the Council, including minutes, agendas, reports and background papers, subject to certain restrictions for confidential or exempt information by virtue of Section 100F Local Government Act 1972 as amended.

The Local Government Act 2000 and the Local Authorities (Executive Arrangements) (Decisions, Documents and Meetings) (Wales) Regulations 2007 provide similar rights in relation to the documents forming part of the formal business of the Cabinet and Part III of the Regulations gives an extended right to members of scrutiny committees relating to documents relevant to the work of the committee.

4 The Legal Position – The Common Law Position

The common law right of members is broader than their statutory rights. The common law principle is that any member has a prima facie right to inspect Council documents so far as his/her access to the documents is reasonably necessary to enable the member properly to perform his/her duties as a member of the Council. This is commonly referred to as the "need to know" principle.

The exercise of this right depends upon the member's ability to demonstrate a "need to know". In this respect a member has no right to "a roving commission" to go and examine documents of the Council. Mere curiosity is not sufficient. Contents of personal files e.g. social service assessments, adoption and child protection papers, SEN statements, personnel files will definitely not be available for access under a right to know except in limited cases e.g. a Member who sits on adoption and fostering panel.

Elected members on the Council have three roles:

- They represent their constituencies
- They act as part of the organisation, namely the Council and its committees
- They form part of a political group or party

Usually, a member will be able to prove that he/she “needs to know” something if the information involves the member’s official duties in the first two roles. It is less likely that a member can prove a “need to know” in relation to the activities of a political group or party. In addition, some members have special responsibilities as a portfolio leader or chair of a scrutiny committee. They will usually be able to prove a “need to know” in relation to issues within their portfolio/committee’s work.

Sometimes it will be possible to reveal the information that the member seeks by deleting parts of it (e.g. personal information) and showing the rest. Wherever that is practically possible, the modified information should be released to the member rather than refuse access.

5 Members’ Use of Information

Members who receive information from the Council have a responsibility to deal with the information in a responsible manner. The Code of Conduct states as follows:

"Members must not disclose information given in confidence, without the express consent of a person authorised to give such consent, or unless required by law to do so."

Unauthorised disclosure of information would be a breach of the Code of Conduct

In addition to what is noted in the Code of Conduct, a member should not deal with any information that was given to him/her, which is not public information, apart from for the specific purpose of fulfilling his/her work as a member.

Members who receive information from the Council will also be responsible for the security of that information. This means its physical security (i.e. keeping documents that are not for the public in a safe place), as well as not revealing any of the information to anyone who does not have the right to that information.

Members who receive information electronically are required to adhere to the Council’s Information Technology Security Policy.

When dealing with personal information about an individual, the Council, its staff and members are subject to the Data Protection Act 1998, and some further rules are relevant. The Council’s Data Protection Policy and the Data Protection guidelines should be adhered to.

Personal information should never be used for any purpose apart from the specific purpose for which the information was given in the first place.

Now and again, a member will ask for information on behalf of his/her electors. On such occasions, in order to avoid any confusion, members are expected to obtain the elector’s written consent for information about him/her to be revealed to the member.

6 Procedure

Members can approach any department to request any information, explanation and advice as they may reasonably need to assist them in discharging their role as Members. A request for information may be made on behalf of a constituent, but any request for personal information should be authorised by that constituent.

Approaches should normally be directed to the Head of Service or another Senior Officer of the department.

If the case does not fall into the category where there is reason to refuse, access will be granted by the service’s officers. If the officer who is dealing with the request has any doubts as regards whether or not information should be revealed, it should be referred to the Head of Service for decision.

The crucial question is the determination of the “need to know”. This question must initially be determined by the particular Head of Service whose department holds the document in question (with advice from the Head of Legal, HR and Democratic Services).

In the event of a dispute, the question falls to be determined by the Head of Legal, HR and Democratic Services and on appeal to the Chief Executive.

7 Further Information

Advice regarding a member’s right to access information and the duties in dealing with information can be obtained from the Head of Legal, HR and Democratic services.

Further information regarding the rights and duties of members in relation to personal information can be obtained from the Information Commissioner www.informationcommissioner.gov.uk : 01625 545700

18.9 Protocol and Guidance for Elected Members appointed to Outside Bodies

This guide is intended to give a general overview of issues that affect Elected Members who are involved in outside bodies, whether or not their membership arises from an appointment by the Council. Whilst it is not possible to provide a comprehensive guide to all possible situations, the Head of Legal, HR and Democratic Services and his staff will be able to offer specific advice where necessary.

In some cases, the persons appointed will be the Council representative in that they will be expected to bring knowledge and expertise of the Council Services and to represent the Council's views at meetings. However, there are a number of cases, for example if you are a trustee or company director, where you must look after that particular bodies' interests and to further their aims, not the Councils.

In all cases Members should:-

- Operate within the rules and/or constitution of the outside body
- Report back, where appropriate, to the Council or relevant committee
- Behave ethically and follow the Council's code of conduct where it applies
- Take an active and informed role in the affairs of the outside body

There are a number of types of outside bodies in which Councillors may become involved, either independently or, as a representative appointed by the Council. Some of the most common examples are

- A Public Authority
- Charitable trust
- Company limited by shares
- Company limited by guarantee
- Unincorporated association

The structure for each type of organisation, the management and the rules which govern them vary considerably. The following table shows how each type may be set up and managed.

Legal Status of the organisation	Governing Document	Management	Possible member involvement	Common types of organisation
A public authority	Constitution usually based on legislation	Authority	Member	National Parks Authority Fire & Rescue Authority
Charitable Trust	Trust Deed	Trustee meetings	Trustee	Playing field trusts
Company limited by guarantee	Memorandum and Articles	a) Board of Directors b) Meetings of members	Director	Charitable organisations, stock transfer housing companies, community associations
Company limited by shares	Memorandum and Articles	a) Board of Directors b) Meetings of shareholders	Director	Commercial organisations (e.g. joint ventures or companies providing contractual services)
Unincorporated association	Constitution	Management Committee Members meeting	Management Committee member	Community associations

In carrying out their duties as a Trustee, Director or Management Committee Member, Councillors must take decisions without being influenced by the fact that they are a Councillor. Their primary duty in acting as a representative making decisions for the outside body is to make those decisions in the interests of the organisation. However, Councillors should always ensure that their fellow directors/trustees are aware of the fact that they are Councillors.

Main Duties

The following are the main legal duties of directors of companies. Most of these obligations also apply to trustees and members of committees and associations.

Acting in Good Faith

A director's primary duty is to act in good faith, in the best interests of the organisation and its objects. All directors owe a fiduciary duty to their company, which means they owe loyalty to the company and a duty of care to act in the best interests of the company, having regard to the interests of the members or shareholders of the company, the company's employees and creditors.

Care, Diligence and Skill

Directors must exercise the same degree of care which ordinary people might expect to take on their own behalf, although they need exercise no greater skill than may reasonably be expected from persons of similar knowledge and experience.

Although directors are not bound to attend all meetings of directors, attendance should be as frequent as possible and directors should ensure that they are reasonably informed at all times. Directors should not take a passing, or passive interest in the company's financial and other affairs - they are obliged to take an active and enquiring interest in the company.

Certain duties must be performed by officials, and a Board of Directors who have made sensible arrangements authorising others to act on their behalf are entitled to trust those officials to perform their duties honestly. From time to time directors should take steps to ensure that delegated responsibilities are properly performed.

Honesty

Directors must exercise their powers for proper purposes only. They must not allow personal interests to conflict with those of the organisation.

Where a director is directly or indirectly interested in a contract or a proposed contract with the organisation, the director is legally bound by the Companies Acts to declare the nature of the interest at a meeting of the Board of Directors.

All company property in the hands of the directors or under their control must be used for the purpose of the organisation. It is improper for any director to make profit out of a transaction of the organisation or to accept financial inducements.

Not to Exceed Powers

Directors are under a duty to see that they do not act beyond the powers of the organisation. They must ensure that they do not act beyond the powers conferred on them by the Memorandum of Association or constitution. They must not act illegally.

Financial Responsibility

Directors are under a duty to ensure that the company operates within the limits of its financial resources, actual and expected. Despite the limited liability of a company, directors can incur **personal responsibility** for its debts and obligations in certain circumstances.

Directors can also be held **personally liable** if they have allowed a company to operate, or continue to operate, where there was no reasonable prospect that it could and would pay its debts, and these are left unpaid after the liquidation of the company.

It follows that Directors must be extremely scrupulous in the attention they pay to their company's present and future liquidity, and ensuring that their concerns and actions are minuted.

Compliance with the Companies Acts

Directors also have a duty to ensure that the company complies with the requirements of the Companies Acts, although they will normally look to the Company Secretary to ensure compliance.

An organisation's constitution generally says little about how the Board of Directors should run the organisation. In general, a company's Memorandum and Articles of Association will state the objectives of the organisation in the broadest terms and will provide rules for the appointment and periodic re-election of the Board of Directors. The actual responsibility for the running of the organisation is in the hands of the Board and Directors must take appropriate steps to ensure good management of their companies.

Trustees

If you are appointed as a trustee of a charity then the duties of trustees are generally the same as for a director but in addition you must make sure the trust acts in accordance with the aims and objectives of the trust and you should make sure that you have a clear understanding of what these are (there is normally a trust deed which sets these out).

Liability Issues

In cases where Councillors act in a decision-making capacity specifically in connection with the business of the outside organisation as opposed to merely exercising their role as a representative of the Council, then they will probably be regarded as serving the particular body rather than the Council. In these circumstances, the Council and its insurers may not have agreed to provide an indemnity against claims brought against them personally. Where there is any possibility of legal liability therefore, the outside organisation should provide the appropriate insurance cover for its directors, company officers, committee members etc.

The Council's insurance cover will extend to Councillors assisting outside organisations as advisers or observers, either facilitating exchanges of views or information as an extension of their Council duties or otherwise representing the Council, but the Council's insurance cover does not extend to indemnify Councillors and officials who serve in an executive capacity on an outside body. Councillors and Officers should be clear that if they serve on an outside body as decision makers, they do so in a personal capacity. Outside bodies on which Councillors serve, therefore should provide their own insurance cover.

All those organisations seeking Denbighshire County Council to make appointments will be asked to provide evidence of the level of indemnity provided for its members. Upon commencing their duties on behalf of the organisation, each Councillor should ask the organisation to provide confirmation of the validity of their indemnity arrangements.

Conflicts of Interests

Where Councillors serve as members or directors for outside bodies, it is inevitable that conflicts will arise, from time to time, between the duties they owe to the outside body and the duties they owe to the Council. Conflicting interests should be declared on every occasion. It will be a matter for the individual judgement of the Councillor as to whether he or she participates in discussion of, and votes on, the particular item of business, whether at the meeting of the outside body or a Council committee.

Decisions will be required to be made in accordance with the Code of Conduct and the rules applicable to the outside body and, where appropriate, advice should be sought and obtained from appropriate Council officials.

Provided Members are sensitive to the possibility of conflict of interest, there is no reason why they should not express a 'Council' view when acting on an outside body. However, they should make clear that they do not represent the Council on the outside body, and so cannot bind the Council by what they say. In many cases Members will be able to act as valuable links between outside bodies and the Council.

Members' Code of Conduct

When outside bodies consider issues related to your Council or where you may have a personal interest in relation to the body's activities, these need to be declared in line with the rules of the outside body and the Members Code of Conduct. The specific rules adopted by each body will vary and therefore you should ask for advice and guidance from the secretary of the organisation and/or the Monitoring Officer, as appropriate.

When the Council considers issues relating to or affecting the outside body to which you have been appointed as Council representative you must declare your personal interest in the matter in accordance with the Members' Code of Conduct. If this is your only interest then it will not be considered a prejudicial interest unless the matter relates to an approval, consent, licence, permission or registration. You will also need to ensure details of your appointment are included on the Register of interests kept by the Monitoring Officer.

Confidential information must be treated with care and if you have any doubt over the status of any information then you should keep that confidential and check with the relevant officer, whether or not it is something which is already in the public domain or which may be disclosed.

The legal position is that someone who has received information in confidence is not allowed to take improper advantage of it. Deliberate leaking of confidential information will also be a breach of the Members Code of Conduct.

Where you act as a representative of the Council on an outside body, you must comply with the Code of Conduct of that body, if it has one. If it does not, you must comply with the Members' Code of Conduct unless observance of the Code would conflict with any other obligations (i.e. the duty to act in the best interests of the outside body).

Under the Code you must not:

- disclose information given to you in confidence by anyone, or information acquired which you believe is of a confidential nature, without the consent of a person authorised to give it, or unless you are required by law to do so;
- prevent another person from gaining access to information to which that person is entitled by law.

Disclosing confidential information may also contravene other parts of the Code e.g. it may be regarded as bringing the office of Councillor or the Council into disrepute; may compromise the impartiality of people who work for the Council; may improperly confer or secure an advantage or disadvantage for you or any other person.

Registering Interests

Under the Council's Code of Conduct, Councillors are required to register their financial interests and other interests in the Council's Register of Interests within 28 days of their election or appointment. They must also notify the Council's Monitoring Officer, in writing, of changes to these details within 28 days of any such change.

Checklist for Councillors Appointed to Outside Bodies

Prior to commencing any duties relevant to the membership of an outside body organisation, Councillors need to ensure that they follow a number of steps:

- Members should ensure that prior to accepting any invitations by outside body organisations to attend their meetings and act on their behalf, that they have firstly been properly appointed on behalf of the Council.
- Members attending a meeting of an outside body organisation for the first time should ensure that they are provided by the organisation with details of the following:-
 - The purpose of the organisation, a copy of its constitution and its terms of reference.
 - A summary of the organisation's role as an employer, as a property holder and as the body responsible for the finances of the organisation.
 - The expected role of the elected Member on the organisation and the extent of their personal liability.
 - Confirmation of the detail and validity of the organisation's insurance and indemnity arrangements to protect Members acting on its behalf.
 - Details of the dates, venue and frequency of meetings which they will be invited or expected to attend.
 - Correspondence and contact details for any queries regarding the organisation and Member's roles.

18.10 PROTOCOL ON ROLE OF CHAIR AND LEADER IN REPRESENTING THE COUNCIL

INTRODUCTION

- 1.1** The Chairman is ‘the first citizen’ of the County. Accordingly, he or she represents the Council at all civic and ceremonial functions and acts as the ambassador for the Council at such functions.

Traditionally, and in accordance with the Local Government Act, 1972 (as amended), the Chairman takes precedence in the County subject only to Her Majesty's Royal Prerogative. It is clear therefore that the Chairman must give precedence only to Her Majesty The Queen and/or Members of the Royal Family (if present) or the Lord Lieutenant of the County when acting in his official capacity representing The Queen.

- 1.2** It follows therefore that the Chairman takes precedence over all Members and staff of the County Council, Mayors/Chairpersons and members of Town and Community Councils within the County and Members of Parliament, European Parliament or Welsh Assembly. This applies not only on the occasion of presentation to Her Majesty The Queen and/or Members of the Royal Family during a Royal Visit to the County but also for other civic events.

- 1.3** There is an official Order of Precedence. An example is that on Royal visits the order of presentation to the particular Member of the Royal Family by the Lord Lieutenant would be:-

Lord Lieutenant's spouse
 High Sheriff and Spouse
 Chairman of County Council and Spouse
 County Chief Executive and Spouse
 Town/Community Council Mayor/Chairman and Spouse
 Town/Community Council Clerk
 Member of Parliament and Spouse
 Member of European Parliament and Spouse
 Welsh Assembly Member and Spouse
 Chief Constable and Spouse

The usual procedure after that is that the Organiser of the event is presented and he/she will then present others.

- 1.4** Against this background of formal precedence, the Civic Officer's role therefore is to ensure that the Council, its members and staff and hosts of functions accord the Chairman proper precedence with regard to ceremonies and events, and to liaise with both the Chief Executive and Head of Legal, HR and Democratic Services to ensure the effective discharge of this work.

- 1.5** The Leader is the political Leader of the Council as well as being the Leader of the Cabinet. It is the Leader's function to represent the political views of the Council and the Cabinet. As a consequence the Leader, and Cabinet Members, will receive invitations from groups or organisations to attend meetings, functions and events where they may be called upon to speak about Council policy and the Cabinet's plans. On other occasions they will be invited to enable networking, which is a vital part of the Leader's and Cabinet Members' roles, specifically in developing partnership relationships but also in securing support for Council policy and gaining feedback on community or organisations' views.

- 1.6** To minimise the risk of confusion, there is a need to set out clearly a procedure for determining attendance and to provide guidance to both Members and officers on what properly is the role of the Chair, and that of the Leader and Cabinet Members when both elements of the Council are required to be represented.

GUIDANCE

CHAIRMAN

- 2.1** The Chairman represents the Council in a non political capacity, that is as a corporate body whose constitutional status and range of responsibilities warrants inclusion on the attendance lists of the meetings and functions of outside bodies. The Chair attends such functions in an ambassadorial capacity representing the Council as the duly elected body, representing the people of Denbighshire
- 2.2** Attendance by the Chair at an event has the following possible meanings:
- It recognises the event as one at which it is important for the Council to be represented
 - It confirms the event as having a significance for the community of Denbighshire
 - It is a means of encouraging community life
- 2.3** The Chair will represent the Council at events:
- to welcome representatives of other bodies to the Council
 - to represent the Council in public engagements, other authorities' civic functions, community functions and ceremonies

The Vice Chair will take the place of the Chair in his/her absence.

THE LEADER

- 3.1** The Leader represents the political authority of the Council and the Cabinet. He/she represents the specific political programme of the Council and Cabinet and also any issues concerning the policy direction of the Council. As such, meetings with Government, Assembly Members and MPs would normally fall to the Leader rather than the Chair. The Leader should not be responsible for the offering of civic greetings on behalf of the Council, or to welcome Royal, ambassadorial and civic visitors to the County or represent the Council at non- political functions or events.
- 3.2** The Leader in his/her role as "political Leader" may receive invitations to events where his/her presence is entirely consistent with the performance of that role. Furthermore, there may be events where organisers would wish to extend invitations to both the Chairman and the Leader to represent both the civic and political function of the Council. In such circumstances, the Chairman's role takes precedence, which means that he/she should speak first to welcome visitors or open an event: the Chairman does not deal with political issues in his/her speech.
- 3.3** Invitations for the Leader to attend an event must be gauged in terms of the nature of the meeting. Meetings which concern the promotion of Denbighshire are a grey area and should be agreed with the Chief Executive, but in some cases it will be a purely political event e.g. gaining acceptance for the Council's tourism policy, lifelong learning policy etc. In those circumstances the Leader or Cabinet Member would be the relevant person to consider for attendance.

ROLE OF OTHER MEMBERS

- 4.1** Only the Chairman (or, in his/her absence, the Vice Chair) or Leader should undertake these roles, Cabinet Members and other Members of the Council should refrain from doing so unless acting at the request of the Chairman or Leader.

GUIDANCE TO OFFICERS

- 5.1** Corporate Directors and other officers organising an event should bear these guidelines in mind. Any queries should be discussed with the Chief Executive if there is any doubt.
- 5.2** All civic receptions held by the County Council should be arranged in consultation with the Civic Officer, who will liaise with Cabinet support staff.
- 5.3** All invitations to the Council to be represented at events, ceremonies or functions should be referred, in the first instance, to the Civic Officer and Cabinet support staff.
- 5.4** For events, ceremonies and functions involving the Chair, the organiser is required to complete a form to be submitted to the Civic Officer giving all details no later than 2 weeks prior to the event. A Guidance on Precedence and Protocol is also issued, which gives clear advice on formality and etiquette.
- 5.5** External organisations should be advised of the issues of Precedence and Protocol covered in this note and be encouraged to address invitations correctly to the Chairman, Leader or both of them as appropriate.
- 5.6** The Chair and Leader require adequate briefing and support to fulfill their roles. At important events, it will be appropriate for them to be accompanied by a suitably senior officer, such as a corporate director or head of service. At other events, it will be sufficient for other staff to accompany them. As a minimum officers should consider for each event whether attendance by an officer is necessary and should advise the Chair or Leader which (if any) officer will be present.
